A Thousand Tongues

Could not express the rapture of Annie E. Springer, of 1125 Howard street, Philadelphia, Pa., when she found that Dr. King's New Discovery for Consumption had completely cured her of a hacking cough that had for many years made life a burden. All other remedies and doctors could give her no help, but she says of this Royal Cure—"It soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the Universe." So will every one who tries Dr. King's New Discovery for any trouble of the Throat, Chest, or Lungs; Price 50c. and \$1.00. Trial bottles free at H. A. Stoke's Drug Store; every bottle guaranteed.

Why?

Why isn't paregoric a baby's crying need?
Why isn't the life of the miller one continual grind?
Why are not woman's rights and wedding rites synonymous?
Why wouldn't crying women make successful auctioneers?
Why is it that a reformer seldom begins his work at home?
Why is a man of the smallest caliber always the biggest bore?
Why is the average man always wanting to do something he can't?
Why doesn't the man who rides a chainless wheel travel in-cog?
Why does arbitration prove that both the contending parties are wrong?

Deafness and Discharge from the Ears.

Don't put off the treatment of a discharge from the ears; it does not wear out—it wears out the delicate inside organs of the ear, thus depriving you forever of the chance to get your hearing restored.

Dr. O. W. Sadler, the well known specialist of Pittsburgh, has cured thousands of similar cases. All those afflicted with diseases of the Eyes, Ears, Nose or Throat can consult him at the Belnap Hotel, Reynoldsville, Friday and Saturday, May 5th and 6th.

Dr. Sadler will visit Brookville Monday, Tuesday and Wednesday, May 8, 9 and 10; Punxsutawney Thursday, Friday and Saturday, May 11, 12 and 13.

Prof. Gill's Lecture.

A special invitation is extended to the citizens of Reynoldsville to attend Prof. Gill's State College, lecture in Assembly hall on Thursday evening, May 4th. Prof. Gill is a man of wide experience and is a brilliant orator and a leader in educational thought. He is brought here at some expense, but it costs nothing to hear him. His lecture will be a treat and he should be greeted by one of the largest audiences that has ever been in the Assembly hall.

Testing the Coal Lands.

The first of a number of diamond drills that will be used in testing the coal lands south of Brookville is being located to-day on what is known as the Shilling farm, in Knox township. Those interested in the sale have no doubt of the tests proving even richer deposits of coal than has been represented to the prospective buyers, consequently they await the result with but little anxiety.—Brookville Republican.

Good draft horses are becoming scarce in some sections of the country and are in great demand. Horse buyers are paying \$150 for the same class of horses that only brought \$75 two years ago. The reason for this sharp advance is due to the fact that few horses have been raised in the past five years. Electricity supplanted the horse to a great extent, and farmers found that there was no market for horses. Present prices will stimulate the raising of heavy horses.

Rathmel.

H. L. Marshall went to Erie Monday to learn locomotive engineering.

G. L. Henry and Dan Morningstar were in Warren last week attending the Odd Fellows reunion.

Mr. Sneed has moved his family from Phillipsburg to this place.

There were a few Knights of Pythias of Reynoldsville up to visit the Knights of this place in their lodge room last Monday evening.

The Hungarians observed last Sunday as a holiday in a very rough and disorderly way. We think it is about time for the citizens to raise up and put a stop to such work.

The Henry mine observed Dewey Day by not working. They are all patriotic men.

Mr. Bruce, of Helvetia, and Miss Barbara Clark will be married at the home of the bride's grandmother, in this place next Friday.

Rural District.

A number of our neighbors were down at Brookville last week attending a law suit.

W. R. Brumbaugh, of Eleanora, who has been in the hospital at Punxsutawney for the last six or seven weeks is at home again.

Mrs. Samuel Dickey was at Falls Creek last week visiting her daughters, Aaron Douthitt and family were down at Brookville visiting friends.

Dan Snyder has moved to O'Donnell.

Al Brumbaugh, a woodsman from the Clarion river, was in our neighborhood a few days last week.

EYE, EAR, NOSE AND THROAT.

A Rare Opportunity—Dr. Sadler at the Belnap Hotel.

Dr. Sadler, the well known oculist and aurist of Pittsburgh, has now a partner, which fact will enable him to visit the places distant from the home office (304 Penn. Ave., Pittsburgh), and thus greatly decrease the expense to the many who need their skill. Through their vast experience and thorough knowledge of the latest discoveries relating to the eye, ear, nose and throat, they are enabled to give to all the most skillful and successful treatment, and within reach of everybody. Dr. Sadler will be at the Belnap Hotel, Reynoldsville, Friday and Saturday, May 5th and 6th.

Annual Conclave.

The forty-sixth annual conclave of the grand commandery of Knights Templar of Pennsylvania, which is to be held in Altoona, May 23rd and 24th, will be largely attended. It is estimated that 2,000 visitors will be in attendance. The Tribune says that elaborate preparations are being made for suitable decorations. None of the business houses or hotels have been asked to contribute anything for the entertainment of the visiting Knights Templar and therefore will expend a greater sum in making the streets attractive than has been customary on such occasions heretofore.
