More Fast Trains.

A new schedule will go into effect on the A. V. R'y sometime this month, likely one week from Sunday. Dame Rumor says that three new passenger trains will be put on between this place and Pittsburg, and that some of the trains will be "flyers."

Toe Smashed.

August Benson, telegraph operator at New Bethlehem, had one toe of his left foot smashed one day last week by a truck running over it. August is now at the home of his father, John Benson in Reynoldsville, nursing the sore toe. He hobbles around on a pair of crutches.

The rooms are to be ready for occupancy the first of December. This will make one of the finest business blocks in town.

A Correction.

In making mention last week of the Brinker Coal & Iron Company, of which Mr. Mellinger of this place is a member, buying the plant of the Church Hill Co., near Parker, Pa., we stated that "the coal will be dumped into the car as it comes from the mine and no tipple or scales will be required." That is not correct. The Brinker Coal and Iron Company will use tipple and scales the same as any other first-class colliery.

Funeral this Afternoon.

Miss Esther Scott died at the home of James Scott, on Main street, at 1.30 p. m., Monday. The deceased was about eighty-five years old. She had been ill sometime. Dropsy was cause of death. Funeral services will be held at the residence at 2.00 p. m., to-day, conducted by Rev. Perry A. Reno, pastor of the M. E. church. Interment will be made in Prospect cemetery. Deceased lived in Reynoldsville about a quarter of a century. She was seldom seen on the streets, as she was a great homebody.

Directors Meeting.

The directors of the Summerville Telphone Company held a meeting at Hotel Imperial Thursday afternoon to consider a request for the extension of the telephone from this place to Big Soldier, and to dispose of some other matters of business that needed attention. The directors did not take any final action in regard to extending line to Big Soldier. A proposition was submitted to the parties who want the line to Big Soldier and if they accept it the line will be extended to that place.

Gifted Orator.

W. T. Bundick, the gifted southern free lecture in Centennial Hall this, Wednesday, evening. Lecture to begin at eight o'clock. Mr. Bundick comes very highly recommended. The Richmond (Va.) Times says: "His dietion is well nigh faultless, and his argument is clothed in beautiful rhetoric. It is not too much to say that he is eloquent. He has received flattering notices from the pulpit and press wherever he has spoken, and is to-day known as the silver-tongued temperance champion of the Old Dominion."

Visited Punxs'y Lodge.

Twenty-six members of the Woman's Relief Corps of this place drove to Punxsutawney Thursday and visited the Relief Corps at that place. When the Reynoldsville ladies arrived in Punxs'y they found an excellent dinner ready for them in the K. of P. hall, which had been prepared by the members of the Punxs'y Corps. The W. R. C. of that town meets in the afternoon and the visitors attended the meeting. Supper was served in the hall. The Reynoldsville ladies speak very highly the treatment they received from the Punxs'y ladies and of the excellent meals served to them. It was a delightful visit for our town ladies.

Better Train Service.

The new schedule that went into effect on the B., R. & P. October 9th, gave Reynoldsville very poor train service, and our townspeople were not delighted over it, but a new schedule takes effect to-day which gives the town two additional passenger trains every afternoon, except Sunday. The train that now arrives at 1.20 p. m. will leave here at 2.00 p. m., connecting at Falls Creek with the "flyer" for Pittsburg-2.31-and with train No. 10 for Bradford. which arrives at Falls Creek at 3.56 p. m. A train leaves Falls Creek for Reynoldsville at 4.00 p. m. That gives three passenger trains each way on the B., R. & P., as follows: Leave 7.00 a. m., 2.00 p. m., 4.40 p. m.; arrive, 1.20 p. m., 4.20 p. m., and 6.48 p. m.

Will Enforce Vaccination in Township.

At the monthly meeting of the Winslow township school board, held at Frank's Tavern Saturday, an edict was issued that the compulsory vaccination law must be enforced in all the township schools.

The board instructed the supply committee to buy large maps for all the schools in the township. The maps

were selected Saturday. Some of the other business transacted by the board was to raise the salaries of several good teachers to the same amount as paid to other teachers in the township. This was the proper thing to do. THE STAR has always advocated an increase, instead of a reduction, in the salary of competent school teachers. The only way to secure good teachers is to pay good salaries. It is poor economy to get cheap, incompetent teachers.

District Conference.

The fifty-fourth semi-annual session of the Ciarion District conference will be held in the Methodist Episcopal church at Port Barnet, Pa., on Monday, Tuesday and Wednesday, November 13, 14 and 15, beginning at 7.30 p. m. Tuesday, November 14th.

Only Cow Paths Then. "I remember well," said Roderick McDonald as he stood on the platform of the Falls Creek station, "I remember well when there was not even a wagon road through this section. It was all trees and rocks then, and there was nothing but a few cow paths. Nobody dreamed of a railroad here then. Now there are more railroads than there were cow-paths at that time." Mr. McDonald is 75 years old, but is still as vigor ous and active as most men of fifty. There have been many wonderful changes in this part of the country durhis life time.-Punxsutawney Spirit. Mr. McDonald is a prominent citizen of Rockdale Mills.

Apollo Quartette.

The Apollo Male Quartette cannot be xcelled. Their voices harmonize perfeetly, their expression indicates hard practice, and their interpretation of difficult music proved their proficiency as well as talent. Miss Mary Azalia Hollingshead, as a reader, was par excellence, as she always is, and merits all the commendation she receives wherever she goes .- The Methodist Times. At Assembly hall Monday evening, Nov.6th.

Wet One Side at a Time.

In speaking of the scarcity of water, Harry Bryan said Saturday that the water was so low in some of the streams around this section that the fish could only wet one side at a time. Harry also said that this reminded him of a drought they had in the old country when he was a lad. His father had to take their cattle forty miles on a canal boat to

Squirrels Overflowed River.

John A. Welsh, a noted hunter of this place, said yesterday morning that he had been informed that squirrels are very plenty at Beech Bottom, northern part of Jefferson county, where they swim the Clarion river after beechnuts. He says there were so many squirrels in the river at one time that the banks were overflowed.

Thought it was a Bear,

Albert Reynolds, the tallest man in Reynoldsville, was out hunting one day last week and all he got was a "little fright." Ab. was born in this place when the town consisted of one or two log houses, the surrounding country was a vast wilderness and big game was plenty. When old enough he shouldered a gun and went hunting, and has been doing more or less hunting—in late years less-ever since, and considers himself somewhat of a hunter. His excuse for not getting game last week was that the leaves were so dry that in walking around he frightened the game before he could get close enough to shoot. Ab. says he was sitting on a log waiting for a squirrel to come near enough for him to shoot it, when be heard something walking behind him that made so much noise he was sure it must be a big bear. He jumped up and whirled around expecting to see a black bear, but was greatly relieved to see a little red squirrel walking on the leaves. Ab. was so delighted because he did not have to battle with a bear, that he would not even shoot at the red squirrel.

Don't Miss Them.

The Apollo Male Quartette, at a concert in Bedford last week, captured the audience on the first number and were forced to respond to encores at every appearance thereafter. Their voices blended beautifully, and each member showed careful training. The Quartette certainly made many friends.-Leader. At Assembly hall Monday evening, Nov. 6th.
