### Sykesville.

C. H. Rittenhouse has commenced excavating the cellar for a new house.

Memorial services will be held in the Bethel Baptist church of this place next Sunday at 11:00 a. m., in honor of our departed friend Miss Elizabeth McPherson.

A. J. Deemer has Mr. Reed's new house across the creek from Sykesville almost ready for occupancy.

The second grade of our school closed Tuesday of this week. The children are all glad, yet they are sorry to part with their teacher, Mr. Wilson, who has rendered good satisfaction to both scholars and parents.

Mud! Mud! Mud! Sunshine will come by and by.

F. C. Bennett and wife attended the Easter services at Paradise on Sunday.

The Ladies Aid Society of the Baptist church held an egg social in Phineas Reed's hall on Saturday evening, which proved a decided success.

Henry Shaffer is still gathering in the sweet sap of the sugar tree and making sugar at the old stand.

### Hornstown.

W. H. Shugars had business at Deemer's Cross Roads Monday.

Joel Snyder, of Deemer's Cross Roads, was in this place Monday.

Wm. Cooper and son, of Beechwood, were in this place Monday trading horses with Shugars brothers.

### He Kept His Leg.

Twelve years ago J. W. Sullivan, of Hartford, Conn., scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. Then the best doctors urged amputation, "but," he writes, "I used one bottle of Electric Bitters and one and one-half boxes of Bucklen's Arnica Salve and my leg was sound and well as ever." For eruptions, eczema, tetter, salt rheum, sores and all blood disorders Electric Bitters has no rival on earth. Try them. H. Alex Stoke will guarantee satisfaction or refund money. Only 50 cents.

### Soldier.

Mrs. Loe Lavinski, a very respectable Polish woman of this place, died Sunday last of asthma, from which she had suffered for eighteen years.

The Parochial school closed Tuesday, April 2nd. The teacher Miss F. Josephine Schierberl returned to her home at Clarion, Pa.

Arthur, the youngest son of Mr. and Mrs. Geo. Mowry, has been ill for the past two weeks, suffering with pneumonia.

Mrs. and Mrs. Wm. McCleary chaperoned a party through Hamilton mine Thursday evening of last week. The party consisted of Mr. and Mrs. McCleary, Miss Mary McCleary, Miss Annabell Edna, Miss F. Josephine Schierberl, Mr. and Mrs. Geo. Willard, Dr. B. F. Shires and Arthur Black. Coal dust and black grease was liberally smeared over the face of each one as they emerged from the drift mouth.

The correspondent would give two Easter eggs for a picture of the crowd as they came out in their fantastic costumes and blackened faces.

The public schools (except the primary department) closed a very successful term on Friday. The teachers, Prof. W. P. Miller, J. L. Couch and Chas. Norris have left for their respective homes well satisfied with the work accomplished during the past term. Miss Mary McCreight, teacher of the primary school, will teach two weeks longer, making up for time lost during the term on account of sickness at her home, which prevented her from attendance at school as the disease was contagious, and neither teacher nor scholar being allowed to attend school when such disease is in their families.

Dr. W. S. Campbell, of Richmond, Indiana county, and Dr. Tucker from New Castle, Pa., are looking after Dr. J. H. Murray's patients, during the latter's absence at Atlantic City.

An infant daughter of Mr. and Mrs. Chapman died of convulsions Tuesday night and was buried at Reynoldsville on Thursday.

Dr. George Holtzhauser, of Philadel-

phia, a graduate of the University of Breslau, Germany, is assisting Dr. Shires with his work in Soldier and Rathmel.

The end of Lent has come. Many of the Slavs, Poles, Hungarians and Italians celebrated Easter Monday, thus causing many of the mines to be idle for want of sufficient men to run them.

### Emerickville.

We understand Japan would like to get at Russia. The Guinea pig will better be quiet or the bear may slap her one.

We can soon begin to count off the days until the Fourth.

Fish poles will be the next to suffer. Rev. Armstrong has returned home from holding protracted meeting at Coolspring the last four weeks.

Thomas Hilliard, from the state of Maryland, moved to our village on the farm he purchased from E. Weiser.

Snow was fifteen inches deep and mud five last week in our streets, total 20 inches.

Our postmaster seems real proud of his new boarder, and he has a right to be.

Last week one day some were talking about summer, but the subject has again changed to mud.

O. F. Haines made a business trip to Brookville Saturday last. We fear his good nature was considerably dampened before he got back.

George Smith spent a few days with Emerickville friends last week.

E. Weiser has again suffered loss by fire, as he was a prominent stockholder in the Brookville Furniture Factory, which was destroyed by fire April 7.

The electric battery at the postoffice furnishes quite a lot of amusement for the "boys" during the evenings.

Stump machines are busy just at the present time; Grover Shoensley is chief engineer on the Emerick stump pulling job.

W. W. Fales is the busiest man in our town at present. It is a hard matter to tell what he is not doing.

What has become of Dr. Marty? Schools will close in Pine Creek April 12.

The Dean school closed yesterday.

The Sunday morning Endeavor prayer meeting was not very well attended, but they report a good meeting with the faithful few.

The Easter services in the M. E. church Sunday evening (Joseph's Garden) was a complete success. Those taking part deserve credit for their singing and recitations.

### A Raging, Roaring Flood

Washed down a telegraph line which Chas. C. Ellis, of Lisbon, Ia., had to repair. "Standing waist deep in icy water," he writes, "gave me a terrible cold and cough. It grew worse daily. Finally the best doctors in Oakland, Neb., Sioux City and Omaha said I had consumption and could not live. Then I began using Dr. King's New Discovery and was wholly cured by using six bottles." Positively guaranteed for coughs, colds and all throat and lung troubles by H. Alex Stoke. Price 50c.
