McKINLEY MEMORIAL SERVICES

Large Crowd in Attendance-Presbyterian Church Beautifully Decorated-Eulogy Fine.

Eulogy Fine.

In response to President Roosevelt's proclamation, the citizens of Reynoldsville observed Thursday, the day our martyred president was buried, in a befitting manner. The hum of industry was silenced, the stores were closed and a Sabbath quiet rested upon our town and the people walked the streets with solemn faces. A union memorial service was held in the Presbyterian church an 3.00 p. m., but an hour before the time set for the service people began gathering for the service people began gathering at the church and when the service beat the church and when the service be-gan the church was crowded and people were standing in the vestibules. The church was beautifully decorated with flags and flowers, and on the altar was a picture of President McKinley draped with flags and crepe. The entire ser-vice was very impressive and the large audience. audience was extremely attentive. Programs with three hymns on were given to each one present, and all who could sing joined heartily in singing these bymns. The order of service was as follows:
"Asleep in Jesus," Male Quartette;

"Asieep in Jesus," Male Quartette; President's proclamation, read by Rev. W. Frank Reber; "My Country 'tis of Thee," audience; first scripture lesson and invocation, Rev. A. J. Meek, Ph. D.; "My Jesus as Thou Wilt," audience; responsive reading, Rev. Reber; prayer, Rev. Perry A. Reno; "Lead Kindly Light," Male Quartet; address, Hon. George R. Dixon, of Ridgway; "Nearer, My God, to Thee," audience; benediction, Rev. Reber; funeral march, Miss Isabel Arnold. Isabel Arnold.

Mr. Dixon's address was masterly, and his eulogy of our martyred President, William McKinley, was beautiful. The audience was highly pleased with the address. This sad blow obliterated all address. This sad blow obliterated all political and religious lines in this nation and people of all parties and creeds joined in manifesting grief at the death of William McKinley. All classes of people attended the services in Presbyterian church, including Italians and other foreigness. foreigners.

The Grand Army, Sons of Veterans and P. O. S. of A. attended the service in a body.

"Where The Laugh Comes In."

In commenting on "Where the Laugh Comes In," which, appears at the opera house in this place Monday, Sept. 30, the Pittsburg Times of Sept. 10, says: "There was a big audience last inght at the Empire theater in the East End, and the people laughed until they cried. The bill was a farce comedy called "Where the Laugh Comes In," but the house did not recognize it as a "gone over" edition of "Little Puck," in which Frank Daniels once made a hit. It stuck pretty closely to the story of "Vice Versa," as written by F. An-stey. The company worked with a will, and within 15 minutes of the rise of the curtain the members of the audience were holding their sides, and by the end of the first act their cheeks were aching from laughter. Charles H. Philaching from laughter. Charles H. Philips, as "Dr. Brown," with a whistle in his speech, caught the fancy of the gallery from his first appearance, and kept them in a roar. W. F. Bryant and Tom Ripley, as the father and son who change places, did clever farcical work. Paul Bordman, a typical comedy dude, also got a share of the applause, and sang several songs very well. Hettie Bernard Chase, a girl who might have stepped out of "The Amazons," provided a background for the comedians and ed a background for the comedians and Vida Keane was a funny German maid. The second act was funnier than the first, and the whole thing was a merry entertainment from start to finish."
