A crowd of troubles passed him by. As he with courage waited; He said, "Where do you troubles fly When you are thus belated?" "We go," they said "to those who mope, Who look on life dejected. Who weakly say good-bye to hope; We go—where we're expected.—Life.

Come and see the only Columbia chainless bicycle at Stoke's. The Rathmel letter was received too late for publication this week. Gooder's is the only first-class, up-to-date bicycle shop in Reynoldsville. It is useless to worry, but it is useless to tell a man that it is useless to worry. Gooder, the jeweler and bicycle repairman, don't charge you two prices. For a good refreshing drink try Coca Cola at our fountain 5c.—Reynolds drug store. Wanted—A girl to do general housework in small family. Apply at this office. A copy of your home paper is often more complete than a letter to your friends. Commencing June 1st, we will close out our entire stock of trimmed hats at cost. Cochlin Sisters. Don't pay a big price for a little good. Go to Gooder's bicycle repairing department for honest prices. Wanted—A girl to do general housework. No baking of any kind. Wages \$2.50 per week. At Bon Ton bakery. On the first page of this issue will be found Prof. G. W. Lenkerd's third annual report to the school board of this borough. The Reynoldsville Real Estate Company will soon have the plans completed for the new brick to be built on Main street on the site formerly occupied by the Oil City Fuel Supply Co. Squire J. D. Woodring had an assault and battery case before him Saturday evening. A man named Fouk hit a Polander. Both men work at the tannery. The case was settled. Don't forget that County Treasurer W. H. Lucas will be at Hotel Imperial Thursday and Friday and at the Ross House Saturday forenoon of this week to receive state and county taxes. Earl, three year and eight month old son of Mr. and Mrs. J. B. Hockenberry, of Ellensburg, died Friday from lung trouble. The remains were brought to place Saturday and put on the 1:40 bound train and taken to New Salem for burial.

"There will be a hot time in the old town" July 4th. The only bicycle shop in town equipped for doing all kinds of work is at C. F. Hoffman's. A strictly high grade wheel—the Rambler—with G. & J. tires, lamp, bell, coasters and pant guards, \$38.00 at Riston's. Roy Bartle had his legs badly burned with lime water at the tannery one day last week. He was stiff legged for a few days. The clerks and barbers played a game of ball yesterday afternoon and the tonorial gentlemen defeated the clerks badly. Score 14-2. Annie, seven-month-old daughter of Mr. and Mrs. Edwin Hoare, died Monday forenoon and was buried in Beulah cemetery yesterday afternoon. "Gyp the Wolf" at the opera house on Thursday evening, June 15th, by home talent, under the auspices of the Village Improvement Association. Communion services will be held in the Presbyterian church next Sunday. Preparatory services will be held in the church on Thursday and Friday evenings. The late train on the A. V. Ry will be held at DuBois to-night until after Rev. Emory Klepfer's lecture on "A Family Quarrel." Admission to lecture 25 cents. The Baptist congregation has had the lawn in front of the church and parsonage graded and will put down a cement sidewalk. This will make a great improvement in the appearance of the property. Several days ago Mrs. Frank Hoffman was injured by falling off the sidewalk in their back yard. A wire nail was sticking out on edge of walk and her right leg was lacerated by coming in contact with the nail. Ten stitches were required to sew up the wound. The Odd Fellows and Daughters of Rebekah attended the funeral of Mrs. J. C. Ferris last Wednesday afternoon. The Daughters of Rebekah had charge of the ceremonies at the cemetery. The funeral was large, which was evidence that Mrs. Ferris was a highly esteemed lady. Al. Hawk, of Brookville, Democratic candidate for county commissioner, was in town several days last week presenting his claims for the nomination to the voters of this borough. Mr. Hawk was a candidate for the same office three years ago. There is no doubt but that he would make a good commissioner if elected. If the weather is favorable a large delegation from Rathmel and Reynoldsville will attend the Knights of Pythias reunion at Curwensville to-morrow, Thursday. Special train will leave Rathmel at 6:30 A. M. and Reynoldsville at 7:00 A. M. Returning, train will leave Curwensville at 10:30. Fare for round trip \$1.00. Rev. James H. Jelbart, pastor of the M. E. church at Johnsonburg, was in town last Thursday shaking hands with numerous friends and soliciting aid for the erection of a much-needed new church at Johnsonburg. Rev. Jelbart has a big task on his hands and will need all the financial encouragement his friends can give him. Help a little. The following out of town people attended the funeral of Mrs. J. C. Ferris last Wednesday: Thomas Dougherty, of Driftwood, Mrs. L. M. Missimer, of Punsutawney, Mrs. Frank McGinnis, of Johnsonburg, Mrs. Edward Bird, of Clearfield, Mrs. W. B. Scott, of Philadelphia, Mrs. William Barkley and Glenn Emerick, of Pittsburg, and Mrs. Edith Myers, of Portland Mills. In our last issue we made mention of the fact that Messrs. A. T. McClure, J. Van Reed, Francis Smith, J. J. Sutter and G. J. Corwin, all of this place, had become interested in the lead and zinc mining territory at Cartersville, Mo., and that they had leased some land, but we made a mistake in the amount of land they leased. They leased two acres and have the option on more. An Italian child died near this place recently and when the parents and a few friends arrived at the cemetery at 6:00 A. M. the next day and did not find a grave dug, they set the casket down in the grass and started home. On their way home they met the grave digger and told him where they had left the casket and then proceeded homeward unconcerned. A lawn tennis club was organized at Hotel Imperial last Wednesday evening with seven members, the membership is limited to ten. The club is composed of the following gentlemen: Prof. G. W. Lenkerd president, Clifford Kaucher vice-president, F. H. Beck secretary and treasurer, Paul Riston, Howard Kaucher, Raymond Brown and James Evans. The vacant lot between the lock-up and Grant street has been fixed up for a tennis ground with two courts. Punsutawney will spend \$2,000 for 4th of July entertainment this year. Visiting in Iowa. Monday morning A. C. Pierce, of this place, and Ephraim Pierce, of Sugar Hill, started to Lucas, Iowa, to visit a brother whom they have not seen since 1858, forty-one years ago. They expect to remain in the "Hawkeye State" a month. A Hard Squeeze. Steve, a Polander who drives in Big Soldier mine, was badly injured last Wednesday night by being caught between the roof of mine and loaded car at a low place in mine. His right ear was almost torn off, received an ugly cut on left side of face and was otherwise bruised. New Directors for the Creamery. At the annual meeting of stockholders of the Reynoldsville Creamery Co., held here yesterday, the following directors were elected: John M. Norris, Jonathan Deemer, A. T. McClure, Daniel Syphrit and Jonathan Smith. C. Mitchell was re-elected treasurer. A special meeting will be held Saturday at 1:00 p. m. Persons holding milk statements or accounts are requested to hand the same to Secretary H. Alex. Stoke. The stockholders decided to keep the creamery running. Lively Time at Dispatchers' Office. A swarm of bees in the tower of the dispatcher's office at A. V. Ry made it very interesting to the telegraph operators Sunday afternoon, Sunday night and all day Monday. The bees were owned by Daniel Brewer, who lives two squares away from the dispatcher's office. Considerable sulphur was used to make it possible for the employees to remain in the office, and the sulphur was death to many of the bees. Mr. Brewer was unable to recapture the queen and for that reason did not recapture over half the hive. Church Dedication. The new Methodist Episcopal church at Sykesville will be dedicated next Sunday, June 11th, by Presiding Elder R. C. Smith. During the week there will be services as follows: Thursday, June 8th, sermon by Rev. A. Bashline, of Brockport. Friday evening, sermon by Rev. J. H. Palmer, pastor Sykesville Baptist church. Saturday evening, sermon by Rev. R. C. Smith. Dedication services at 10:45 A. M. Sunday. Epworth League meeting at 3:00 P. M. to be addressed by Dr. A. R. Rich and others. Preaching at 7:45 P. M. Was at Santiago. Charles B. Riggs, son of J. W. Riggs of this place, who enlisted in the Fifth U. S. Volunteer Infantry at St. Louis, Mo., July 2nd, 1898, was mustered out at Camp Meade, Pa., last Wednesday and returned to his home in this place Thursday. Charley's company landed at Santiago August 14th. During his nine months stay in that section he was in the hospital 100 days. First he had yellow fever and after a successful tussle with that he was stricken with climatic fever which very nearly ended his earthly career. Mr. Riggs says he thinks the climatic fever worse than yellow fever. After Mission Work. Alexander and James Waite, who graduated at the Seminary in Columbia, S. C., week before last, will meet the Presbyterian Board of Foreign Missions in New York City to-day and get an appointment into some mission field in foreign lands. They have no idea where they will be sent, but they expect to begin mission work this fall. These young men have been preparing for the mission work for sometime. Alex. arrived at their home near this place last week and on Monday he went to New York, where he will meet his brother, and they will go before the Mission Board together. Candidate for Commissioner. In the list of announcements in THE STAR this week will be found the name of Ex-Postmaster E. T. McGaw, of Reynoldsville, who is out for the nomination for county commissioner, subject to the action of the Democratic voters at the primary election Saturday, July 1st. Mr. McGaw has been a resident of Reynoldsville a quarter of a century and always has been a stalwart Democrat and an active worker for his party. He is so well known in the town and county that comment is unnecessary. During his four years as postmaster he attended strictly to the business of the office. If Mr. McGaw is given the nomination and is elected to the office of county commissioner, he will give the county good service. Pullman Parlor Cars. The A. V. Ry Co. is giving the public an improved passenger service under the new schedule and is placing the Low Grade Division on the list of up-to-date railroads. By referring to schedule elsewhere in THE STAR the time of trains at this place will be found. When the new schedule went into effect the 21st of last month two daily passenger trains were added and all trains were put on faster time. The latest accommodation in passenger service was inaugurated last Thursday, and that is Pullman Parlor Cars on trains No. 5 and 6, the morning train to Pittsburg and the 6:01 P. M. train from Pittsburg. It will cost fifty cents extra for the privilege of riding from Reynoldsville to Pittsburg in one of those magnificent cars.

SCHOOL BOARDS RE-ORGANIZE. Prof. G. W. Lenkerd Re-elected Principal of the Reynoldsville Schools. Monday evening the school board of this borough met and after the old board closed its business for the year, the new board was organized with Dr. J. W. Foust president and W. H. Bell secretary. The two retiring directors were A. M. Woodward and C. Mitchell, Esq., and the new directors are George Mellinger and Dr. J. B. Neale. There were six applicants for principalship, as follows: G. W. Lenkerd, who has held the position three years, C. H. McDermitt, of Fawn Grove, Pa., L. E. St. Johns, of Ada, Ohio, J. S. Helges, of Brockwayville, F. C. Cassidy, of Ridgeway, and H. W. Weider, of Chestnut Level, Pa. Prof. Lenkerd was re-elected for the fourth term. The schools have been very successful under Prof. Lenkerd's principalship. WEST REYNOLDSVILLE. The West Reynoldsville school board met Monday evening and after disposing of the business before the old board the new board was organized with the following officers: President, David Hollinger; secretary, Joseph McKernan; treasurer, D. M. Dansmore. The retiring directors were M. E. Weed and J. N. Small, and the new directors are Joseph McKernan and James Moore. The new board will hold a special meeting soon at which time they will elect a principal. Mining Situation. The miners in the employ of the J. & C. C. & I. Co. at this place and Rathmel have been idle since the first of the month on account of not being satisfied with the scale of prices that went into effect at that time. A mass meeting was held in the Fuller grove Saturday and at least 1,000 employees of the above company were present. The only business transacted at the Saturday meeting was to elect two delegates to attend a conference at DuBois the following Monday. L. W. Robinson, general manager of the mines, passed through DuBois on the B. R. & P. mail train from Rochester Monday while the delegates were there and a committee met him when the train arrived. He said they could have a conference with him at his office in Punsutawney any time. A committee of 13 went to Punsutawney night. As stated last week, the scale of prices taking effect here June 1st is the same as that paid by the Berwind-White Co., but it is only an increase of 1/4 of a cent for the machine loaders, while the pick men get a raise of 5 cents per ton. In consideration of the fact that 90 per cent. of the Berwind-White employees are pick miners and only 10 per cent. machine miners, and at this place 87 per cent. are machine miners and only 13 per cent. pick miners, the employees of the J. & C. C. & I. Co. think they are entitled to more pay for machine work than what is now paid by the Berwind-White Company, and that is the cause of the dissatisfaction. A mass meeting will be held in the Fuller grove at two o'clock this afternoon to hear the report from the committee that called on Mr. Robinson. Children's Day Services. Children's Day services will be observed in the Baptist church next Sunday evening, commencing at 7:30, when the following program will be rendered: Instrumental Music. Singing—"Offerings of Love".....School Address.....Superintendent Offerings for Missionary Work. Singing—"The Call for Reapers." Benediction.....Pastor Buried Friday. Samuel Arnold, of Curwensville, father of W. C. Arnold of DuBois, and brother of the late F. K. Arnold of this place, died at his home last Wednesday, ripe in years, good deeds and noble christian character. He was born in York county, Pa., February 11th, 1822. The deceased had been a leading citizen and prominent business man of Curwensville for many years and when the funeral took place—Friday afternoon—all the business places of the town were closed and the townspeople assembled around the residence, where the services were held, to pay their tribute of respect for a beloved citizen. Mrs. F. K. Arnold and daughter, Miss Belle, Dr. W. B. Alexander and wife, and James B. Arnold and wife, all of this place, attended the funeral. Children's Day. Special programs have been prepared for the Children's Day exercises in the Methodist Episcopal and Baptist churches next Sunday. The exercises will be held in the M. E. church at 11:00 A. M. and in the Baptist church at 7:30 P. M. The churches will be nicely decorated. On account of communion services next Sunday Children's Day will not be observed in the Presbyterian church until one week later, June 18th. AN OLD SOLDIER GONE. Daniel Belford was Killed Friday Afternoon—Buried Sunday Afternoon. Last Friday afternoon Daniel Belford, an old citizen of this place, was so badly injured at Big Soldier that he died in an hour after the accident. Mr. Belford was shoveling coal from between the tracks at the Big Soldier tippie and was working in front of two empty railroad cars when the accident happened. Some other cars were dropped down, but Mr. Belford did not hear them coming and the man dropping the cars did not see Mr. Belford on the track, and when the dropped cars struck the two empties they started and Mr. Belford was caught before he could get out of the way. The car wheels run over his right arm crushing it terribly and the brakebeam caught him across the abdomen, injuring him internally. He was brought to this place as soon as possible, but expired soon after getting into his home. Daniel Belford was born in Westmoreland county, Pa., in 1837, making him about 62 years old at time of death. He responded to his country's call for soldiers during the war of the sixties. He was a member of Co. I, 135th Regiment. He was honorably discharged at the close of the war. Mr. Belford had lived in Reynoldsville about a quarter of a century. Sixteen years ago he was married to Mrs. Fireman. His wife and two step-children survive him. Funeral services were held at the residence on Railroad street at 2:00 p. m. Sunday, conducted by Rev. W. Selner, of Luthersburg. The Grand Army Post, of which he was a member, the Sons of Veterans and Woman's Relief Corps attended the funeral. His remains were buried in the Reynoldsville Cemetery with military honors. Killed by a Falling Tree. Benjamin Barnett Snyder, son of Isaac and Letitia Snyder, who reside at Deemer's Cross Roads, three miles west of Reynoldsville, was almost instantly killed at P. McDonald's log camp, near Falls Creek, early Friday morning by being crushed under a falling tree. A tree had been chopped down Thursday evening and it lodged in another tree and the following morning Snyder was assisting to chop down the tree on which the other tree had lodged, and while thus engaged the top of the lodged tree broke off and fell on Snyder, crushing him across the stomach. He only lived twenty minutes after the accident. The remains of the young man were taken to D. B. Schaffner's undertaking rooms at Falls Creek and placed in a casket and then taken to the home of the bereaved parents. Benjamin Snyder was born May 14, 1876, making him 23 years and 18 days old at the time of his death. He was an industrious young man and was popular in the community where he was raised. His sudden and untimely death was quite a shock to his many friends and cast a gloom over the community. Funeral services were held at the Chestnut Grove Lutheran church Sunday at 10:00 A. M., and the largest crowd ever seen at a funeral in that section was present. There were seventy rigs in the funeral procession and the church was packed before the procession arrived. Rev. J. C. McEntire conducted the funeral services. When the mother went to take the last look at her darling boy she fainted and it was some time before she recovered. Of Course It Is. The Reynoldsville Brass Band, which came over last Sunday to render music for the corner stone laying by the Masonic Fraternity, played a number of selections in front of the Whitney Hotel after the ceremony was over and a large audience soon collected to hear the music. This band is certainly a great credit to Reynoldsville.—Punsutawney Spirit. Committee Meeting. The executive committee of the Washington Township Sabbath School Association meets at the home of the President, Austin Blakeslee, Coal Glen, Pa., 2:00 o'clock Saturday afternoon, June 10th, 1899. It is hoped that all the representatives of this committee in the Association be present as business of importance shall be brought before them for their consideration at this meeting. FREDERIC S.
