**Cheap Insurance.**

The burning of William Norris' dwelling Friday morning brings to our attention the fact that the Washington Township Mutual Fire Insurance Company gives its members the cheapest insurance to be had in this section of the country. The policies are issued for five years at the rate of \$1.00 for \$1,000 or less, \$1.50 for \$1,500 and \$2.00 for \$2,000. Every "Tom, Dick and Harry" cannot become a member of this company, and risks will be taken only on good houses and only to the amount of two-thirds cost of house. Buildings in towns will not be insured. No building will be insured unless it is seventy feet away from any other building. If there is not enough money in treasury to pay loss when there is a fire an assessment is made on the membership, but assessments have been very few. The company has been in existence for twenty years, or more.

**Punxsy Water Co. Won.**

Judge Cyrus Gordon, of Clearfield, heard the case of Commonwealth, ex rel. John P. Elkin, Attorney General, vs. The Punxsutawney Water Company, at Brookville last week, which was on trial all week. The court took the case out of the hands of jury and decided in favor of the water company. The borough sought to have the franchise of the company annulled and thus have the privilege of furnishing its own water.

While Judge Gordon was hearing the above case Judge Reed was holding court in the grand jury room.

For the past forty years the firm of Armstrong & McKelvy have stood at the head as makers of pure linseed oil and white lead. A few years ago they started to make mixed paint from their own make of both lead and oil with the result, as had been foreseen, that the painters all over the country are adopting their paints, knowing full well that their well known honesty as to use of material and their better method of mixing and tinting would produce a paint better than they could mix with lead and oil.
