Wedding and Family Reunion

A pretty home wedding occurred at the residence of Mr. and Mrs. Robert Bone, sr., on Railrond street at 8.00 p. m., Wednesday, June 20th, when their daughter, Miss Anna Elizabeth Bone, was married to W. E. Phillips, of Pittsburg. Rev. Perry A. Reno, pastor of the Methodist Episcopal church, of which the bride is a member, performed the ceremony in the presence of 42 persons, all of whom were immediate relatives except Rev. and Mrs. Reno. Mrs. Richard Bone played the wedding march and Miss Margaret Bone, sister of bride, was bridesmaid, and Robert Bone, nonhow of bride, was best man The bride was dressed in a light tan color, trimmed with blue silk, wore a long veil and carried pink carnations, After congratulations and good wishes were said an excellent wedding dinner was served. Some very handsome presents were given. A number of the bride's lady friends organized a callthumpian band and serenaded the wedding party soon after the ceremony.

Mrs. Phillips was one of our fine young ladies who has a host of friends in town, and Mr. Phillips is a promising young man who holds a good position in the Westinghouse Electric Company's works at Pittsburg. Mr. and Mrs. Phillips went to Barnesboro, Pa., last week to spend several days with the bride's sister, Mrs. Thomas Kirkman, and this week they will go to Pittsburg, their future home.

Throat Cut and Head Battered. Mike Kalifele, a business man of Rathmel, is now lying at the home of his mother-in-law in Paradisc in a precarious condition. Several years ago Mike married a Paradise girl and their married life has not been all sunshine. Recently they had a family "jar" and Mrs. Kallfele went to the home of her mother. Mike went out to see her Friday forenoon and shortly after dinner Dr. Sayers, of this place, was called to Paradise to dress some wounds for Mike. The doctor found him with his throat cut and four wounds on his head. The throat had been slashed with a dull knife, but the knife did not get deep enough nor extend far enough to extinguish Mike's lamp of life. It is claimed that Mike bumped his head against a telephone pole, battered it with a stone and then tried to cut his own throat because he wanted to die. There are doubts, however, about this as it seems impossible that a man could inflict wounds on his own head such as Mike has. He has not explained to anyone yet whether be tried to commit suicide or whether some other persons "used him up."

A wedding dinner will be served after the ceremony. About fifty invited guests will be present.
