If you don't like your boarding-house food, don't eat it. If you don't like the hat you wear, don't wear it. If you don't like your neighbor, let him alone. If you don't like the town you live in, get out of it.

Counterfeiting to-day is a clandestine fine art. The eye and feel of the skilled Treasury expert can hardly now detect the flaw in the illegal Treasury note or the national bank bill, so closely does the spurious engraving imitate the genuine.

It is stated that there is a woman in town who has an adopted baby that she abuses shamefully. We have not made an investigation as to the truth of the report, but will likely do so, and if the report is true we will be explicit as to whom the woman is.

Wednesday is pay day on the A. V. Ry and it is expected that this month's pay will be the biggest in the history of the road. Many of the brakemen have made \$80, and flagmen \$90, while engineers and conductors will draw \$150 and up.—East Brady Review.

The census supervisors are not to be called upon next year to report fully on the statistics of many industries. In fact, according to Director Merriam of the Bureau, the supervisors will be called upon to furnish but little other information than that relating to population.

The Pennsylvania State Game Commissioner has decided to place in the hands of every constable a copy of the act making constables of the state game, fish or forestry wardens, and imposing a fine of \$50 or two months' imprisonment upon the official when he neglects or refuses to perform his duty.

Monday we received a copy of the premium list for the Clarion County Agricultural Fair to be held at Clarion Sept. 26-29. The pamphlet contains 196 pages. It was printed in the Clarion Republican office, and as to mechanical work it would be a credit to any office. The Republican is certainly up-to-date in its job department.

Next January the time expires in which the law gives railroad companies operating within the State to take the old fashioned couplers off their cars and replace them with new and safer ones, preferably the Janney. The Pennsylvania Co. has issued orders to the Remo shops to carry the work on at the rate of from 150 to 250 cars per month. An idea of how much it will cost can be had when it is stated that the repairs to a single car run from \$50 to \$60.

Some one has said: "It is easy for the young to be happy before the deep feelings of the heart have been stirred. It is easy to be good when there has been no strong temptation to be evil; easy to be unselfish when nothing is ardently craved; easy to be faithful when faithfulness does not tear the soul out of its abiding place. Some persons pass through all of life without strong temptation; not having deep feelings, they are likewise exempt from deep sins. These pass for saints. But when one thinks of the cause of their faultlessness, one understands perhaps better the meaning of those words, otherwise mysterious, that 'joy shall be in heaven over one sinner that repenteth, more than over ninety and nine just persons which need no repentance.'"

Council Meeting.

The regular meeting of the town council was held Wednesday, August 2nd. President S. B. Elliott in the chair and all members present.

Adam Mohney, who with his wife was thrown from a buggy on Main street July 4th, and were both injured, Mrs. Mohney having her left arm broken—the accident being caused by the explosion of fire crackers—was present and asked the council to give him some compensation or aid in the way of defraying his expenses.

The council not having granted permission to sell and use fire crackers, &c., on July 4th, were not responsible for the use of them or the accident.

The president and clerk were instructed to sign the warrant for the collector.

Dr. R. DeVere King was present and asked permission to put in a private sewer in Grant street from 3rd to 4th street, which was referred to sewer committee.

Wm. F. Marshall was present and asked permission to put in a sewer in 6th street to Hill to connect with sewer in Grant street.

On motion the following resolution was passed: *Resolved*, That owners of property on 6th street, above Grant street, be permitted to construct and lay a sewer on said street connecting with the sewer on Grant street which is provided for in ordinance No. 53, provided said owners of property on 6th street shall have the work done under direction of the sewer committee and providing further, that said sewer shall be constructed at the expense of said property owners, wherever it shall be adjacent to their property, under same condition as shall prevail in case of the sewer and in case any property owner not now joining in said expense shall hereafter obtain permission to connect with the same a pro rata share of said expense shall be collected of said party or parties and the same be paid over to those who shall bear the expense of said construction. The control and possession of said sewer to be always under the authority of the Borough of Reynoldsville.

A petition signed by 23 citizens asking the council to take steps to cause the removal of the oil tank on the vacant lot on Jackson street, opposite G. W. Sykes' residence, was presented and read.

Bills amounting to \$938.93 were ordered paid.

On motion the burgess was instructed to notify the property owners on west side of 4th street from Jackson street to Sandy Lick creek to build new side or foot walk at such grade as the street committee may direct.

On account of maps of sewers not being here, council adjourned to meet at the call of the president.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle-working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by H. A. Stoke, Druggist.
