The Missionary society of the Presbyterian church will hold a market on Saturday afternoon, June 15th, in gas office. Come and bring your friends with you. W. S. Dalton, of New York City, a labor leader, spoke to a large crowd on the street in front of Hotel Imperial last night. His subject was "The New Trade Union." Eder, of Dutch Hill, Pa., spent Sunday with Edward Lewis in this place. On Monday morning these two gentlemen went over into Clearfield county—Mosquito creek—trout fishing. Mrs. Luella Fessler and daughters, Freda and Eva, Misses Agnes Taylor and Kate McMann, all of Centerville, Pa., are the guests of J. M. Davis and family at the Burns House, in this place. Rev. A. J. Meek, Ph. D., and R. L. Miles went to Marion, Clearfield county, yesterday to attend the meeting of the Clearfield Baptist Association. They will return the latter part of this week. About twelve o'clock Monday night Milton Schlabig's buggy was destroyed by fire. The supposition is that somebody poured oil over the buggy, which was standing on Railroad street, and set fire to it. On account of the other work that must be done on Tuesday it is impossible for us to reset "ads" that are handed in Tuesday morning. E. L. The millage laid by our school board last week is six mills higher than it was last year, which was 7 mills for school and 5 mills for bonds, making a total of 12 mills. This year it is 8 mills for school, 5 mills for bonds and 5 mills for building, making a total of 18 mills. The increase is the result of the burning of the school house last February. On account of the Fifth International Convention of the Epworth League, to be held in San Francisco July 18 to 23, the Pennsylvania Railroad Company will sell, July 4 to 12, from all stations on its line, excursion tickets to San Francisco at greatly reduced rates. George Brenholtz, of the Beechwoods, has lately been suffering from cancer of the throat and it was thought that an operation would be necessary before the disease could be cured. Accordingly he left for Buffalo one day last week to have the throat operated upon at the Pierce Medical Institution, but he returned without the operation having been performed. When he arrived the physicians at the institute said that the disease could not be cured. Mr. Brenholtz is a man of about fifty years of age and with his family has lived in the Beechwoods for a great many years. Children's Day Exercises. Children's Day was observed in the M. E. church Sunday with a special program both morning and evening. The morning program was given by the little scholars of the school and the evening program by older scholars. The church was nicely decorated for the occasion. The congregations were large, the church being packed at both services. The exercises were good. Pan-American Exposition. All the readers of THE STAR know that the editor visited the Pan-American Exposition last week and will, no doubt, expect to see an article in THE STAR this week about the big show, but on account of getting home late in the week and a rush of other work, we decided not to write up the Pan-American until next week. We will say now that the Exposition is good and no one that can afford to go should miss it. Moves to Town This Month. William Bennett, the new superintendent of the Star Glass Company plant at this place, who will take charge of the plant July 1st, was in town Monday, accompanied by his wife, looking for a house to move into. Mr. Mitchell has been running a shop in a back room in Centennial building and Mr. Flynn has been running a shop in room near Hotel McConnell. The forming of this partnership makes one tailor shop less in town. New Brick Parsonage. It was stated in THE STAR several weeks ago that the Presbyterian congregation in this place had decided to build a new parsonage for their pastor, Rev. W. Frank Reber. The work will be started soon. The old parsonage has been sold to James K. Johnston, who will have it moved across Grant street on to vacant lot opposite parsonage lot. Men are at work now moving the building. The new manse will be cased-brick and will be modern throughout. West Reynoldsville School Board. The West Reynoldsville school board has re-organized with P. A. Mrs. Maggie Moore was the other new member of the board. Died Monday. Solomon Hoch, who has been ticket and freight agent at Maysville ever since the Low Grade railroad was built, about 30 years, died at his home at Maysville Monday evening from a cancer on his neck. Mr. Hoch was in his seventieth year. On account of being agent at Maysville so many years, he was well known in this section. He was an honorable and upright gentleman and his friends are many. I. M. Hoch, of West Reynoldsville, is a son of the deceased. A wife, two daughters and one son survive Solomon Hoch. Quiet Wedding To-day. At 10:00 a. m. to-day Miss Milley Stiles, one of West Reynoldsville's finest young ladies, and William Lott, of Troutville, will be married at the residence of the bride's parents, Mr. and Mrs. M. H. Mr. and Mrs. Lott will leave on the 11:32 a. m. train to-day on a wedding trip to the Pan-American Exposition and Niagara Falls. We are not personally acquainted with Mr. Lott and cannot say much about him, but we do know that he has secured an excellent lady as a wife. THE STAR joins with their numerous friends in wishing Mr. and Mrs. Lott an abundance of joy and happiness in life's journey.

ATTEMPTED MURDER. Domico Correlli Shot Angelo Colosmo at Soldier Monday Evening. Domico Correlli and Angelo Colosmo, two Italians who work at Big Soldier mine, were playing cards and drinking beer in a house at Soldier Monday evening when a little trouble arose between them and Correlli drew a 38-caliber revolver and fired three shots at Colosmo. One shot entered Colosmo's abdomen and the other two shots struck him in the groin. It was reported at first that Colosmo was instantly killed, but this report was false. The man was removed to the Adrian Hospital yesterday forenoon. An operation was performed on him in the afternoon and at 8.00 a. m. to-day Colosmo was living, with good prospect for recovery. Correlli, the Ike who did the shooting, has not been apprehended yet. Township School Board Re-organized. The Winslow township school board re-organized June 3rd. The retiring members of the board were Benjamin Haugh and Dr. B. F. Shires. The new members of the board are John Watson and George Roberts. The new officers are: John Daugherty, president; W. A. London, Secretary; Amos Goss, treasurer. By referring to the financial statement which is published elsewhere in this issue of THE STAR, it will be seen that the resources in excess of liabilities are \$1,013.56. Last year the liabilities exceeded the resources. On account of the excess of liabilities the board reduced the millage this year. Last year it was 12 mills, 8 mills for school and 4 mills for building. This year it is 7 mills for school and 3 mills for building making 10 mills. At DuBois Sunday. In speaking of the exercises in commemoration of the DuBois Baptist congregation's return to its church Sunday, the DuBois Express says: "The most largely attended exercises of the day were held in the evening. The sermon was preached by the Rev. Dr. Meek of Reynoldsville and was pronounced by many as one of the finest addresses ever delivered before a DuBois assemblage. The musical numbers were exceptionally good, Messrs. Lowe and Hogue rendering solos and assisting in the general service of song and praise. The contributions during the day and evening were very generous and the Baptist congregation has reason to feel greatly encouraged." County Treasurer Coming. County Treasurer Gil C. Reitz, who is making his round through the county to receive county, bond, poor, state and dog taxes, will be in Reynoldsville next week. You will save ten per cent by paying the county treasurer. BIG BLAZE AT SOLDIER. Two Stores, Town Hall, Pool Room and Three Dwellings Burned. Soldier, a mining town near this place, was visited with a seven thousand dollar fire yesterday morning about five o'clock. Peter Yanuty, who conducted a green grocery in the Bee Hive building at this place several years ago, was the heaviest loser. His loss amounts to about \$5,000.00, with something like \$2,500.00 insurance. The origin of the fire is unknown. It started in the store and when discovered by Mr. Yanuty himself, who lived over the store, the fire had gained such headway that he had difficulty in getting his wife and children out of the building alive. Besides the loss of the three buildings, including the town hall, his store goods, household goods and barn, Mr. Yanuty lost \$500.00 in cash, which he expected to deposit in a Reynoldsville bank yesterday. One dog and about seventy-five chickens were cremated. Mr. Yanuty saved his horses by cutting the ropes with which they were tied and letting them run loose. The Peter Yanuty brass band practiced in the hall that was burned and most all the horns were destroyed, as they were always left in the hall. A large building owned by John Volinski, a Polisher, was also burned. Volinski had a pool room and small store on first floor and lived on second floor. He was able to save most all his goods and furniture. Transactions in Real Estate. Joseph H. Ake to Harriet E. Reed, for land in Winslow township. \$200; April 29, 1901.
