AN OLD MASON.

'Squire Guthrie Was Given a Birthday Surprise Party Saturday Evening.

'Squire Joseph T. Guthrie, who has been a member of the Masonic lodge over forty-three years, having joined Milnor Lodge No. 287, in Pittsburg May 19th, 1857, and was a charter member of John M. Reed Lodge of this place, was given a complete and a genuine surprise last Saturday evening by the members of the Masonic lodge. Saturday was Squire's seventy-fifth birthday and this was a birthday surprise party. The plans were well laid and as the Masons are good at keeping secrets 'Squire didn't get a hint of what was going on. Mrs. Guthrie went to see a neighbor and had Mr. Guthrie call for her about eight o'clock. While he was after his wife the Masons and their wives, to the number of at least sixty, took possession of the house and when 'Squire stepped into his home and found it crowded with friends he was very much surprised. The Masonic friends took with them a very handsome upholstered reclining chair as a birthday present for 'Squire and they didn't forget to take some delicacies for the innkeeper, such as ice cream, cake, coffee, &c. The lawn was illuminated with torches and the refreshments were served on lawn. It was a very pleasant affair and was evidence of the high esteem the Masons have for Pastmaster Guthrie. Mr. Guthrie was the oldest Mason present, Errol Sutter was the youngest and Albert Reynolds was the tallest. Mr. Guthrie was highly pleased with the fraternal visit and also with the valuable chair and other presents he received.

Waller, principal Indiana State Normal, and Miss Clara Tompkins, training teacher of Clarion Normal. The instruction covered the common, everyday problems that teachers must face and deal with in the most practical way.

Prof. Teitrick is giving a series of four meetings at Brookville, Reynoldsville, Punxsutawney and Brockwayville, at his own expense, which should not only be appreciated by the teachers but by all lovers of educational advancement.

Punxsy's Fair.

A large number of Reynoldsville people attended the Punxsutawney fair last week. Some of them say that the fair was a good one and others do not speak so favorably of it. THE STAR did not have a representative at the fair and, therefore, we clip the following from the DuBois Express of August 25: "The success of the Punxsutawney fair this week proved conclusively that such agricultural gatherings, when ably conducted, are paying ventures and of value to a town. The decadence of the old fashioned fair has been due more largely to the poor management and the inferior quality of the exhibits and attractions, than to any other cause. Punxsutawney gave a good program and the people knew it and were not backward in giving the fair their support."

Mrs. Edward C. Wilson died at her home in East Brookville at about 9.00 o'clock this morning, after a lingering illness, of consumption. Mrs. Wilson's maiden name was Maria Cyphert, and she was born July 19, 1850. On May 7th, 1868, she was united in marriage with Mr. Edward C. Wilson, this union being blessed with eight children, two of whom, Lorenzo and Edna, died in infancy. The remaining children are William L., who resides in Longview; James Everett, Sidney, Jennie, Emma and Benton, all of whom reside with their parents excepting Sidney, who is engaged in dressmaking at Reynoldsville, and all of whom, with her husband, were at her bedside during her last hours. For several weeks past Mrs. Wilson's condition has been such as to give no hope of her recovery and she has simply awaited with Christian resignation the merciful hand of death to relieve her from her suffering. She was a member of the Methodist church and the funeral services, which will be held on Friday afternoon, will be in charge of Rev. S. M. Gordon. We Have Noticed It.

Have you ever noticed what a great sensation is caused when a woman appears on the streets in a drunken condition and yet we pass a dozen men every day who are rory-eyed and never think anything about it? It seems that a man may do almost anything and create little surprise, but when a woman makes a little mis-step the world stands and looks on with open mouth and the tongue of sensation is set in motion. The truth of the matter is that it is no greater harm for a woman to get drunk than it is for a man to do the same thing. Let a woman get drunk and go out on the street and offer to "lick" anything of her size in the town and the people would live a hundred years before they got over it. A man, however, does this and two days after no person thinks anything about it.—Falls Creek Herald.

Section 1. Be it enacted, etc., That from and after the passage of this Act, the township supervisors and road commissioners of the several townships within this Commonwealth, shall, annually, on the first Monday of April, enter into a contract with one or more taxpayers to remove and take away the loose stones from the main traveled highways in such townships, at least once each month, during the months of April, May, June, July, August, September and October of each year.

Section 2. The supervisors or road commissioners, aforesaid, may delegate the authority conferred by this Act to the path masters, and in such case the compensation allowed to the person or persons performing said work shall be made by crediting the amount upon the road tax assessed against them.

The Buffalo, Rochester & Pittsburg Railway Co. announce Sept. 4th as the date for the last excursion of the season to Buffalo, Niagara Falls and Toronto. Train will leave Falls Creek at 12.52 p. m. and the fare to Buffalo and return will be \$3.25, and to Niagara Falls and return \$3.75. Tickets good to return on any regular train on or before Sept. 8.
