The minutes of last regular meeting and the special meeting of March 13th were read and approved.

Ex-Tax Collector S. E. Brewer was present and stated that by June 10th he could pay about \$90.00 to apply on borough taxes, and would pay the balance as fast as possible.

The street committee reported they had examined Creek street and the alley leading to Railroad street, and recommended that Creek street be put in repair in preference to the alley, owing to alley being too narrow to make necessary repairs.

The matter of drainage as requested by Mr. Grubbs was held over for further consideration.

Bills to the amount of \$13.85 were ordered paid.

The appointment by burgess of John Anderson as Pound Keeper was endorsed.

Ordinance No. 20, relating to extension of width of sidewalk on First avenue, also Ordinance No. 21, empowering the proper officers to make contract for water for fire protection and other public purposes were called up for third reading, and adopted.

The above ordinances were referred to ordinance committee for publication. The water committee was instructed to confer with the Reynoldsville Water Co. and arrange for a contract for eight water plugs for fire protection.

The auditors' report was brought up for examination and the indebtedness of Ex-Collector Brewer, Ex-Treasurer Burge and Ex-Street Commissioner Beer was discussed at length. The finance committee was instructed to consult the borough attorney in regard to collecting the same.

A. B. Weed, member of finance committee, reported that he had conferred with C. Mitchell, borough attorney, who approved the bonds of W. L. Johnston, tax collector and treasurer, R. S. Williams, street commissioner, and John Anderson, high constable.
