The officials of the treasury department at Washington estimate that the war with Spain, since April 21, the outbreak of the war, has cost \$187,529,941. The civil war cost \$3,065,413,425, an average of \$1,685,156 a day. The largest amount paid out in a single day during the Spanish-American war was \$4,110,000, on July 28, just before Spain sued for peace. The next highest expenditures were \$3,775,000 on September 19.

Learn to laugh, not giggle; a laugh is better than medicine. A well-told story is as good as a sunbeam in the sick room. Learn to keep your own troubles to yourself. Learn to stop croaking about your neighbors; they are just as good as you are. If you cannot see any good in the town you live in, pull out and leave, and the people will thank you for it. Learn to meet your friends with a smile. A good-humored man or woman is always welcome, but the pessimist is not wanted anywhere, is a nuisance.

An ungrateful man is always a mean, contemptible, little-souled, selfish and narrow man. The man who does not appreciate a favor, and watch anxiously for an opportunity to reciprocate, scarcely deserves to be classed in the category of human beings. But no—we have no right thus to slander the lower orders of creation—for, as Colton says, "Brutes leave ingratitude to man." Ingratitude is treason to mankind. It is the quintessence and incarnation of all baseness. The man who proves himself an ingrate commits a sin against his race and causes many a worthy fellow to be turned away with a curse that might otherwise receive a kindness.—Punxsutawney Spirit.

Sheriff Burns recently took two young men from this county to the Dixmont insane asylum who were driving idiots from the effects of cigarette smoking. Their fingers and finger nails were as badly discolored from the smoke as if they had been cracking walnuts. There are a few young men in this town who have the discolored fingers and finger nails, and if they continue smoking cigarettes it is only a matter of time until they will be mental wrecks. Cigarette smoking does not only injure a young man's health, but it, in many cases, shuts him out from business opportunities. The editor of the New York Journal recently stated that while some people seem to think cigarette smoking does not work to the injury of the smoker yet no man could get a position on that paper if he was known to smoke them.

The apple crop of the United States is smaller than it has been since reliable statistics have been collected. The total supply from the 1898 crop of the United States is 27,700,000 barrels, compared with something over 40,000,000 last year, and 70,000,000 in the record breaking crop of 1896. The failure is widespread, reaching from the Pacific to Maine, and in none of the states does the output of fruit approach the average. In the great apple states of the west the crop is almost an absolute failure, although the situation in Michigan is better than elsewhere, having about two-thirds of the bumper crop of 1896. New York has only one-fifth of a full crop. The failure is attributed to the fact that during the blooming season there was excessive rainfall, which washed the pollen and prevented proper fertilization by insects, while a cold wave added to the injury, and a subsequent moist, humid weather was favorable to the development of fungus disease. The Ontario crop is decidedly short.

ORDINANCE.
(No. 53.)

AN ORDINANCE authorizing the laying out, construction and building of a public sewer in Grant street, from 6th street to 5th street, and in 5th street to where said street intersects with Willow alley, to a public sewer in said alley.

WHEREAS, It appears by a petition and affidavit on file in the Council Chamber of the Borough of Reynoldsville, that a majority of property owners in interest and number abutting on the line of Grant street, on the line of the proposed improvement, have petitioned the Council of said borough to lay out, construct and build a public sewer in Grant street, from 6th street to 5th street, in 5th street from where said street intersects with Grant street to where said 5th street intersects with Willow alley, to connect with a public sewer in said alley in manner and form as directed by law; that said sewer is a public necessity for the convenience and health of the citizens; and that the costs and expenses of the same be assessed and collected in accordance with the provisions of the acts of assembly of the Commonwealth of Pennsylvania relating thereto.

SEC. 1. Be it ordained and enacted by the Town Council of the Borough of Reynoldsville in Council assembled, and it is hereby ordained and enacted by authority of the same, that a public sewer be laid out, constructed and built in Grant street, beginning at 6th street where said street intersects with Grant street; thence in said street to intersection of Grant and 5th streets; thence in said 5th street to Willow Alley to connect with a public sewer in said alley, in accordance with a survey hereto attached and made a part of this ordinance.

SEC. 2. That said sewer shall be built as follows: diameter of sewer pipe to be decided upon by the Council; to be placed not less than three feet below the surface of the present street, so that connections with the same can be properly made from cellars six feet in depth reckoning from level of center of street; the Sewer Committee of the Town Council of the Borough of Reynoldsville be and is hereby authorized and empowered to proceed to buy material, employ an engineer and laborers and make all necessary contracts for laying out, constructing and completing of said sewer.

SEC. 3. That the said sewer shall be subject to all the rules, regulations and ordinances of the Borough of Reynoldsville now in force, or that may be hereafter passed, regulating such sewers and sewer system in said borough, and no person shall be permitted to tap such sewer or connect therewith until such person or owners of property has paid his or her proportion of the costs of the construction of said sewer and complied with all the rules and regulations as aforesaid.

SEC. 4. That the costs and expenses of the same to be assessed and collected in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

SEC. 5. That any ordinance or part of ordinance conflicting with this ordinance be and the same is hereby repealed so far as the same effects this ordinance.
