Isaac Field, a commercial man of New York city, spent Saturday and Sunday in Reynoldsville. He was entertained by the Elks and proved himself a versatile entainer of a high order. Mrs. Butson was given a rocking chair.

Mrs. Mary McKay, Misses Annie Conners, Annie Williams, Mary Lee, Mary Donahue, of this place, and Misses Mary O'Neil, Margaret and Katie Eagin, of Rathmel. They were served with an excellent supper at the Alpine house.

#### Ran Off an Abutment.

J. King Dickey, of Reynoldsville, began railroading on Tuesday and early the next morning met with a peculiar accident in the yard at this place. He had just thrown a switch after his train and started to run for the caboose, forgetting about the bridge over Lick run at the foot of Ferry street, and in the darkness falling to notice it, he ran off the abutment and fell to the roadway below, a distance of 15 or 18 feet. His right arm was broken near the wrist and he also sustained a sprain and contusion of the muscles of his chest.-East Brady Review. Mr. Dickey has been staying in this place since the accident.

## Putting Expense Where It Belongs.

John Trudgen and John Howlett, poor overseers of this borough, were in Clarion county Friday to locate a residence for a woman now in Warren Asylum whose keeping is charged up to this borough. They found her residence in Mahoning township, Armstrong county, and that township will have to pay the bill, which will amount to \$600.00 or \$700.00. There are four or five others in the asylum whose keeping is charged to this borough, but the poor overseers, with exception of one case, have discovered that these people never gained a residence here and have found the locality where they did gain a residence, thus saving Reynoldsville borough something like \$3,000 asylum ex-

## Roosted on Skylight.

W. H. Moore, a stalwart Republican. who resides in rooms over his grocery store, didn't know when he awoke early Thursday morning-the day of the Republican rally at Reynoldsvillewhether the election was over and all the roosters in the town were crowing over the victory, or what was the matter, as the roosters were making so much noise he could hardly hear, himself think. Mr. Moore dressed and then began an investigation. He found that five or six roosters had spent the night on the skylight, just over his bedroom. and that they were enjoying a morning crow. The roosters may have heard some one read in THE STAR that there would be a number of Methodist preachers in town this week and they decided to roost high.

## Swift Aggregation.

The "Indian" foot ball team of Reynoldsville is the swiftest organization in this section, at least they have not run up against a team this season that has 'scalped" them. Eight games without defeat is not so bad. The "Indians" played at Brookville Friday afternoon and although the county seat boys would outweigh the "Indians" they could not defeat them because our team was too swift for them. Neither team scored in the first half, but in the secand shut the Brookville team out encould not go to Brookville Friday and three of Punxsutawney's players, who played here Thursday, assisted the "Indians" to defeat Brookville.

Brookville team will play the "In dians" at this place on election day.

#### Re-opening Beechtree Mines.

Preparations are being made to repen and operate the old Beechtree mines which were shut down last year. There is yet considerable coal to be taken out, most all of which consists of "pillars" and "heading stumps." The mine will give employment to about seventyfive men for several months or until the place is completely worked out. number of the Beechtree houses which have been standing vacant for some time will be occupied by the new men and their families. The former operators, the Jefferson Coal Co., still control the place, which is under the supervision of Mr. Austin Blakeslee,

The company is also getting things in shape for the opening of a new mine at Coal Glen which will tap the hills southwest of the mine now in operation. Surveys have been made for the building of a new tram road from the new mine to Coal Glen tipple, it being the intention to run the coal over the road, a distance of half a mile, and save the expense of building a new tipple. The new opening will give access to a field of 150 acres of good coal and which is the only undeveloped piece owned by the company in this section. After Beechtree is worked out it is the intention of Superintendent Blakeslee to transfer the working force to the new mine.—Brockwayville Record.

#### REPUBLICAN RALLY!

Brass Bands, Tin Horns, Glare of Torch and Red Lights Galore

The Republican rally at Reynoldsville last Thursday night was the largest political demonstration held in Jefferson county during the present campalgn. Free train from Big Soldier and Rathmel and excursion trains from Brookville, Punxsutawney, DuBois and Falls Creek brought a large number of people to town, and many others drove or walked in from the rural districts. About 8.30 the torch light procession moved up Main street amidst the glare of red lights, to east end of town and back again to Centennial hall. The Brookville, Rathmel, Big Soldier, Sugar Hill and Reynoldsville Keystone and martial bands made the welkin ring with music as the procession moved along. The DuBois Volunteer band, with a delegation from that town, missed the first excursion train to Reynoldsville and did not arrive in town until after the parade, or the parade would have been larger than it was. There were about one hundred rough riders in the parade.

After the parade those who wanted to hear political speeches assembled in Centennial hall. William T. Cox, temporary chairman, called the meeting to order. Mayor C. Mitchell was elected president of meeting with a large number of vice-presidents. Edwin Houre, Dr. A. H. Bowser and C. C. Gibson were elected secretaries. The speakers were: D. C. Gillespie, of Punxsutawney, John S. Fisher, Esq., of Indiana, Hon. J. S. Murphy, of Johnstown, and Hon. J. D. Hicks, of Altoona.

There was a very large crowd in town. During most of the evening Main street from Third to Fifth street was a mass of surging humanity. All tin horns in town were used on the streets and the noise was almost deafening.

#### RALLY AT BROOKVILLE.

The Republicans of Brookville held a rally Friday night, but it was not as large nor as enthusiastic as the rally was at Reynoldsville. A special train was run from this place, leaving here at 7.15 p. m. There were about 200 Reynoldsville people in Brookville Friday night. The Keystone band, which went to Brookville in the afternoon, and the Brookville band and torch light procession, were at the railroad station to meet the Reynoldsville delegation and they quickly formed in line and marched over town. After marching up and down Main street a meeting was held in the court house and speeches were made by some of the speakers that were at Reynoldsville the night before.
