Thirteen-year-old son of Gilbert Eye, of Fuller Station, died Sunday morning from scarlet fever and was buried near Eleanora Monday forenoon. Dawson, superintendent of the Enterprise Silk Co.'s mill at this place, will move into the McEntire house on corner of Fifth and Grant streets as soon as Mr. Stone moves out, which will be about the first of next month. Two Story Brick Addition. The Reynoldsville Woolen Co. is building a two-story brick addition to their already large plant on Jackson street. The new addition is for making hose, shirts, and pants. The latest improved machinery will be put in the new department. Father Donahue. Father Kuntz, of Erie, who was appointed as Father Brady's assistant when Father Driscoll was transferred to Oil City, has been returned to Erie to assist in the St. John's parish, and Father P. J. Donahue, of Smethport, is now here as Father Brady's assistant. Wm. Burge Appointed. Monday forenoon Judge John W. Reed appointed Wm. M. Burge as burgess of West Reynoldsville borough to fill the unexpired term of Roman E. Koehler, who resigned. The town council of West Reynoldsville presented a petition to Judge Reed requesting the appointment of Mr. Burge. Nail Through the Hand. H. F. Euser, who works at Hopkins mill during the day and assists his brother, W. C. Euser, in the Imperial restaurant at this place in the evenings, is now nursing a very sore hand. Mr. Euser was going down a pair of back stairs Saturday morning when he tripped and fell. He threw his left hand against a wire nail that was sticking out of the wall and the nail run through his hand, head first. Moved to East Brady. W. A. Smith, who resided in West Reynoldsville a few years, moved his family to East Brady the first of this week. The removal of the P. R. R. machine shop from this place to East Brady made it necessary for Mr. Smith to move to that place. Mr. and Mrs. Smith were highly esteemed by all who were personally acquainted with them and their numerous friends were sorry to see them move away. Our loss is East Brady's gain. Section Men's Trouble. We stated last week that the section men on the Low Grade Division of P. R. R., who had been out on a strike for higher wages, had been granted an increase of 12 cents per day and that they had returned to work. We were mistaken in our statement last week. They did get an increase of 12 cents per day, but their working hours were also increased from ten to eleven hours per day, and this gave them \$1.32 for eleven hours work. The men have been cut down again to ten hours and \$1.20 per day. Witness on Damage Suit. George Beck went to Smethport, McKean county, Monday to attend court as a witness in a \$10,000 damage suit. Third of last July Peter Setzer got on a B. & P. R.'y passenger train at DuBois to go to Rockton and some person shot off a jumbo fire cracker in the coach Setzer was riding in. A piece of the fire cracker hit him in the left eye, knocking the sight out of eye. Setzer sued the railroad company for \$10,000 damage. Mr. Beck was on the train when the accident occurred and the railroad company subpoenaed him. Dropped Dead. C. N. Lewis was at Frostburg, Pa., Saturday attending the funeral of his brother-in-law, Milton Depp, who died suddenly at noon Thursday. Mr. Depp had the grip in the winter and never fully recovered from it. He had been out driving Thursday and when returning home found some of his cattle had gotten into the lane and he exerted himself a little in getting the cattle back into field and then dropped dead. Mr. Depp was about 61 years old. He was a brother of Mr. Lewis' first wife, who died when Jennie Lewis was one week old, and Jennie made her home with her uncle ever after that. Collision on Main Street. About ten o'clock Saturday night two buggies collided near THE STAR office and the escape of the occupants from serious injury was miraculous. Two fellows were racing their horses down Main street and a man from Eleanora was driving up Main street at a reckless pace. The Eleanora man saw that a collision was sure to occur and he jumped out of the buggy on to his horse's back just as the buggies crashed together, but the driver in one of the other buggies was thrown about forty feet, and his horse ran down street without buggy and driver. The buggies were badly demolished. The third rig escaped without damage. Might Have Been Worse. A couple of months ago the wife of a suburban resident skipped out with another man. It was only the dread of being hung that kept the infuriated husband from murdering the man. He had a good opportunity to plunge a knife into the heart of the fellow who had robbed him of his wife's love, and it was while considering the deed that the horror of the gallows prevented him from murdering the man. Recently the wife returned and the husband was reconciled. Several days ago the same chap called to see the woman again and the husband happened to be at home. He gave the intruder a thumping that he will not soon forget.

FREDERICK BRENHOLTZ DEAD. Would have been Ninety Four Years Old Next July. Frederick Brenholtz, who was the oldest man in Beechwoods, died at the home of his son, George Brenholtz, near Allens Mills, at 1:00 a. m. Monday, May 20, 1901. Funeral was held Tuesday forenoon, conducted by Rev. J. E. Dean, Baptist minister who resides near this place, assisted by Rev. Crawford, of Allens Mills, and Rev. Wick, of Hazen, and the mortal remains of the patriarch were interred beside his wife in the Beechwoods cemetery. The funeral was very large, and one thing remarkable about it was the number of old people present. Frederick Brenholtz was born in Chester county, Pa., July 5, 1807, and would have been 94 years old had he lived until the 5th of next July. He had not been out of the house for seven years before he died. The deceased joined a Presbyterian church in Philadelphia in 1849, and when he moved to Beechwoods, in 1864, he joined the Gettysburg Baptist church by letter and remained a faithful member until the end. He is survived by two sons, George and Lewis Brenholtz, of Beechwoods, one daughter, Mrs. Thomas Owens, who resides near Rathmel, seven grandchildren and six great grandchildren. The gentleman was highly esteemed in the locality where he was well known. Rev. Reno at Johnsonburg. It was stated in THE STAR last Wednesday that Rev. Reno would preach in the M. E. church at Johnsonburg that evening, and from the Johnsonburg Breeze we clip the following: "Wednesday evening the congregation had the pleasure of listening to an able discourse by Rev. Perry A. Reno, pastor of the first M. E. church at Reynoldsville, and secretary of the Clarion District Twentieth Century Movement. Rev. Reno is a man of most pleasing address and at once attracted his listeners to close attention, while he delivered to them an address that was full of inspiration, clothed in the choicest language and delivered in the easy, conversational style which distinguishes all of his addresses. Rev. Reno is pastor of one of the finest congregations in the Erie Conference." Automobile on Our Streets. T. J. Stockdale, one of the proprietors of the Union Bargain store of DuBois, was in town Friday on his automobile. This was the first automobile that ever traveled our streets, and to those who had never seen an automobile it was quite a curiosity. Ye editor had the pleasure of a ride with Mr. Stockdale on the automobile. The steep hills do not effect the speed of the horseless carriage. While spinning through Preesterville a little fellow said: "Say mister, you lost your horse." One objection to automobiles on country roads is that the roads are narrow and the "auto" frightens horses. For this reason—and several others—we do not expect to buy an automobile soon. Mr. Stockdale's "auto" only cost \$750.00. At Gettysburg. The I. O. O. F. Grand Lodge and Rebekah Assembly are being held at Gettysburg this week. Frank W. Deemer is the representative from lodge No. 824, of Reynoldsville, and George W. Seclert is the representative from Hazeldell lodge No. 789, of Eleanora. Mrs. Thomas E. Evans is attending the Rebekah Assembly as a delegate from the Daughters of Rebekah lodge of this place. Mr. Deemer has been a member of the I. O. O. F. lodge over 25 years and this is the first time he has ever been a delegate to the Grand Lodge. Gone West. W. P. Calhoun and wife left here yesterday for Carville, Oklahoma, where Mrs. Calhoun has a brother living. Mr. Calhoun, who owns a good farm in Washington township, has had the western fever for several years, and he finally disposed of all his live stock and household goods and rented his farm and now they are on their way to Oklahoma. Miss Helen Hetrick, daughter of David Hetrick, of this place, started for Carville, Oklahoma, yesterday afternoon with Mr. and Mrs. W. P. Calhoun. Passed the Examination. J. Lindsay Beer, son of Mr. and Mrs. R. D. Beer, of West Reynoldsville, who recently graduated from the Western University, Department of Pharmacy, is now a registered pharmacist, having passed the examination before a recent meeting of the State Board. Lindsay holds a position in a drug store in Allegheny City. A second shipment of those famous 7c half hose received at Millirens that they are selling at 3c per pair. For portieres, lace curtains, curtain poles and window shades go to Shick & Wagner's. Bicycle sundries at Hoffman's. Two roomers wanted. Will have privilege of bath room. Inquire at this office. Easy shoes for hard worked feet at Robinson's. Mothers see the 25 and 50c values in knee pants at Millirens for only 13c.

Council Meeting. The town council of West Reynoldsville met in regular session May 14th, with A. B. Weed, president, in the chair, and the following members present: Samuel Sutter, J. N. Small, James Orr, Richard Miller and Henry Herpel. The street committee was instructed to take some action on having sidewalks repaired at once. The matter of nominating a burgess was taken up. William M. Burge was nominated, and as there were no other nominations a petition to the court was drafted, and signed by all present, requesting the appointment of Mr. Burge as burgess to fill the unexpired term of Roman E. Koehler, who resigned. Two mills water roads, two mills cash and one mill electric light tax will be levied for the ensuing year. Bills amounting to \$26.75 were ordered to be paid. Tax Collector G. W. Dempsey reported taxes collected since last meeting as follows: Borough \$3.24; work \$2.38; electric light \$3.24; water \$1.63. Treasurer W. L. Johnston reported amount on hand \$720.41. The bond of W. L. Johnston as borough treasurer for the year 1901, amount \$1,200, signed by W. L. Johnston, A. O'Donnell and E. L. Johnston, was read and accepted. Memorial Day. The Grand Army Post of Reynoldsville will observe Memorial day, and all old soldiers are invited to take part in the observance of the day. All the old soldiers, whether members of the Post at this place or not, are requested to meet in the G. A. R. hall at 10:00 a. m. next Sunday, May 26th, to attend services in the Baptist church at 11:00 a. m. Rev. A. J. Meek, Ph. D., pastor of the church, will preach the memorial sermon. The Sons of Veterans and members of the W. R. C. are requested to meet at hall and march to church with the Post. On Decoration Day, Thursday, May 30th, the G. A. R. Post, S. of V. and W. R. C. will meet at hall at 9:00 a. m. to get ready to march to Reynoldsville cemetery. All old soldiers are invited to take part in these exercises. Procession will start for cemetery at 10:00 a. m. Full particulars about the line of march will be published next week. This will be the first Decoration day ever observed in Reynoldsville that the exercises were not held in Beulah cemetery, but this year the old soldiers will march to the Reynoldsville cemetery to conduct the memorial exercises. Ask Frank McConnell About It. Persons who intend going to the Pan-American Exposition and want to engage rooms at low rates, can do so by calling on F. A. McConnell in this place and getting an assignment card of Visitors' Accommodation Bureau of Buffalo. Rooms and boarding at the rate of about \$2.00 per day can be secured by applying to Mr. McConnell. School Directors' Association. The seventeenth semi-annual convention of the Jefferson County Directors' Association will be held in Falls Creek, Tuesday, June 11, 1901. Complete program next week. J. C. SMITH, Pres. WILL H. TYSON, Sec. C. W. Park's Big Stock Company is filling a week's engagement at this place under tent on vacant lot near opera house. To-night the company plays "Two Orphans," Thursday night "East Lynn," Friday night "Dr. Jeykell and Mr. Hyde" and Saturday night "Sapho." E. E. Stewart, the Reynoldsville granite dealer, set three nice family monuments in Syphrit cemetery this week, at the graves of Noah Strouse, Jacob Strouse and Joseph Syphrit and wife. These, with one he set for the Bollinger family last fall, adds much to the appearance of the cemetery. About 45 members of the Reynoldsville P. O. S. of A. lodge visited the DuBois lodge Monday evening and had a pleasant time. They were given an excellent banquet. They speak in the highest terms of the treatment received from the P. O. S. of A. members in DuBois. Mr. and Mrs. W. G. Brenholtz, of Deansville, Armstrong county, who were called to Beechwoods to attend the funeral of the former's grandfather, Frederick Brenholtz, were in town yesterday afternoon. Rev. Harry G. Teagarden, of Frostburg, who preaches at Eleanora, is at West Point, Miss., attending the Grand Assembly of the Cumberland Presbyterian church. Inspect the 50c, 75c and \$1.00 money saving values at Millirens clothing show for 25c.

FOUND BY A DREAM. The Body of Waldick Neiman Found in Sandy Lick Creek. Seven months ago Waldick Neiman, four-year-old son of William Neiman, who resides at the mines near Falls Creek, disappeared from his home and it was thought that the boy had been drowned. A large number of neighbors joined in the search along the creek and through the country for the missing boy, but they failed to find any trace of him. The boy's parents could not speak English, and for this reason the neighbors thought there was a possibility that the lad would eventually be found alive, but the father insisted from the first that the boy had been drowned and every idle day he had during the seven months he searched the creek for the body of his son. It is claimed that during that time that Mr. Neiman made at least a dozen trips down one side of the Sandy Lick creek to this place and up the other side to Falls Creek. Last Wednesday the father found his boy. The Falls Creek Herald says that the father found the boy through a dream. We clip the following from the Herald: "The father had dreams at night, and in his visions saw clearly the accident as it must have happened to the unfortunate boy, and in his dreams the location of where the body was to be found was clear. Day after day the father followed the directions of his dreams and as often as he went he was doomed to disappointment. The little child was a tender flower in the garden of the family and was much beloved by the parents, so during the whole seven months of the time since the little one disappeared the father has never lost hope but that the body would eventually be found. "On Wednesday of this week his dream was verified, for he went to the place designated and there, partly hidden by a projection from the bank, he found the decomposed body of his loved one. Although prepared by seven months searching and waiting for such a scene Mr. Neiman's strong heart grew weak as a little child's again." Park Stock Co. The Park Stock Company opened a week's engagement Monday night to a crowded house, and judging from the hearty applause bestowed upon the performance, the people were well pleased. Mr. Park returns here with a much stronger company than he had last season. Mr. Park, with his characteristic enterprise, has secured the services of the following well known artists: Blanche Hazleton, Dorothy Wolbert, Janie Kellam, Emma Warren, Joseph Henley, Louis J. Russell, Ferdinand Gatersburg, James Park, James Garside, Mike Kennedy, Lee J. Kellam, J. C. Bertram, Mike Kennedy. They will give a Saturday matinee for ladies and children. The price will only be 10 cents to all parts of the house and "Peek's Bad Boy" will be the play. On Saturday night they will produce the great play, "Sapho." Mr. Park has the original manuscript of the play and he will give an elaborate production of it. Every detail will be looked after and the ladies will display handsome gowns. As the royalty is \$50.00 per night for the play, the prices will be slightly advanced to 25 and 35 cents, and all that will attend will be well paid for their trouble. Prohibition Convention. The Jefferson county Prohibitionists met in the old M. E. church building in Punxsutawney, May 20, 1901, at 2:00 p. m. with a large number of delegates present. The convention was promptly called to order and S. Shaffer was elected chairman, J. C. Sprinkle and R. L. Miles secretaries. Delegates to the State Convention were then elected. Candidates for the county to be voted for next election were placed in nomination as follows: County Surveyor, Vine R. Pratt, of Reynoldsville; County Coroner, A. L. Hoy, of Falls Creek. Prof. H. D. Patton made an appeal for state funds, which was liberally responded to. County reorganization was then taken up, which resulted as follows: Chairman of county committee, S. Shaffer, of Reynoldsville; secretary, Robert L. Miles, of Reynoldsville. A resolution was adopted to place an organizer into the county at once. Convention then adjourned. A mass meeting held in the evening was addressed by Prof. H. D. Patton and others. S. SHAFER, Chairman. Father Kuntz Robbed. Father Kuntz, who was Father Brady's assistant at this place a few weeks, was tied, gagged and robbed at Erie Sunday night. The robbers entered his room while he was sleeping and tied him before he could resist. They secured his gold watch and some money. Left Arm Broken. Willie Crissman, young son of Widow Crissman of Fourth street, had his left arm broken Monday afternoon while playing with other boys, he was pushed off an embankment. See the men's suits from \$2.25 up at Millirens in the tent. Eyes examined and glasses fitted at C. F. Hoffman's. Millirens have everything in hats but the gail to ask you two prices.
