Had to Play Ten Innings

The first game of ball on the Reyn-oldsville grounds this season was played Thursday afternoon between the home team and Rathmel's strong team. Our team and Rathmel's strong team. Our boys did not have an easy victory. Both teams played good ball and were so evenly matched that ten innings had to be played to decide the game. At the ending of the ninth inning the score was 4-4, but in the tenth inning our boys pounded the ball unmercifully and got eight scores, and the visitors got a "goose egg," making the score 12-4 in favor of the home team. A large crowd witnessed the game, but a very few of the spectators occupied seats on the grandstand. The ball ground is not fenced in and hence an admission fee cannot be charged to see the games cannot be charged to see the games played, but seats on the grand stand cost ten cents for ladies and fifteen cents for gentlemen. Our club built the grand stand for the purpose of having people pay for seats on it and by this means hope to raise enough money to pay the expense of having ball teams come here to play, but if our people don't patronize the grandstand better hearafter than they did last Thursday, there will not be many games of ball played on the Reynoldsville grounds

The score in Thursday's game was as
