A Fine Exhibition.

Lowery Bros.' Olympia shows gave an afternoon and evening performance in Towanda Tuesday and Wednesday. They were greeted by large crowds who expressed their approval of a first-class entertainment. Nearly all the performers are artists in their lines, doing marvelous feats, which together with an able accompaniment of clowns, jolly jesters and a magnificent band kept the audience in a hilarious mood from start to finish. The trained dogs was a pleasing feature, and Prof. McDade's successful balloon ascension and parachute drop were witnessed by great crowds of people. Everything was just as advertised and the performance equal to that of 25 and 50c shows. The tent would have to be enlarged if Lowery Bros. come to Towanda next year. Will exhibit at Reynoldsville two days, June 29th and July 1st.

Seven Years in Bed.

"Will wonders ever cease?" inquire the friends of Mrs. L. Pease, of Lawrence, Kan. They knew she had been unable to leave her bed in seven years on account of kidney and liver trouble, nervous prostration and general debility but, "Three bottles of Electric Bitters enabled me to walk," she writes, "and in three months I felt like a new person." Women suffering from Headache, Backache, Nervousness, Sleeplessness, Melancholy, Fainting and Dizzy Spells will find it a priceless blessing. Try it. Satisfaction is guaranteed. Only 50c, at H. Alex Stoke's drug store.

Years ago it was assumed that there was a certain amount of trade in a community, and that the share which any establishment could get must depend chiefly on its location. Now it is known that not only will advertising enlarge the share of any establishment, but it will also increase the total volume of business. That trade can be created by advertising has been shown many times.—Philadelphia Record.

Frequent Performances.

The performance of the Bostock enterprises at the Pan-American Exposition, which consists of the great Zoological Arena, Chiquita, the Golden Charlots, Esau, the Man-Ape and others, are the most popular on the Esplanade, for the reason that they are almost constantly open and the prices of admission and reserved seats are moderate. At the Arena and other shows performances are given at 11 a. m. and 2, 4, 7, and 9 p. m. The general admission is, adults 25 cents; children 15 cents; Balcony, adults 35 cents; children 25 cents. Box seats, \$1 and children 50 cents. A ride on the Golden Charlots is only 10 cents, and the same admission is charged to the receptions of Chiquita and Esau. All the Bostock exhibitions are honestly advertised and honorably conducted.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Israel Snyder,
Reynoldsville, Pa.

Dear Sir: Perhaps you are going to paint your house, and don't believe in Devco. We'll make you an offer:

Paint half your house lead and oil; the other half Devco lead and zinc.

In three years the lead and oil half will be hungry for paint; the Devco half will turn water as well as when new.

If not, our agent will stand by this. If you have any fault to find with this paint, either now in the painting or hereafter in the wear, tell your dealer about it.

"We authorize him to do what is right at our expense."
Devco lead and zinc holds color better than lead; turns water twice as long.

Yours truly,

F. W. DEVCO & CO.
P. S.—H. Alex Stoke sells our paint in your section.

Wanted it Mentioned.

"I wish," said a young lady of Falls Creek, as she entered the Herald office, "that you would say in your paper this week, that my father is building a handsome and commodious new porch to his property on Blank street. It is a large affair and has a strong and reliable hammock swinging across it. The hammock has been tested and is guaranteed to carry two, and the porch faces the east so that it is nice and cool just as the sun goes down. You editors are always preaching up the merits of advertising, so I thought I would give it a trial." With this the lady adjusted her nose glasses and left the sanctum sanctorum.—Falls Creek Herald.
