Has a Large Contract.

George Sharpe, one of our citizens who is temporarily living at a lumber camp near Munderf, Pa., where he has a large contract of putting in logs for Cook & Graham, of Brockville, was in town several days last week, accompanied by his betterhalf. From April, 1900, to March, 1901, Mr. Sharpe put in thirteen million feet for Cook & Graham. Last month the output from his camp was one million feet of logs and 602 cords of bark. Lame Apology.

The "Columbia" foot ball team of DuBois met the "Indians" of Reynoldsville on the gridiron at this place last Friday afternoon and were badly defeated. The DuBois papers played the baby act by pouting and refusing even to mention the fact that a team from that town played here, they ignored it entirely. Had the "Columbia" team won the game there would have been at least a half column write-up in one of the three papers. The game passed off nicely and the visitors were used like gentlemen, hence there was nothing for the papers to kick about and they mentioned the game not at all. Yesterday one of the papers, because the edltor's attention had been called to the omission by some Revnoldsville people. offered a very lame excuse for not mentioning the game. This same paper would have found space for glaring head lines and a half column write-up had the victory been to the other team.

Visited Memorial Home.

A dozen members of the Women's Relief Corps of Reynoldsville, No. 75, visited the Memorial Home at Brookville last Friday. The ladies carried well filled baskets with them and ate dinner at the Home. The Reynoldsville Corps keeps a room furnished at the Home and while at Brookville Friday they bought a nice rocking chair for the room. Following is a list of the ladies who visited the home from this place Friday: Mrs. Edith Phillipi, Mrs. P. Foley, Mrs. Ab. Reynolds, Mrs. J. W. Foust, Mrs. G. Curtis Strouse, Mrs. James Catheart, Mrs. William H. Lucas, Mrs. J. D. Woodring, Mrs. Solomon Shaffer, Mrs. E. L. Evans, Mrs. Samuel Baily, Mrs. Gordon Clark. There are 32 inmates at the Home and they seem to be happy and well contented.

Small Fire Friday. A small fire in the parlor of J. Van Reed's residence last Friday about 1:00 p. m. cause I considerable excitement for a few minutes and brought the hose company out in quick order, but the fire was extinguished without the aid of the fire lads. There is a grate in the parlor but it was closed up with boards and in the dining room is a double heater stove, the pipe of which runs into the same chimney that the grate connects with. A fire had been kindled in the stove and some paper burned and the supposition is that some of the burning paper fell down chimney to grate and set fire to papers and other stuff in grate. When discovered there was quite a blaze coming out around the mantle. A few buckets of water put out the fire, but not until a small amount of damage had been done.

Farm Sold.

William Dougherty, one of the honrable, industrious and successful farmers of Paradise settlement, has sold his farm to David Wheeler of this place. By a notice elsewhere in this issue it will be seen that Mr. Dougherty will sell his stock and farm implements at public sale Oct. 22. Mr. Dougherty has not decided yet whether to buy another farm or embark in some other business. He has always been a hard worker and will hardly be satisfied to sit down and fold his hands the remainder of his days. His friends and neighbors would be sorry to see him move away from Paradise. He is a gentleman that any community would be glad to welcon citizen

An Afflicted Family John H. Ewing's four children have had diphtheria. On Sunday DeVere, who is about 24 years old, was so ill that it was thought he could not live through the day and the doctors decided that intubation, silver tube in throat, was all that would save the boy's life and the operation was performed. Yesterday the doctors had hopes of the boy's recovery. Last Friday Grace, who is about five years old and who is just recovering from diphtheria, accidently ran against her mother, who had a bucket of hot water in her hand, and Grace's right shoulder and side was badly scalded.

Team Ranaway.

A team of horses from A. M. Woodward's livery stable created a little excitement Thursday evening by a wild run up Main street. George Geisler was driving the horses and in making a turn near P. R. R. station the front wheel was turned too far under wagon, upsetting it and frightening the horses and they started to run. The wagon collided with a telephone pole near Stauffer's grocery store, and there the wagon stopped but the horses ran up the street.

A double tragedy occurred at DuBois Monday night as a result of domestic troubles. John Bennett murdered his wife and then committed suicide. Bennett and his wife separated a week ago after quareling and Bennett disappeared, returning Monday. From DuBois Courier of yesterday morning we clip the following:

"Bennett went to J. W. King's, where his wife was staying, and called her out about 10 o'clock last night, which was the second visit he had made to her since noon. She stepped out into the front yard and a few moments later the inmates of the house heard two shots fired in rapid succession. They ran out and found both lying on the ground, each with a bullet hole in forehead, and a 32-calibre revolver lying smoking beside the body of Ben-

Our Team Defeated the DuBois Team so Badly That DuBon Papers Didn't Mention the Game.

The foot ball season opened at this place last Friday afternoon between the "I-" " of this place and the "Columbia" team of DuBois. To say that the Indians scalped the pale face from Du-Bois puts it mildly. They not only took their scalps to the tune of 17, but didn't even allow them in sight of their wig-

As sixty seconds was about the exact time DuBois had the ball in their possession, the battle was a one-sided affair. DuBois kicked off to Indians' 10 yd. line where O'Hare fumbled, but caught by Gibson, who with good Interference made a brilliant run of 95 yds. for a touch down. Gibson then kicked goal. Score 6-0.

In the next kick off Fred Bohren got the ball for a 15 yd. run. Gibson and Frank Bohren were then each given the ball for short gains. A line plunge failed to gain and Bohren took a spurt around right end for 10 yds. The line was then tried without gains and the ball was given to I uBois who, not being well acquainted with it, fumbled and the leather was again in possession of the Indians.

On a pretty double pass Gibson carried the pigskin around right end for a touchdown, punted out to Williams for a fair eatch. A nice goal was kicked. Score, 12-0. O'Hara got the next kick off for a 15 yd. gain. On a right end play another good gain was made. Copping was sent through the line for yds. Bohren then got around right again for two short gains. On good opening by Foley and Schultze, Copping again went through the line for good gain.

On next play Indians fumbled, but egained by Gibson with no advance. Bohren was then put around right for yds, as the half ended with ball well in DuBois territory. Score, 12-0.

On the second half the Indians kicked off, nice catch by DuBois but thrown without gain. They then tried the line but were put back for a loss of 5 yds. which they were unable to make up and Indians secured the ball. Gibson and Bohren were then each sent around the ends several times for gains. Bohren secured the ball and with fine interference sprinted around the end for a touchdown. Gibson tried but failed for goal. Score, 17-0.

Gibson took the next kick off for 15 yds. Bohren failed to gain. Gibson again got around for 5 yds. A succession of end plays only brought short gains when Copping was tried through line but also failed to gain much. Gibson then went through tackle for short gains. The line was again bucked for 2 yds. Bohren was hurt and Fred Foley substituted. Burns was then given the ball and with good interference made a nice run of 5 yds. around the end. Copping then made a tremendous plunge through center for 5 yds. On the next play ball was fumbled but gained by Williams. End plays only giving short gains. Copping was sent through the ine in a succession of awful plunges and

good gain. Indians fumbled in next play and 10 yds lost, and the game ended with ball near center of field. Following is the line up of the teams:
