Tortured a Witness.

Intense suffering was endured by witness T. L. Martin, of Dixie, Ky., before he gave this evidence: "I coughed every night until my throat was nearly raw; then tried Dr. King's New Discovery which gave instant relief. I have used it in my family for four years and recommend it as the greatest remedy for Coughs, Colds and all Throat, Chest and Lung troubles." It will stop the worst cough, and not only prevents but absolutely cures consumption. Price 50c and \$1.00. Every bottle guaranteed. Trial bottles free at H. Alex. Stoke's drug store.

Some interesting facts regarding the attitude of the various colleges toward the comparatively new profession of forestry in the United States are shown by the applications for the position of Student-Assistant in the Division of Forestry. This grade, which was created last summer, is an innovation in departmental methods. A number of young men, who have decided to make forestry their vocation, are employed during the summer at \$25 a month and their expenses. They work under experts and receive practical instruction, while the government secures intelligent assistance at little cost. Last summer there were but 35 applications for this position. This year, although three months remain before field work will begin, over 160 have already applied. Forty of these are Yale men, mostly undergraduates; Cornell and the University of Minnesota have each 11, Harvard 23, and the Biltmore Forest School 3. The remainder of the applicants represent several different schools and some are not college men. Timbered parts of the United States, singularly, do not furnish as many forest students as the more thickly settled districts. There are but three applicants from west of the Mississippi. On the other hand, the interest at Yale is so great that a school of forestry probably will be established there this fall.

Relieves and Cures

The Terrible Pain or Rheumatism, Gout, Neuralgia, and similar diseases, can be relieved by taking a few doses of

TRIDEX

and a permanent cure can be expected by a more protracted use of this remedy.

It acts on the Poison which Causes the Disease.

A poison in the blood is the cause of these diseases, and it must be met with an internal remedy to effect a cure.

If you are taking Morphine, Opium or Cocaine, for temporary relief, you are treading on dangerous ground as you well know.

TRIDEX contains none of these dangerous drugs, nor is it a cheap alcoholic compound. Each dose contains less than a half drop of alcohol.

You will take notice that we are not advertising a cure-all. The diseases we mention may all come from the same cause, namely, acid in the blood. TRIDEX acts on this acid and carries it off by the natural channel, the kidneys.

- TRIDEX** is not a new remedy nor is it a great discovery. It is merely a Scientific Compound of well known remedies.
- Many physicians of this and other states are prescribing this compound, and speak highly of it as a cure for the diseases we mention.
- If you are afflicted and do not try this remedy for your ailments, we are confident that you are making a mistake, for we have seen many severe cases cured by the use of this compound. All we ask is that you give it a fair trial, and we are willing to abide by the results.
- We believe this remedy will cure these diseases, otherwise we would not go to the expense of putting it on the market. In other words, we do not believe one can make anything by advertising a humbug.
