heating stove most of the heat passes direct into the chimney without spreading its warmth. We overcome this waste in the

Tremont Hot Blast

by converting the smoke, soot and gases into heat. Producing the greatest results for the fuel consumed.

THE TREMONT HOT BLAST will burn the poorest quality of slack or coal dust with the same successful results that it does the best quality of fuel.

The fire is at all times under perfect control, and can be increased or lessened to meet the requirements of the user. No trouble to keep a continuous fire throughout the winter.

If you want a stove that is unequalled for economy and good service buy the TREMONT.

A Thousand Tongues

Could not express the rapture of Annie E. Springer, of Philadelphia, when Dr. King's New Discovery cured her of a hacking cough that for many years had made life a burden. She says: "After all other doctors and remedies failed it soon removed the pain in my chest and I can now sleep soundly, something I can scarcely remember doing before. I feel like sounding its praises throughout the universe." Dr. King's New Discovery is guaranteed to cure all troubles of the throat, chest or lungs. Price 50c and \$1. Trial bottles free at H. Alex. Stoke's drug store.

Speaking of newspapers Sam Jones says: "If I wanted to get a right square judgment I'd rather go to a newspaper office than to a court of justice. No man whose life is true, pure and just, is afraid of the newspaper presses in America. They are the best detective force in the country to-day. They have punctured more shams, and so far as I am concerned, I say take the bristles off and let them go. The only ones that will be hurt will be the shams and frauds."

August Flower.

"It is a surprising fact," says Prof. Houton, "that in my travels in all parts of the world, for the last ten years, I have met more people having used Green's August Flower than any other remedy for dyspepsia, deranged liver and stomach, and for constipation. I find for tourists and salesmen, or for persons filling office positions, where headache and general bad feeling from irregular habits exist, that Green's August Flower is a grand remedy. It does not injure the system by frequent use, and is excellent for sour stomachs and indigestion." Sample bottles free at H. Alex. Stoke's drug store. Sold by dealers in all civilized countries.
