Spreads Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years. You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitude of maladies. It builds-up the entire system. Puts new life and vigor into any weak, sickly run-down man or woman. Price 50 cents. Sold by H. Alex. Stoke, druggist."

Rheumatism

is a disease of the blood and cannot be cured with external remedies, such as liniments and plasters. The CAUSE of the disease must be reached by internal treatment. This is exactly what

TRIDEX

does, safely and effectively. Do not experiment any longer with external applications. It is merely a waste of time and money. Procure a bottle of

TRIDEX,

containing sixty-four large doses and get at the Cause of the disease and you will be surprised to see how soon the pain will cease.
