The DuBois Business College, of DuBois, Pa., has had more applications this fall for competent office help than it could fill. Lawrence Reucusti and Helena Breck, of Big Soldier, were married in the Catholic church Monday morning by Father Brady. Remember Hall & Barton sell the genuine Weisbach lights and mantles and have a No. 1 plumber and gas fitter. All work promptly attended to. The Helping Hand Society of the M. E. church served sandwiches and coffee to the gentlemen in Centennial hall last night who were waiting for session returns.

Robert Patrick has moved his portable saw mill from Henry Norris' to Daniel Syphrit's where it is making the sawdust fly. Men are wanted to work on the pipe line for the public drinking fountain. Fair wages will be paid. Make application to J. Van Reed for work. Miller & Reynolds have sailors from twenty-five cents up to a dollar. Trimmed hats from a dollar up. At no expense and can sell cheaper than the cheapest. Rev. G. N. Paeker, of Corning, N. Y., author of "Our Calendar," is in town this week selling his book, which is a valuable book and is worth the price asked for it. The regular meeting of the Ladies Work Society of the Presbyterian church will be held at the home of Mrs. Neff Thursday afternoon, November 10th, at two o'clock. Rev. O. H. Sibley, of Falls Creek, will preach in the Reynoldsville M. E. church next Sunday at 11.00 A. M., and Rev. J. C. McEntire will preach in the same church at 7.00 P. M. In a few weeks at least the water fountain will be in operation at the corner of Main and Fifth streets. Men began work yesterday to dig for the pipe line from the spring to fountain. Several young ladies came to this place recently from the eastern part of the state who thought they were coming into the wilderness. They expected to see Indians and wild animals here. Some foreigners had a drunken spree at Big Soldier Saturday night, and as usual some of the participants become quarrelsome. A woman, who was in the melee, had her right hand badly cut. Sheriff Burns sold Wm. Burge's grocery store at auction the past week. We understand that Mr. Burge's financial trouble was caused by trusting people who did not keep the promises made to him. The Clarion District Conference of the M. E. church, which was to have been held at Johnsonburg last week and was postponed on account of the diphtheria epidemic in that burg, will be held at Falls Creek next week, beginning Tuesday, 15th inst. The large flag that swung to the breeze in front of Centennial hall last Wednesday afternoon, was brought here by Republican County Chairman Aulenbach. It is a present to the county from State Chairman Elkin. The flag is forty feet long and twenty feet wide. Robert Hindman, an old gentleman of Rose township, this county, died Wednesday night and was buried in the Corsica cemetery Saturday. Deceased was seventy-five years old. Mrs. S. T. Reber and bride will arrive in this place to-morrow, Thursday, evening, and a reception will be given them at the Presbyterian parsonage the same evening from 8.00 to 10.00. Light refreshments will be served. All members and friends of the church are cordially invited. In one of the display windows of Seeley's clothing store is a soldier's tent with a dummy in it covered with a blanket, representing Sergt. Herbert Burns sleeping in his tent. A few hardtack are on a tin plate in the tent and potatoes, with toothpick legs, are sticking on the blanket and partly hid under the blanket. The boys say the potatoes represent army worms. The annual convention of the Clarion District Epworth League was held in the M. E. church at Ridgway last week. The officers elected for ensuing year were: President, A. R. Rich, DuBois; secretary, Rev. W. H. Robinson, Scotch Hill; treasurer, B. D. Schaffner, Falls Creek; superintendent junior work, Mrs. W. H. Robinson, Scotch Hill. The next convention will be held in Reynoldsville in October, 1899. Two young ladies who are employed at the silk mill attempted to execute a fancy waltz on the five-foot sidewalk of Broadway, West Reynoldsville, while on their way home from the mill one night last week, with the result that the walk, in the semi-darkness, became suddenly narrower than these maidens in their ecstasy seemed to imagine and they left the impressions of their symmetrical forms in the soft earth when they gathered themselves up and started on. A new schedule will go into effect on the A. V. R'y in a couple of weeks, and whether there will be additional train service or not, we have been unable to learn from those in a position to know, although there is rumor of a Sunday train and that the evening train will run through to Red Bank. The Sunday train has been talked of for five years and the public will prosper just as well if it is continued the same way for five years more. If the evening train is run through to Red Bank a person can leave here on that train and get to Pittsburg the next morning, or leave Pittsburg at 9:45 in the evening and arrive here the next morning at 6.40. This would be a convenient train, especially if it had a sleeper attached.

Thanksgiving Services. Thanksgiving services will be held in the Presbyterian church on Thursday, November 24th, at 10.30 A. M. Rev. Alfred E. Hooper, pastor of the Baptist church, will preach the Thanksgiving sermon. Hotel Imperial's New 'Bus. Wiley & Switzer, proprietors of Hotel Imperial, have purchased a new 'bus, which is a "dandy." It is right up-to-date in every particular. The windows are French-plate, beveled, glass. The running gear is painted yellow and the bed and cover of 'bus is a dark color. The new 'bus will be a good advertisement for Hotel Imperial. Lookout for Truant Officer. At the regular meeting of the school board Monday evening a resolution was passed to enforce the compulsory educational law, and a truant officer will be appointed for that purpose. A number of boys who should be in school have been playing "hooky." They had better lookout now or the truant officer will be gathering them in. Banquet and Reception. The reception and banquet given to the members of Co. L, 16th regiment, at this place Monday evening by the Women's Relief Corps and Sons of Veterans, was a pleasant affair. About fifty members of Company L, including Captain Crossman, were present. About 4.30 P. M. a drill was given on Main street, which was witnessed by a large crowd. Library Discontinued. About two years ago some of the citizens of this borough and West Reynoldsville subscribed towards establishing a circulating library in town, C. F. Hoffman, the jeweler, being appointed librarian and the books were kept at his store. The subscribers have decided to discontinue the library and give the books to the Reynoldsville and West Reynoldsville school libraries. There were 204 books in the library. Reception for New Pastor. Rev. Alfred E. Hooper, the new pastor for the Reynoldsville Baptist church, will arrive here to-morrow, Thursday, and a reception will be given to him and his wife in the Baptist church that evening. Rev. Lightfoot and wife, of Brookville, Rev. George Muller, of Punxsutawney, and other nearby Baptist ministers have been invited to attend the reception. Rev. Hooper will begin his work Sunday as pastor of the Baptist church in this place. Soldiers Slug An Italian. Monday afternoon as the soldier boys were getting ready in front of Bell's hall, on Main street, to drill, three Italians drove along in a buggy and one of the soldiers playfully stopped the horse, which made one of the Ikes, a burly looking fellow, indignant and he, wisely, got out of the buggy to whip the soldier and before he could do the soldier harm he was surrounded with blue coats. The Ike was backed up against the buggy, where he could not escape, and was rather severely chastised and was then pitched into the buggy and the trio was glad to get away. Couldn't Beat Campbell. David C. Whitehill, Brookville's champion checker player, who defeated one of the best players from the "Buckeye State" at the recent Conclave in Pittsburg, and who has been gaining quite a reputation on the board recently, came up to Reynoldsville Wednesday afternoon to defeat James Campbell, the shoe maker, and give him a few pointers on the game, but Whitehill had some of the checker-playing conceit taken out of him after playing four games with Campbell and only winning two games. "Jimmy" has been playing checkers too long to be easily defeated. Hunting Party. Henry Deible, Jacob Deible, Henry I. Iseman, Dr. S. Reynolds and C. Mitchell, Esq., will spend a couple of weeks in the wilds of Elk county hunting deer and bear. The first three named gentlemen left yesterday to get the camp in order and the other three go to-day. Their camp will be located on the dividing ridge between Mexix Run and Mosquito creek. From the amount of provision they took with them it is evident that they don't propose to be inconvenienced by an unsatisfied appetite while strolling around looking for big game. May Have Electric Light. It looks favorable for our town to be illuminated with electric lights in the near future. Some time ago the Economic Electric Heat and Light Company was granted the right of way to erect poles and wire the town for electric lights, but the company has not been making a move toward putting in a plant. We have been reliably informed that another company will make an application to the town council at the December meeting for the right of way to put up poles and wire the town for electric lights, and that the company will be ready to begin putting in the plant ten days after the right of way has been granted. This will likely hurry the company up that has the right of way, if that company still intends to put in the plant.

Council Meeting. Regular meeting of the town council was held Wednesday evening, Nov. 2, with J. H. Corbett, president pro tem., in the chair, and following members present: Henry Deible, Albert Reynolds, J. C. Ferris, Dr. B. E. Hoover and Richard Smith. Minutes of the previous meeting read and approved. Burgess Stoke reported receipts to be \$39.50. J. Van Reed was present and asked the council to put in a crossing on Main street, at Fifth street, which was referred to the street committee. Complaint was made to the council about the well at the rear of the Deemer block being used as a cess-pool. The clerk was instructed to notify Mr. Deemer that the well would have to be cleaned out and the use of it as a cess-pool discontinued, the same being a violation of the borough ordinance. On motion the petitions for the opening of the Fourth and Fifth street extensions was held over until next meeting, as was also the building of the sewers in Gordon and Willow alleys held over until spring. Street Commissioner Henninger was instructed to make a tour of the borough, count the telephone and telegraph poles and report the number to the clerk, and make a memorandum of all sidewalks that are in a bad condition and report the same to the Burgess. On motion a sidewalk was ordered built on west side of Bradford street from Jackson street to the bridge that crosses Soldier run. Bills and interest to the amount of \$286.92 were ordered paid. On motion orders were drawn to redeem seven \$100.00 coupon bonds. There being no further business, by motion council adjourned. Political Meetings. A Republican meeting was held in Centennial hall last Wednesday evening. A large crowd attended it. Wm. T. Cox, tax collector and treasurer of this borough, presided over the meeting. A special train was run up from Brookville and over 100 people came up on the train. The Brookville Cornet band accompanied the visitors. A Republican meeting was held in Brookville Friday evening. A special train was run from here and over 100 people went to the county seat on the special. A Prohibition meeting was held in Centennial hall Monday evening. Hon. C. J. Hall was the speaker. A fair sized audience was present. A special train was run from Rathmel and Reynoldsville, over the R. & F. C. R'y, to DuBois Monday evening for the Democratic meeting at that place. The train was composed of four coaches and there were people enough on the train to fill six coaches. The Keystone band accompanied the crowd. Specials were also run from other places and, consequently, there was an immense amount of Democratic enthusiasm in DuBois Monday night. Brotherhood of Railway Trainmen. Val Fitzpatrick, of Columbus, Ohio, was here and organized a Brotherhood of Railway Trainmen in the Bell hall Saturday evening. The following officers were elected and installed: H. E. Brillhart, Master; W. G. Repsher, Vice Master; Charles Isenbuth, Past Master; Forrest O. Hays, Secretary; C. Meade Lucas, Financier; J. Chas. Burns, jr., Conductor; C. A. Scott, Journal Agent; A. W. Harding, Harry Copping, A. C. Hays, J. D. Patterson, E. N. Bloom, John Nolan, E. C. Benson, James Conners and W. McK. Riggs. At 11.00 P. M. the Brotherhood of Railway Trainmen of Reynoldsville adjourned and the members enjoyed an excellent banquet at Hotel Imperial. Soldier Boy Buried. Max M. Wilson, of Punxsutawney, who was a corporal in Co. L, 16th regiment, died at the home of his father, J. W. Wilson, Esq., on Tuesday night of last week of typhoid fever. He was ill when the Co. returned from Porto Rico, but his illness was not considered serious at that time. He was born Jan. 21, 1879, making him under 20 years old. He was buried Friday with military honors by Co. L, Walter D. Williams, Herbert Burns, Jay Evans, Atmore Shaffer and Gordon Lowther, of this place, members of Company L, attended the funeral of their young comrade. It was a very large funeral. Bell Rope Outside. When the fire alarm bell was removed to the hose tower the rope was hung on the inside and only persons with a key to the hose house could ring the bell, but this has been changed and the rope is hanging outside of tower so that when necessary any person can give the fire alarm. Chicken and Waffle Supper. The Helping Hand Society of the M. E. church will hold a chicken and waffle supper in the G. A. R. hall next Saturday evening. Supper from 5.00 to 7.00; price 25 cents. It is interesting to read Millirens ad. All the latest styles in hats and caps at Seeley's.
