Liveryman's Experience.

Editor THE STAR:—With your permission I would like to give the experience which a Reynoldsville liveryman, who owns a farm several miles from town, had one day last week. He drove out to the farm and tied his horse on top of a hill along the Punxsutawney road. While he was showing the horse how to plant potatoes the horse broke one of the shafts. The liveryman got a boy to lead the horse down to the barn and said he would take the buggy down. A happy thought struck him, that as the automobile was about

to displace the horse, he might as well begin to practice now. He got into the buggy and with shafts in hand said: "Here goes the 'mobe,'" and started down hill at a break-neck speed. As the "mobe" flew along the highway the big liveryman soliloquized thusly: "I didn't think it would run so fast; wish somebody would head us off. Can't see the telephone poles; I'm running so fast the side of the hill looks like a green snake; don't believe they will know me when I pass the farm house; I'm afraid I will run into the woods." Just then the "mobe" sheared for the woods. After several somersaults the big liveryman found himself wound around a sapling, with the "mobe" on top of him. The "mobe" was all right but the liveryman didn't have any breath. His thoughts were about as follows: "Wonder if I will ever get my breath again; wonder who will find me; wonder what congressional district I am in; I believe I am beginning to breath again; believe if I was out from under the 'mobe' I would be all right." After freeing himself he started for the farm house, his appearance resembling a last year's bird's nest. He told his farmer he did not believe the roads were in condition for automobiles yet. A NEIGHBOR.

Letter to L. W. Huyck, Reynoldsville, Pa.
 Dear Sir: Paint is one of the things that Railroad Companies know all about. Do you know what "all about" means? It means, in paint, where to get it.
 We sell the paint for two-thirds of the cars and stations and bridges and everything else, that railroad men want to keep good-looking and sound, all over the country.
 A man who wants a gallon or two of paint knows nothing about it; buys whatever is handy, or gets some painter to "make" it.
 A Railroad Company asks its chemist, "Which is the best?"
 The cheapest thing to preserve or beautify anything with, is paint. So the who's world is painted; except, of course, the part of it owned by the poor slow folks.
 And the paint they use is people's intelligence-meter; or ignorance-meter; tells how much to how little they know.
 Lead and oil has had its day. Devce lead and zinc is the paint because it wears twice as long.
 Yours truly,
 F. W. DEVOR & CO.
 P. S.—H. Alex Stoke sells our paint in your section.

The Greatest Show on Earth

It is Millirens's Big Clothing Show in the tent above Baptist Church.

THE ADMITTANCE IS FREE.

Don't be crowded out. Push to the front. Don't let anything get between you and these Matchless Bargains.

AN UNEXPECTED SHIPMENT

Of fresh new goods arrived just after we started to move into this tent, and as we don't have the room for these goods, they must be swept out at once. The only way out of the difficulty is to sacrifice all thought of profit, so we've clipped the prices to a point that will result in a sale of the greatest magnitude ever known in the county.

It will not take many days to find buyers for values like the ones we have put on the counters and racks in this tent. If you want to profit as you never did before,

YOU MUST ACT AT ONCE.

So we say push to the front, come to this tent and you'll not find words strong enough to express your surprise and pleasure.

See our offerings in Clothing, Hats, Shoes and Furnishing Goods.

We allow no firm to undersell our prices on anything we handle or sell. That's the secret of the growing popularity of

Millirens's Mammoth Clothing Store.

Men's Spring and Summer Suits.

Men's Furnishings.

Watch for the Label--

IF IT HAS "MILLIRENS" ON THE LABEL--IT'S PERFECT.

Every garment of this spring and summer stock emphasizes the one fact—whether it be a suit or pair of separate trousers—our clothing is cut, sewed, designed and tailored in a way that gives thorough satisfaction for the least money.

Millirens label sewed on a garment emphatically means that we have stitched our guarantee to the buyer's attire and are ready to stand back of it.

Every suit is a marvel for the money any way you look at it. You'll find among these all the new weaves that are now the rage. There are French Flannels, Serges, Cheviots, Worsteds, Cassimeres, in fact, everything. 10 patterns of cloth to one that you will find elsewhere.

When men see this great stock in the tent they'll say, "this is the store for me." How can they say anything else? These same goods come in young men's at prices that will astonish you: \$4.00, 5.00, 6.00, 7.00, 8.00, 9.00, 10.00, 12.00, 14.00, \$16.00. We guarantee you that these suits cannot be matched in this nor any other town for the money. We do not ask you to take our word. Go around—investigation will tell the story. It will bring you back to the tent every time.

We challenge every Clothing Dealer and Department Store in this town.

We alone are the leaders in the clothing business. We buy for spot cash. You can readily understand why we are in position to do better by you than any other dealers in this town.

This department will be profitable to you. Not a production in the whole department that isn't worth almost double the price we're asking. The goods are of such splendid character that only a personal visit can demonstrate what really marvelous values they are at our prices. Shoppers will profit most if they act now, while the opportunity for selection is unequalled.
