The school institute held here last Saturday was not very well attended.

At a regular meeting of Washington Camp No. 692, P. O. S. of A., a vote of thanks was given to L. G. Liddle, manager of the home talent dramatical company and to all the members of the same for the entertainment given by them for the above named order, also G. W. White, leader of the Rathmel band and all members of the same for music given by them, and to the citizens for their patronage.

Arbor Days.

In his proclamation for Arbor Days, April 7th and 28th, Governor William A. Stone says:

"Arbor Day has long since become more than a name. Since the idea was first inaugurated of setting apart a day upon which to systematically plant trees and shrubs and thus in part, at least, reclaim the plains and waste lands of our great country, it had steadily grown from sentiment to a duty and a pleasure.

"State after state has joined in the great work until to-day millions of trees and shrubs silently commend the wisdom of this course, adding beauty and comfort to our homes and cities and greatly increasing the wealth of our State. In our commonwealth highways have been improved, public parks and school grounds beautified and great strides have been made toward permanently repairing the injury caused by a too rapid destruction of our forests.

"Two days are set apart for the observation of arbor day. Inasmuch as the climatic conditions may render one of these days more favorable for the purpose intended than the other, the selection is left with the citizens of the various sections of the commonwealth."

Remarkable Rescue.

Mrs. Michael Curtain, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking six bottles found herself sound and well; now does her own housework, and is as well as she ever was. Free trial bottles of this Great Discovery at H. A. Stoke's Drug Store. Large bottles 50 cents and \$1.00.

The following officers were elected: R. C. Wilson, president; Mr. London, vice-president; Ethel McCreight, secretary.

The program for the day was opened with devotional exercises and followed by an address of welcome by L. G. Liddle, to which Miss Milley Stiles responded. This was followed by a "Welcome Song" by the choir.

Institute adjourned to meet at 1.00 P. M.

Afternoon session. The afternoon session was opened by a selection by the institute choir. The first topic for discussion "How Teach Pupils to Speak Fluently?" was opened by Ethel McCreight, and was further discussed by Wm. Wyant, Myrtle Shields, J. M. Holben and J. W. Syphrit.

An interesting discussion of the topic, "Remedies for Tardiness," was given by Mary Muir, J. W. Syphrit, and Prof. Wilson, which was followed by music from the choir.

The topic, "Character and Advantages of Busy Work," was next taken up and ably discussed by Prof. Syphrit, Miss Stiles and Miss Myrtle Dean.

ETHEL MCCREIGHT, Sec.

They Do Say.

That he hung upon the gate with her
And now lies in the mold;
But her father didn't knock him out—
He caught his death of cold.

That its sometimes difficult to get
Even with a man who credits you.

That leading a woman to the altar is
Sometimes a man's last act of leadership.

That an Ohio man recently died of
Overwork trying to perfect a labor-saving
machine.

That some men save money no matter
how little they make, while others don't
save any, no odds how much they make.

That a kiss is the meeting of two
souls, says a poet; but a third sole on
the foot of the girl's father makes it
seem more like a collision.

That an old bachelor says there is but
one thing sweeter than love's young
dream, and that is to wake up and find
yourself still single.

Story of a Slave.

To be bound hand and foot for years
by the chains of disease is the worst
form of slavery. George D. Williams,
of Manchester, Mich., tells how such a
slave was made free. He says: "My
wife has been so helpless for five years
that she could not turn over in bed
alone. After using two bottles of Electric
Bitters she is wonderfully improved
and able to do her own work." This
supreme remedy for female diseases
quickly cures nervousness, sleeplessness,
melancholy, headache, backache, fainting
and dizzy spells. This miracle
working medicine is a godsend to weak,
sickly, run down people. Every bottle
guaranteed. Only 50 cents. Sold by
H. A. Stoke, Druggist.

A Young Girl's Experience.

My daughter's nerves were terribly
out of order. She was thin and weak;
the least noise startled her, and she
was wakeful at night. Before she had
taken one package of Celery King the
change in her was so great that she
could hardly be taken for the same girl.
She is rapidly growing well and strong,
her complexion is perfect, and she
sleeps well every night.—Mrs. Lucy
McNutt, Brush Valley, Pa. Celery
King for the Nerves, Stomach, Liver
and Kidneys is sold in 25c. and 50c.
packages by H. Alex. Stoke.
