# BULLER ADVANCING TO LADYSMITH.

#### CROSSED THE TUGELA.

The Result of the War May by Staked on the Coming Battle General Joubert Reported Disabled.

Gen. Buller is undoubtedly making another advance to the relief of Lady-A dispatch, dated Sunday at mith. "Gen. Buller, crossed the Tugela

river Friday night and is marching on Ladysmith. No definite news will be permitted to go out until Ladysmith is relieved. It is probable that Buller crossed at a spot above Trichard's Drift and that leavies the accurate to the first and that, leaving the enemy to the right, he is marching to Acton Homes. he is marching to Acton Homes, whence the road to Ladysmith runs al-most due east, through a fairly open

country. Another dispatch says Gen. Buller Another dispatch says Gen. Builer has undoubtedly secured the road to Ladysmith and should reach his objec-tive point this week. It is believed that the object of the Boers in occupying Ngutu, Zuhidand, is to secure the road from Dundee to Vryheid in case of re-treat. From a reliable source it is learn-of thet Case Joshert was sectioned in ed that Gen. Joubert was seriously in-jured by a shell in the fight at Willow Grange, and that he will never be able to command again on horseback. The Boers admit that the attack on Lady-smith was a serious blunder and would not have occurred if Gen. Joubert had not have occurred if Gen. Joubert had been in command. Gen. Lucas Meyer played the coward at Talan and shei-tered himself in a Red Cross wagon, shamming sickness. He has been un-able to face the Boers since and they threaten to shoot him. The belief is general that all will be staked on the issue of the coming battle. It is probable that no press telegrams will be permitted to leave pending the operations. The fighting power, moral and material, of the army way never

and material, of the army, was never higher than it is now.

Messages are now freely exchanged tween the camps of Gen. Buller and between the camps of Gen. Builer and Gen. White-by night with calcium lamp, by day with heliograph. The men lamp, by day with heliograph. The men here are enthusiastic at the prospect of a speedy advance under Buller's ina speedy advance under Buller's in-structions. A very large convoy of stores for the besieged garrison will ac-company the relieving force. The Bo-era have repaired the road bridge over the Tugela at Colenso sufficiently for the passing of cavalry. The London war office has issued a casualty list which shows a loss of over 2,000 men, or 40 per cent, of the army attempting to cavature Snionkon

attempting to capture Spionkop. In London rumors are current that the militia ballot act will be put in force February 14 and that Gen. Roberts has cabled for 90,000 additional men, which the government has promised to give him, sending 50,000 militia and volunteers and 40,000 militia reserves. It is also said that the volunteers will be mobilized forthwith. The militia ballot act makes every unmarried man be-tween 18 and 30 years of age liable to

The cost of the war to the end of the fiscal year, March 31, is estimated at \$150,000,000. The House of Com-mons has already granted \$50,000,000 and the other \$100,000,000 will be asked for.

#### **Goebel's Last Hours.**

William Goebel's life ended at 6:45 Saturday evening as a result of the bul-let fired by an unknown assassin on Tuesday morning, at Frankfort, Ky. The other states of the states of th The only persons present at the death-bed were Mr. Goebel's sistee, Mrs. Braunacker, and his brother, Arthur Goebel, of Cincinnati, who have been in constant attendance at Mr. Goebel's In constant attendance at Mr. Goebel's besides, and Dr. McCormack. Justus Goebel, another brother, who has been burrying from Arizona as fast as steam would carry him in a vain hope of reaching his dying brother in time for some token of recognition, arrived 40 minutes too late. minutes too late.

New Business Falling Off - Money Easier.

**REVIEW OF TRADE.** 

R. G. Dun & Co.'s "Weekly Review of Trade" gives out the following: "With the one exception of woolen manufacture, the chief industries have met less new business in January than last year, though deliveries on previous contracts have been larger than a year ago. In work turned out, the past month probably surpasses all others. Wheat rose 1 cent, but soon reacted. Wool is rather weaker in some grades. but stronger in others, so that the aver age of quotations is steady notwith age of quotations is steady notwin-standing some sales at concession. The iron and steel industry is so far tied up by contracts reaching through most of the year, that the effect of production exceeding consumption is felt only in some branches. A little lower prices have been made for foundry iron in con-siderable transactions through Besser have been made for foundry iron in con-siderable transactions, though Besse-mer does not yield, but steel billets are offered by some at \$33 per ton. Dif-ferences between producers and some of the largest consumers of steel block the market. In plates and bars concessions are still made to secure business. In sheets the demand is stronger, and in nails, structural forms, tin plates and nails prices are held firmly. Failures for the week have been 232 in the Uni-ted States and 34 in Canada.

GOOD BALANCE SHEET.

## Uncle Sam's Debt Decreased Nearly Nine Mil-

lions in One Month. monthly statement of the public lebt shows that at the close of business January 31, 1980, the debt, less cash in the Treasury, amounted to \$1,135,636,-227, a decrease, as compared with last month, of \$5,663,780. This decrease is accounted for by a corresponding in crease in the amount of cash on hand. The debt is recapitulated as follows: Interest-bearing debt, \$1,026,863,050; debt on which interest has ceased since maturity, \$1,208,410; debt bearing no in-terest, \$390,055,740; total, \$1,418,127,200. This amount, however, does not in-clude \$716,048.603 in certificates and Treasury notes outstanding, which are offset by an equal amount of cash on hand.

cash in the Treasury is classified as follows: Gold, \$403,496,503; silver, \$502,043,317; paper, \$60,413,615. Bonds, deposits in national bank depositories, disbursing offices, balances, etc., \$108,-475,123. Total, \$1,082,428,561, against which there are demand liabilities out-standing amounting to \$7,30,937,588, which leaves a net cash balance on hand of \$22,400,072

of \$292,490,973. The comparative statement of the Governments receipts and expendi-tures, issued to-day, shows that for Jan-uary, 1900, the receipts from all sources amounted to \$48,012,164, against \$41,-774,030 for January, 1890. The expendi-tures during the month aggregated \$39,-180,006 against \$41, 376 for January

#### Nerway May Use Force.

# The trouble between Norway and Nic ragua growing out of the Reyes rebelaragua growing out of the Reves rebel-lion last spring will reach an acute stage in the next few days, when a Norwegian man-of-war will appear before Bluefields to compel the payment of the damage claimed because of ill treatment of Nor-wegians by the Nicaraguan government during the rebellion. At that time the rebels seized the Condor, a Norwegian vessel, and used her to transport troops vessel, and used her to transport troop from Bluefields to Cape Gracias. Later, after the suppression of the rebellion, the Condor was boarded by the government troops in spite of the protest of the Norwegian Consul, and an American taken from her and carried to the Blue-fields in the transformation of the Bluefields jail. This outrage was brought to the notice of the Norwegian authorities. The government of Norway informed the minister at Managua that at the first opportunity the matter would be taken up in a suitable way. A claim for dam-ages was filed with the government of

# SAYS CONGRESS ACTED WISELY.

TRIBUTE TO WOMANHOOD.

Cardinal Gibbons Denounces Mormonism an Severely Criticises Society Wemen. Roberts Case Referr.d Tc.

Cardinal Gibbons, of Baltimore, Md., preached Sunday at High Mass at the cathedral, taking as his text, "What God has joined together let no man put sampler" lacideanally be scarcesed in God has joined together let no man put asunder." Incidentally he expressed in decided terms his opinion regarding the Roberts case, saying: "Respect for womanhood makes us approve the re-fusal of the house of representatives to allow Congressman Roberts, of Utah, a seat among the ustion's lawmakers. As a Mormon be can have no proper re-spect for women, and he was rightly and justly rebuked. The case resolves itself simply into a question regarding the attitude of the country toward the women of the United States. In cast-ing him out Congress paid a tribute to American womanhood. To have allow-ed him to take his seat would have been to countenance the degradation of the holicit estate of man. It was a victory for the right and Congress deserves credit for recognizing the law which is

The right and Congress deserves credit for recognizing the law which is higher than any other." His entinence spoke of the position of women in the home and strongly condemned the actions of so-called so-clear means.

"They are never at rest," he said, "un they are in pursuit of amusement They are never at ease unless enjoy-ing morbid excitement and artificial gayety. All of the solenin dutics which gayety. are theirs by virtue of their positions in home rest lightly on their shoulders They have no taste for domestic useful-ness, and no defire to be companion and helpmate of man. In the wreck-ing of many a life such women have had a large post. Theirs is the second a large part. Theirs is the responsi-bility for many a ruined home."

#### TO WAR WITH A LIE.

#### Sensational Accusation of W. T. Stead Concern ing the South African Conflict-Chambarlain's Conspiracy.

William T. Stead has addressed open letter to the Speaker of the House of Commons, William Court Gully, ask-ing him to bring it to the notice of the

House, The writer says: "The consequence of going to war with a lie in our right hand is now manifest even to the dullest understanding. The responsibility for the lie which is The responsibility for the lie which is now working out its natural conse-quences in South Africa originally lay upon the Colonial Secretary alone, but, by a conspiracy of falsehoods, the select committee of 1807 was hocussed into re-turning a false verdict, which, being af-terward accepted by the House of Com-mons, involved Parliament itself in the responsibility for a fatal featur."

responsibility for a fatal fraud." Mr. Stead then asserts that "the war was undertaken to conceal the truth and to whitewash the Colonial Secretary," and he appeals to the House to insist upon the production of the correspond-ence between the Colonial Office and crice between the Colonial Office and Mr. Hawksley, solicitor to the Char-tered Company, "in order to ascertain the truth respecting the Jameson raid and to purge the House of its dishon-

#### MRS. WITTEMEYER DEAD.

#### Famous as an Army Nurse and for Her Work for Temperance and for the Soldlers.

for Temperance and for the Soldiers. Mrs. Annie Wittenmeyer, who was one of the best known mirses in the mion army in the civil war, died very unespectedly Friday morning at her home at Sanatoga, Pa., of cardiac asth-ma, alter an illness of a few hours. Mrs. Wittenmeyer was descended from patriotic stock. Her great-great grandlather was an officer in the French-Indian war and was an officer in Warren's brigade during the revolu-tionary war. Her great-grandlather was also an officer in that war and was killed at Saratoga, N. Y. Her grand-father served in the war of 1812 and three of her brothers were soldiers dur-ing the civil war. Mrs. Wittenmeyer entered the hos-pidal service of the union army in April, 1901.

with a service of the union army in April, 1880, and served until November 25, 1865, ministering to the dying and wounded on many battlefields. She introduced the special diet kitchen sys-tem in the army and was commended by tem in the army and was commended by the sanitary and Christian commissions and by the surgeon-general for this work. She was active in raising \$200,-000 for supplies for the soldiers, contrib-uting \$1,000 from her own means. It was Mrs. Wittenmeyer who orig-inated the movement for the soldiers' home at Davenport, Ia, and she was prominent in establishing the Pennsyl-vania Soldiers' Memorial home, of the hourd of management of which she was

vania Soldiers' Memorial home, of the board of management of which she was imany years president. She served as national president of the Women's Re-lief corps of the Grand Army of the ..epub-lic and chiefly through her efforts the national home founded by this organi-zation was secured.

For five years she was president of he National W. C. T. U and was one of the most active members of that body. The army nurse pension law was passed mainly through her efforts and 560 nurses were thereby enabled to ob-tain a pension of \$12 a month.

#### ANOTHER COAL DEAL.

#### Eastern Capitalists Secure 1,000 Acres of Fine Lond at Taren'um, Pa.

Another coal deal of much import-since to Tarentum and the adjacent towns along the Allegheny river has been consummated. Newton Stewart, of the firm of J. C. Stewart & Son, of Tarentum, Pa, received a telegram to that effect Tuesday from G. T. White, of Delalable to the state of Philadelphia, who represents a num-ber of Eastern capitalists. The deal in question means that 1,000 acres of what is conceded to be the finest coal land in the Allegheny Valley will be develop-

d in the near future. The purchasers are Philadelphia capi-The purchasers are Philadelphia capi-talists, with unlimited capital, and not being controlled by the Coal Trust, will, be able to ship coal by water to all points between Futsburg and New Or-leans at prices far below the present market rate. The quality of the coal is said to be excellent, tests having been made by an excert chemist of Fulladel. made by an expert chemist of Philadel-

The development of the property will employ several hundred men, and fully \$500,000 will be spent in the erection of buildings, machinery and other neces-sary equipment for the successful oper-ation of the mines. ation of the mines.

#### AN AWFUL DEATH.

#### Two Men Engulfed in Molten Metal-Huge Ladle Tilled Over.

Two steel workers were burned to a two steel workers were burned to a crisp beneath several tons of molten metal at Shoenberger's steel mills, Pitts-burg, early Saturday morning. The vic-tims were George Keech and Frank Lucasa both Austrians. The frightful accident happened while the two un-loctunate men were earling their midaccident happened while the two in-fortunate men were cating their mid-night meal. As was their custom they seated themselves just inside the Bes-semer department, almost directly be-low the immense traveling crane on which the liquid metal is carried in large ladles from the blast furnace to the Besener and Constraint depart. the Bessemer steel converting depart-ment. In some unaccountable manner one of the ladles of molten metal tilted

# of \$292,490.973.

180,096, against \$51,122,770 for January, 180,09, leaving a surplus last month of \$8,823,068. Since July 1, 1899, the re-ceipts have exceeded the expenditures by \$29,870,000.

#### **IRISH JOAN OF ARC LANDS.**

#### During Her Stay in America Sha Will Make Pro-Boer Speeches.

Maud Gonne, the Irish Joan of Are, has arrived in New York. She says: "The object of my visit here is to arouse sentiment in favor of the Boers. Another reason is to cement the unity of Irish sentiment in America and the Irish in Ireland. "In Ireland to-day there are only 6,-coo soldiers, where formerly there were 20,000. One reason that Ireland is not in a good position to strike a blom is

20,000. One reason that ireans low is in a good position to strike a blow is because she had strictly followed Par-nell's teaching that liberty could be se-nell's teaching that New York and Strictly Means. cured by parliamentary means. Now we see that we must go back to the first idea, freedom must come by force. The spirit in Ireland to-day is the same as in 1867."

In speaking of striking a blow at England Miss Gonne admitted that the

"To nations as to the individual," she contributed that the constabulary must be reckoned on. She said, however, that England is in a posi-tion where she must grant demands. "To nations as to the individual," she continued. "there comes an hour of des-tiny. Ireland's hour has come and she must not let it slip."

The report that William S. Wright, ex-member of the Kentucky Legislature for Knott and Letcher counties, was assassinated at Boone Fork, on the Kentucky river. Thursday night, has been confirmed by advices from Hagan. During the campaign last fall, Wright made an enthusiastic canvass for John Young Brown for Governor. He was a Young Brown for Governor. He was a prominent lawyer and Democratic poli-tician and had made many enemies among the mountaineers in defending cases for the coal companies. There were five shots, and two took effect. He was shot with a Winchester of the same saliber as that used by the would-be assassin of Goebel.

Nicaragua, and a Norwegian man-of-war will call at Bluefields in a few days. It is understood that the Norwegian government intends to collect the amount of the damages demanded in the same manner that the English collected \$75,000 during the year 1895 at the port of Corinto on the Pacific coast—that is, to seize a port and collect the customs until the amount of the claim is paid. Blueflelds is the port that will probably be seized, and as Bluefields is mainly owned by Americans, it may lead to some diplomatic negotiations with this

country.

#### Secret of Standard's Success.

A statement by S. C. T. Dodd, solici-tor of the Standard Oil Company, con-cerning dividends of that company from 1882 to the present year, has been made public by the industrial commission. It shows that the company's dividends have varied from 5¼ per cent. per an-num in 1882 to 33 per cent. in 1897. Speaking of the methods that have made the Standard Oil Company a suc-cess. Mr. Dodd says: "They have obtained and utilized the

"They have obtained and utilized the best scientific skill in investigating and experimenting upon the obtaining of new and useful products from petrole-um and have cheapened illuminating oil and otherwise benefited mankind by the utilization of these bi-products.

They have used their united capital in opening up the markets of the world for American petroleum, and have held 10r American perfoream, and nave held these markets against the fiercest for-eign competition. This was rendered possible only by the employment of millions of capital in the cheapening of transportation at home, across the occan, and in foreign lands, and by the best and cheapest methods of manufac-ture." ture

Property estimated in value at tween \$1,000,000 and \$2,000,000 was destroyed by fire at St. Louis, Sunday.

#### Konlucky Methods at San Juar.

In San Juan, Puerto Rico, the feder-als were celebrating their election vic-tory at Fajardo when they met a Re-publican parade. The collision resulted in a riot, in which one man was killed and six seriously wounded. Fourteen of the town's best citizens are in jail characed with murder.

of the town's best citizens are in jail charged with murder. When the victorious party saw the Republicans come they charged their opponents. Revolvers and knives were drawn, blades flashed in the sunlight, and shots rang out. A squad of insular police charged the mob, and soon quell-ed the riot.

Eleven thousand bricklayers in the five boroughs of New York City have decided to demand an increase in wages from 55 to 60 cents an hour.

#### Excessive Tax on Imports.

United States Consul Gildschmidt, at La Guaira, reports to the State depart-ment that the Venezuela government has imposed a series of additional import taxes, under the name of war taxes, which are excessive. Flour is taxed \$7.72, instead of \$4.83, and most of the goods imported from the United States suffer in like proportion. The tariff has changed three times

since last August. Some of the articles upon which the duty is heavily in

creased are tobacco. brandy, stearin, leather, manufactured; oils wine CX cept kerosene; butter, cheese, hams sausage, cassimere, biscuits and rice. All other articles are taxed 20 per cent. additional to the old rate. Export taxes have also been laid, and the tax has been increased upon hides, coffee and cacao.

#### Former Member of Parliament Says Great Er tain Gets Bootad Foot.

Cunningham-Graham, former mem ber of Parliament, inquires in an open letter, what Great Britain has gained ber of Parlander Britain has gained "by all our squirmings and grovellings before the United States." and he thus answers: "An open door. Yes. And a booted foot to kick us through it. It was ever the sneak's reward to be thus treated."

treated." He assumes that the sympathy of the United States is with the Boers, that Great Britain has failed in receiving not only the sympathy but almost the neu-trality of the United States, and that this is Great Britain's reward for hay-

thrown over Spain, her ancient ally, and coming magnanimously to the as sistance of the United States

#### Killed by a Volley.

A dispatch from Manila saus: Mon-A dispatch from stands says: aton-day's affair near Subig resembled the recent pack train ambush. Lieutenant Schenck, with a sconting party of 49 men of the Twenty-firth Infantry ran into a large force of insurgents in a mountain defile. Schenck fell at the first volley, shot in the head. Sergeant Singleton and three privates were killed, and five men were wounded. The Americans then retreated. Afterwards a stronger force was sent to the scene of the fighting, and the insurgents de-parted.

directly above where the men sat, and nearly half the fiery contents of the la-dle was poured over them.

dle was poured over them. They were instantly a mass of flames. Their clothes were consumed in a flash, and, although prompt steps were taken to rescue the men, nothing but the charred remains were left when a minute later the bodies were taken from the spot.

President Moffatt, of Washington and Jefferson College, at Washington, Pa.; has issued an edict that all students guilty of hazing shall be expelled.

#### GREATER FRENCH NAVY.

#### Bill Provides for Building One Hundred and Seventy-Eight War Vessels.

A Cabinet council, of France, at which President Loubet presided, con-sidered decisions respecting various bills to carry out the naval scheme, and these Waldeck-Rousseau introduced at the opening of the Chamber of Depu-ties. They were referred, at his request, to the Budget Committee.

to the Budget Committee. The Government navy bill asks for 476,000,000 francs for the fleet, and pro-vides six first-class battleships, five ar-mored cruisers, 20 torpedo boat de-stroyers, 112 torpedo boats and 20 sub-marine boats. It also asks for 140,000,-000 francs to defend the coasts, includ-ing 38,000,000 francs for the definise of Bizarte, the French naval stronghold on the coast of Tunis. the coast of Tunis. Another bill provides for the estab-

lishment of independent cable commu-nication between France and her colonies, bringing the total expenditure up to 900,000,000 francs.

Secretary of Public Works Villalon, of Cuba, annulled a contract between the Pan-American Express Company and two railways, but Governor General Wood directed the repeal of this order.

#### Army's Reputation Gone.

The British defeats in South Africa The British defeats in the entitient of the entitient of engross public attention. Gen. von Bogustlawsky, a leading Ger-Gen. von Bogustlawsky, a leading Ger-man military writer, says: "What strikes military men as most unfavora-ble is the total lack of topographical knowledge among the British officers. Under analagous conditions, for exam-ple, our general staff would long ago have studied the topography of Spion kop. We admit the bravery of the sol-diers, but utterly condemn the incapac-ity of their leaders
