The Elk Picnic.

Held in Cox's Orchard at Sandy Valley Thursday of last week.

A BASE BALL GAME.
A SHOWER OF RAIN
A Dance and Other Attractions Made the Day Interesting to the large Crowd.

The first annual basket picnic of the Reynoldsville B. P. O. E. was held in W. T. Cox's orchard on Thursday of last week, August 8th. It was a delightful success. There were between 300 and 400 persons present and had it not been for the rain in afternoon the attendance would have been much larger before supper time. The liverymen got out their tallahas, wagonettes and carriages and conveyed the picnicers to and from the grounds for the small sum of ten cents per head. The Elks hired the Star orchestra to enliven the picnic with sweet strains of music, and also furnished free ice cream, coffee and lemonade.

The most amusing part of the picnic was the game of base ball between the married and single Elks. Five innings were played and the score was 11-2 in favor of the married chaps. Base ball skill was not rampant on the grounds during the game, but there was a "peck of fun" in it for the onlookers. Frank

A VALUABLE TRACT OF TIMBER LAND.

Hon. A. C. Hopkins Owns Immense Pine Forests in Oregon.

Three years ago the Express printed an article in which the statement was made that Hon. A. C. Hopkins, of this city, is the largest individual owner of white pine and sugar pine lumber in the United States, if not in the world. Mr. Hopkins at that time had just received from the Pacific coast a California pine plank two inches wide and 16 feet long, without a flaw in any kind, which had been sawed from a log cut on his immense timber tract.

Mr. Hopkins, as was stated at that time, owns 40,000 acres of timber land in Oregon, stamptage on which is estimated at 1,500,000,000 feet of white and sugar pine and 500,000,000 feet of fir. Mr. J. G. Pierce and Hon. Henry Lindley of Oregon, who are now in this city, are thoroughly familiar with the country in which Mr. Hopkins' timber tract is situated. Mr. Lindley owns a large tract adjoining the land of Mr. Hopkins. Mr. Hopkins was fortunate in securing this land a number of years ago as the scarcity of pine in the east will compel dealers within the next few years to obtain their supply from the Pacific coast forests.—Lock Haven Express.

It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beseche's German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price, 75 cts. RESULT OF TEST OF WATER PRESSURE.

With a Full Tank there is Plenty of Force to Throw the Water.

It was stated in our issue of August 7th that the pressure of the water line in this borough would be tested that afternoon. The test was made and it shows that we have an excellent water system for fire protection if too large nozzles are not used. The test was made on the hydrants at the public school building, Jefferson Supply Co. store and Young's planing mill. Following is the pressure at each point with different size nozzles:

School building hydrant, normal,	65 pounds
1 1/2 inch nozzle attached to hydrant,	50 "

THE NEWS OF NEARBY TOWNS.

Reported by The Star's Special Correspondents.

Sykesville.
Mrs. Cole, of Punxsutawney, visited her parents, Mr. and Mrs. J. B. Sykes, in this place Thursday.
Rev. J. W. McCracken, of Bucknell University, was the guest of Mr. and Mrs. J. L. Long last Friday.

We are sorry to learn that Rev. J. H. Palmer has resigned as pastor of the Baptist church of Sykesville.
Some people thought the picnic was a dry affair, others were inclined to think otherwise. It rained about all afternoon.

They must have some very important cases on hand at Jefferson county court this week as four or five of our citizens were drawn for jurors.

The spirituality of our town seems to be ebbing very low, as one of our good sisters was reading God's word the other evening in one of our churches the band was playing at the door of the church to call the crowd together to have a social and a good time in the church selling ice cream, etc. "My house is a house of prayer, saith the Lord."

Rathmel.
James Snedden had business in Glen Richey last week.

Miss Moore, of Grunshaw, is visiting at H. B. Wyse's here.

J. W. Smith went to Fullers station to work the first of this week.

Mrs. William Lytle and children, of Elk Co., are visiting relatives here.

Mrs. Geo. Charlton and children, of Pittston, Pa., are visiting relatives here this week.

Rev. Montgomery preached an interesting sermon Sunday evening. His theme was "The Value of the Church in a Community."

Hornstown.
A. E. Calhoun, of Brockwayville, had business in this place Friday.

Miss Katie Hetrick, of Reynoldsville, visited friends in this place over Sunday.

Mrs. Schugars and C. A. Schugars visited relatives at Emerickville Thursday.

O. G. Schugars, the leading farmer of Hornstown, finished cutting oats Friday.

Quite a number of the young people of Hornstown attended the party at Frank Smith's Saturday evening.

Astounded the Editor.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and, after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, loss of appetite, stomach and liver troubles it's a positive, guaranteed cure. Only 50c. at H. Alex Stoke's.
