**So Say We All of Us.**

"I don't like its politics, but I must read the Post to get the news," said a prominent Republican State official the other day, "and the Democrats are to be congratulated for giving us our best newspaper."

We frequently hear remarks like this of the Pittsburg Post, and when we think of its marvelous special cable and telegraphic service, its many features and the best pictures printed, accuracy of its market reports, its cleanliness, cheapness of price, and that all news-dealers sell it, there is not one reason why any Democrat should not read it.

## TRIDEX CURES

**Rheumatism**

is a disease of the blood and cannot be cured with external remedies, such as liniments and plasters. The CAUSE of the disease must be reached by internal treatment. This is exactly what

TRIDEX

does, safely and effectively. Do not experiment any longer with external applications. It is merely a waste of time and money. Procure a bottle of

TRIDEX,

containing sixty-four large doses and get at the Cause of the disease and you will be surprised to see how soon the pain will cease.
