The public road on top of the hill west of Reynoldsville is the greatest place in the country for snow drifts. This road was so badly drifted Thursday that Baum's milk wagon could not get through. Men had to shovel the snow out to make the road passable in the afternoon.

James Patrick, an honest and honorable Scotchman who resided at Rathmel about sixteen years, died last Saturday. He owned a small store and a house and lot in Rathmel. John Smith, of Rathmel, administrator of the Patrick estate, was in Brookville yesterday taking out letters of administration.

There was a typographical error in the West Reynoldsville election returns THE STAR wishes that the second year published in The STAR last week. Miss Lena Irving, third daughter of Mr. and Mrs. James Irving, was given surprise party by a number of her young friends Monday evening. The young people presented Lena with a gold watch chain. Miss Lena goes to Elmira, N. Y., to-day to enter school at that place. Her young friends here are sorry to lose her.

Death of John Solida.

John H. Solida died Friday evening rom Bright's disease. He had been sick about a year. Funeral services were held in the Baptist church Sunday afternoon, conducted by Rev. A. J. Meek, Ph. D., pastor of the Baptist church, and interment was made in the Reynoldsville cemetery. The deceased was about 39 years old. He is survived by his wife and five children.

Brookville to Get An Industry.

Brookville, the capital of Jefferson county, is to have a \$250,000 tile and glass plant. Pittsburg capitalists are back of the concern. Brookville gives the plant eight acres of land and is to take \$75,000 of the stock. The plant will be erected near the new brick woolen mill, east of the P. R. R. station. It is to be built of stone, brick and iron. This will put new life into our neighboring town.

'Tis Played by Electricity.

A new piano was placed in the B. P. O. Elks reception room Monday afternoon and the boys will not care a "continental" now whether there is a planist present or not when they want music, they'll have it anyhow, as the instrument is played by electricity, or with a crank as well as with nimble fingers. When played by electricity the music is run through in sheets. This plane is something new in this section. Its a "dandy"

Died Saturday.

Mrs. E. D. Baker, nee Mollie A. Mc-Kee, died at her home at Knox, Pa., at 2.00 p. m. Saturday, Feb. 23rd, 1901. She had been in poor health for sometime but an attack of grip hastened the ending of her earthly career. Funeral took place yesterday afternoon. Mrs. Baker was the daughter of J. C. McKee, of this place. She had lived here a few years and on account of her oleasant disposition had many warm friends in Reynoldsville. About six years ago Mollie was married to Prof. E. D. Baker, of Knox, Pa.

First Year's Work,

Sunday completed Dr. A. J. Meek's first year's work as pastor of the Reynoldsville Baptist church. The church has prospered greatly under his pastorate. He is an able preacher, hard worker and a genial gentleman, well liked not only by his congregation but by many outside of his church. During the year Dr. Meek preached 187 sermons, conducted 20 funerals and received 34 new members into the church. Meek and his congregation than the first year was.

Unconscious From Cold.

Miss Ella Hartle, who came from Pittsburg last week to work in the silk mill, was almost frozen to death on her way to work Saturday morning. She did not know that the thermometer registered 20 degrees below zero and she started to work with a light cape over her shoulders, hat on her head and no mittens on her hands. When she got into the mill she fell over in an unconsious condition. Dr. Bowser was called and it required work to get the girl back to consciousness. The trestle sidewalk from Jackson street to silk mill is the coldest place in this section.

Will Not Accept Call.

It has been previously stated in THE STAR that Rev. W. Frank Reber, pastor of the Reynoldsville Presbyterian church, had been given a call to become pastor of the Turtle Creek Presbyterian church, but we are pleased to state that Rev. Reber has decided to remain in Reynoldsville. A congregational meeting was held in the Presbyterian church last Wednesday evening at which time the congregation voted to request Mr. Reber to remain as their pastor and also to increase his salary from \$1,000 to \$1,200 per year. Mr. Reber announced Sunday that he would remain

Paralysis Caused Death.

George Mellinger; of this place, was called to Beckman, Md., about two weeks ago by the serious illness of his brother, John Mellinger, who had a stroke of paralysis. The brother died on the 18th inst. and his body was brought to Somerset Co., Pa., and buried Thursday, Feb. 21st. The deceased was sixty-one years old. He was postmaster at Beckman. His wife died three years ago this month. He is survived by one son. Mr. George Mellinger returned home Saturday. Mr. Mellinger, who is one of our school directors, did not know until he arrived in Pittsburg Friday that the school house at this place had been burned.

Wanted to Sell Their Seats.

It was stated in THE STAR last week that the DuBois school board had kindly offered to loan our school board a number of old seats that were recently taken out of the DuBois schools to be replaced by more modern seats, but it appears that the statement was made too soon, for they finally refused to loan the seats and wanted to sell them to our school board for fifty cents a seat. The offer to loan the seats was made by telephone and Prof. G. W. Lenkerd, principal, in behalf of the Reynoldsville board, went to DoBois to see about getting the seats, and we understand that he called on the directors personally Tuesday afternoon of last week and that they were willing to loan the seats, but at a meeting of the board that same evening they decided not to loan the seats, but wanted to sell them for 50 cents apiece. Our school board wisely decided not to buy the old seats and have had temporary seats made which will answer for the completion of this term. Modern seats will be purchased for the school building when it is ready for occupancy.

Will Rush the Work Now.

The Reynoldsville Oil & Gas Company has been experiencing considerable trouble in getting the drill started in their gas well on the Levi Schuckers farm. It will be remembered by our readers that this well was drilled to the depth of 3,000 feet last year and then the drill was stopped. The company finally decided to put the well down 500 feet deeper and when the work was started the discovery was made that the hole had been filled up several hundred feet with iron, stone, rope and wood, which has been very annoying and expensive to the company. It is hoped now that they are about through removing this stuff and it is the intention to put on a double crew this week and run the drill night and day until the drill is down 3,500 feet, if they do not strike gas before that.

"Hazel Kirke."

"Hazel Kirke," a comedy drama in four acts, will be played at the Reynolds opera house in the near future by home talent. The cast of characters, which we append hereto, is proof that the drama will be well played:

"Hazel Kirke," Edna Myers; "Dolly Dutton," Zoe Woodward; "Emily Carringford" (Lady Travers,) Mary Burge; 'Mercy Kirke," Mrs. Margaret Gorsline: "Clara," (a maid), Mionie Kelley; "Arthur Carringford" (Lord Travers), L. L. Gourley; "Dunston Kirke," Albert Geisler; "Pittacus Green," Clement Flynn; "Methuselah Wiggins," (called Met), Ed. Binney; "Barney O'Flynn," (a valet), Walter Kerr; "Zoe," (a miller), William Blanchard; "Dan," a miller,) Charles Guns.

Fell Under a Sied.

Clifton, young son of Jarvis Williams, had his left knee badly injured yesterday afternoon on Main street by trying to jump on a sled and falling under it. It was first thought that his leg was broken as he was not able to walk, but there were no bones broken. Considering the number of small boys that have been jumping on sleds and sleighs, it is a wonder more accidents do not occur.
