Mr. Williams, who has been in the store some time, is a genial gentleman who has numerous friends in this community and there is no doubt but that he will do a good business. Mr. Welsh is not able to say yet what business he will embark in.

Womer is one of the promising young men of the Central Pennsylvania M. E. conference, and we predict that in a few years he will fill some of the best pulpits in that conference.

Has Not Been Stolen. It has been reported in some of our exchanges that the body of Col. Henry Cooper, the Eleanora giant who was traveling with a circus and died at Vancouver Island, British Columbia, has been stolen. This report is not correct. All the telegrams received and sent by Col. Cooper's mother at Eleanora passed through the hands of F. A. McConnell at this place and there has been no word received that the body was stolen. The relatives decided not to have the body shipped here for burial until cold weather.

Sidewalk to be Raised. The borough "dads" have resolved to give Thomas Tapper and David Hartman damage to amount of \$175.00 for raising the sidewalk to the proper grade in front of their buildings, or building, on Main street. The lively stable and blacksmith shop are built so that one cannot be raised without the other, and it will be quite a job to raise them, hence the damage was granted. When the sidewalk is raised in front of these buildings, which is to be done as soon as possible, it will make quite an improvement on that part of Main street.

Another Silk Mill Talked of. Mayor H. Alex Stoke has received a communication from a New Jersey silk mill company that wants to erect a large silk mill at this place. The matter depends entirely upon the action of our citizens. If the company's proposition is accepted the mill will be erected immediately. The mill would be about the size of the one now in operation here. It would employ 300 hands, 200 girls and 100 boys. The same kind of silks would not be made as is made at our present mill. The matter should be carefully considered by our citizens and if possible the town should get the silk mill.

SILK MILL LEASED. Capacity of Mill Will Likely be Doubled in Near Future—New Yorkers Lessees. After our edition was printed last Wednesday morning we learned that J. W. Place, president of the American Silk Company, and some New York capitalists had arrived in town that morning and that the silk mill at this place was to be leased to the New Yorkers for seven and one-half years, with privilege of five years longer. We understand that the lessees own one or two silk mills at other places and that they have a large wholesale silk distributing house in New York City. One of the new proprietors informed us that it was the intention of his company to enlarge the mill here in the very near future, perhaps double its present capacity.

The Enterprise Silk Company is the name of the company that leased the mill and the rental price is \$10,500 per year. H. White is superintendent of the mill under the new management. It was reported that Mr. Greenbaum, who has been book-keeper at the mill since it first started, had resigned and would leave here, but Mr. Greenbaum will not leave. He did tender his resignation but it was not accepted.

A Good Company. The Irene Taylor Company is appearing this week at the Reynolds opera house. "Forget-me-not" was produced on Monday night, the old time favorite, "East Lynne," on Tuesday night, and other productions of a standard character are promised for the remaining evenings of the week. Irene Taylor, the leading lady of the company, showed herself to be an emotional actress of great versatility in the title role of "Forget-me-not." The part called for the portrayal of an adventurous demanding admission into society, with the threat that if exposed she would create a scandal in a home which she had made herself an unwelcome guest. The usual handsome hero and a blood-thirsty Corsican thwarted her plans, giving Miss Taylor a chance to very cleverly portray penitence. Mr. Drew, Miss Hatton and Miss Stanley, other members of the company played their parts well and earned applause frequently.

Between the acts the Two Dees introduced interesting songs and lively dances. Master Willie Foreman did some clever buck and wing dancing. They will alter the character of their specialties each evening. Al. V. Forman, manager, is a very clever gentleman and who transacts the affairs of the company in a business like manner.

E. church, held last Friday evening, the following official members were elected for the coming conference year: Stewards, Philip Koehler, A. T. Bing, C. A. Stephenson, W. B. Stauffer, George H. Dunsmore, John Trudgen, Roman Koehler, B. E. Hoover, C. N. Lewis, Wesley Motter, J. J. Sutter.

Fountain Novelty. The gum ball tossed up by the small stream of water in the fountain at A. V. Ry's passenger station is quite a novelty and it attracts considerable attention. W. S. Stone is the genius who conceived the idea of making a cone-shaped wire top for the fountain and then put a gum ball in and turned on a small stream of water. The water will keep the ball up a few seconds and it drops off and down only to be tossed up again.

Sunday Visitors. The following ladies spent last Sunday with their sister, Mrs. A. B. Weed, in West Reynoldsville: Mrs. W. W. Hophorn, of Salem, Oregon; Mrs. John Freeman and Mrs. John Burge, of Gramplan, Pa., and Mrs. Ad. Weaver, of DuBois. This is the first time the five sisters have all met together for many years.

Going to Conference. The Erie Annual Conference of the M. E. church will be held at Jamestown, N. Y., next week. Dr. C. C. Rumbarger, pastor of Reynoldsville M. E. church, will preach his last sermon next Sunday for this conference year and will go to Jamestown the first of the week.

'LECTRIC STREET CARS EASTERN CAPITALISTS ASK FOR FRANCHISE. Line to be Built from West Reynoldsville to Rathmel, Big Soldier and Eleanora.

Mr. E. A. Ferrin, of Harrisburg, is in this place as a representative of eastern capitalists for the purpose of getting the right of way for an electric street car line from Reynoldsville to Rathmel, Big Soldier and Eleanora. A special meeting of town council was held last evening to take action on granting the company the right of way in this borough. It was granted. This evening a special meeting of the West Reynoldsville council will be held to consider the request for right of way in that borough, and then supervisors of Winslow and McCalmont townships will be asked to grant the franchise. If the right of way is granted without delay the company proposes having electric cars running between the above named places in ten months. The engineers would be at work within thirty days. Reynoldsville Traction Company will be the name of new line. The starting point of the street car line would be near the tannery in West Reynoldsville.

A street car line as proposed by the company Mr. Ferrin represents, would be of great benefit to Reynoldsville, and every person interested in the town should encourage the building of the road. A special low rate would be made for the miners who live here and work at Rathmel and Big Soldier. Besides that a street car line would bring a large trade to this place from the neighborhood of Eleanora.

If we get the street car line the next improvement would be electric lights.

Philip Smith Dead. Philip Smith, an old and highly respected citizen of Horn Settlement, Washington township, departed this life Friday, September 15th, aged 79 years, 4 months and 13 days. He was born in Northumberland county, Pa., May 2, 1820. A number of years ago he moved into Washington township where he lived until the 15th instant. When twenty years old Mr. Smith became a member of the Reformed church, but afterwards, on account of the inconvenience of attending the Reformed church, he became a member of the Lutheran church and was ever after an active member of that church. Funeral services were held in the Chestnut Grove church at 3.00 p. m. Sunday conducted by Rev. B. F. Hankoy, and the mortal remains of the old father were laid to rest in the Smith cemetery. The deceased is survived by five sons and two daughters, as follows: Daniel, Frank, Jonathan and William Smith, of Washington township, Samuel Smith, who resides in eastern part of the state, Mrs. Reuben Hetrick, Armstrong county, and Miss Maranda Smith, who lived with her father. The deceased was married to Sarah Bubb, who died in February, 1890.

Dr. Burgoon Applies for a Divorce. Dr. J. A. Burgoon has sued his wife, Sybilla Burgoon, for a divorce on the grounds of alleged indignities to his person and cruel and barbarous treatment. They were married September 11, 1868, and two sons resulted from the marriage. They came to this city from Clarion county. There was no bill of particulars filed with the libel, but it is understood one will be asked for. Dr. Burgoon had a lucrative practice for many years. He conducted a sanitarium at Sewickley, but had business reverses and was compelled to give it up. He accuses his wife of running down his business, and also claims that his sons sided with his wife in going against him.—Pittsburg Sunday Dispatch. Dr. Burgoon was a resident of Reynoldsville a number of years ago and was familiarly known as "Hide-cooper."

Baptist Church Recognized. Rev. Jacob Booth, who began evangelistic work under a tent at Ridgway a few weeks ago, has been successful in creating so much interest that the people decided to organize a Baptist church, and a council from the Clearfield Baptist Association met at Ridgway Thursday evening to consider the advisability of organizing a church at that place. The council recognized the church. R. L. Miles, of this place, was at Ridgway as a member of the council. Ridgway will now have a Baptist organization.
