

The Havana newspaper La Lucha is now printed partly in English, and it is having a struggle to set it up. There appears to be no "w" in its cases, and the expedient is adopted of putting two "v's" in its place. The effect of this is rather picturesque, as for instance, when we find the name of the Father of his Country spelled VWashington. La Lucha advises the American soldiers not to pay the newboys more than five cents for the paper, that being the regular price.

Joseph Jefferson is a firm believer that a man must be sick once in ten years. Since 1869 he has been ill every tenth year.

"Spring Unlocks The Flowers To Paint the Laughing Soil."

And not even Nature would allow the flowers to grow and blossom to perfection without good soil. Now Nature and people are much alike; the former must have pure blood in order to have perfect health.
