Guard the Flag.

Guard the flag—forever guard
Freedom's universal sign;
Let its blue field, thickly starred,
Ever yet more brightly shine.
Guard it— for our heroes' dust
Speaks from days of far long ago;
Guard it— 'till their dying trust
Round it let the laurels twine.
Guard the story—straggled sign
Of our speech, our faith, our home;
Whirl it 'round the ocean's brine,
Or upon the globe's dome!
Where'er in triple hues
To the wind that flag is flung,
Let it tell a nation's hopes
As with clarion's silver tongue.
Guard the flag—Columbin's pride—
Which still still unconquered be,
As our navies proudly ride
At their will in every sea;
As we go from strength to strength,
God with us we fear no foe;
Let our starry banner wave
Where the roughest tempests blow!
—William B. Chisholm.

Remarkable Rescue.

Mrs. Michael Curtain, of Plainfield, Ill., makes the statement, that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at H. A. Stoke's Drug Store. Large bottles 50 cents and \$1.00.

Looking Both Ways

at a question is the only way to get at the truth. Will you ride a cheap bicycle at a cheap price or a good bicycle at a moderate price? In point of construction the

Columbus

has no superiors. It is not the product of a bustling factory where the quantity of the work takes precedence over quality. It is made by real artisans who take real pride in the excellence of their work. Safe, strong and speedy. Also nice Swift wheel for \$30.00.

ALEX. RISTON'S.

HAVE YOU LOOKED

through our stock of footwear? It merits your careful inspection. Feet were never called upon to punish themselves. Wearing bad shoes is wholly unnecessary. It's like going on a long pleasure trip

TO wear a pair of our fine Summer shoes which afford every possible element of

COMFORT.

There's scarcely anything more comfortable than a corn. Most corns are caused by bad shoes. Coming to us for footwear means perfect fits, long wear, moderate prices, and practical economy.

How to Look Good.

Good looks are really more than skin deep, depending entirely on a healthy condition of all the vital organs. If the liver is inactive, you have a bilious look; if your stomach is disordered, you have a despondent look; if your kidneys are affected, you have a pinched look. Secure good health and you will surely have good looks. "Electric Bitters" is a good Alternative and Tonic. Acts directly on the stomach, liver and kidneys, purifies the blood, cures pimples, blotches and boils, and gives a good complexion. Every bottle guaranteed. Sold at H. A. Stoke's Drug Store. 50 cents per bottle.
