And the Paper Proves It.

You have only to see Pittsburg Wall Paper to realize that the leading artists of the world conceived and executed these beautiful and decorative ideas. No other line of wall decorations have the uniform excellence of design and color effects. Every pattern is a beautiful work of art. Yet not too fine nor delicate for practical use. No matter what the quality, the same amount of judicious artistic sense has been exercised. The desired effect has always been attained—beauty and utility. "Walking on Stilts."
The first lecture of the M. E. lecture course will be delivered on Friday evening of next week, November 15th, 1901, in Assembly Hall, by Dr. Archelaus E. Turner, president of the Waynesburg College. His subject will be "Walking on Stilts." The *Echo* of Cumberland, Ohio, says: "President A. E. Turner, of Waynesburg College, lectured to a large audience at the C. P. church Monday evening. He is a man of commanding presence, a student, scholar and gentleman of high order. His subject, 'Walking on Stilts,' was admirably handled. All who heard him were delighted with his effort and those who failed to attend missed a rare treat. President Turner won his way to the hearts of our people as few men can, and should be found it convenient to visit us again, will be greeted by a packed house." This lecture alone will be worth the price charged for the four lectures—50 cents. Persons wanting tickets for the four lectures can secure same from E. M. Brown or C. N. Lewis or at Stoke's drug store.

Spirit of Improvement.
Notary Public Albert Reynolds and Mayor Camden Mitchell occupy the same office, two doors west of opera house, where they have been doing business thirty years at least, and during that time the office floor was never scrubbed. The dirt accumulated until it finally became necessary to scrub the floor or cover the dirt with a new floor, and Mr. Reynolds, who owns the office, decided to do the latter. He had the partition moved back three feet, enlarging the office that much. There is a possibility that Mr. Reynolds will have the smoke-begrimed interior of the office painted a bright color. This is positive evidence that the spirit of improvement is abroad in our town, and that our people need not be surprised at any improvement that may be made in the next year.

VERY QUIET ELECTION.

Half the Voters in this Borough Did not Vote Yesterday.
It is doubtful if ever there was an election held in this borough that there was as little interest manifested as there was in the election yesterday. Half the voters did not go to the polls. At the fall election there were 520 votes polled in the borough and yesterday the entire vote was 257. Harris, Republican, was 8 votes ahead of Coray, Democrat, in the borough. The election boards here had a snap yesterday. Elsewhere in this issue will be found the vote polled in this borough, West Reynoldsville and Winslow township.
The proposed amendment to the constitution received the majority vote in this section.
Harry B. Wilson, Republican, was elected president judge of Clarion Co.
As we go to press the county returns are not all in, but the returns will show a light vote in the county.
The DuBois *Courier* said this morning that the result in the state is "too close for shouting."

Dr. William H. Reynolds, one of the old residents of this vicinity, who resided at Prescottville a number of years, died at the Adrian Hospital Monday night. Diabetes was the cause of his death. The Masonic lodge of this place, of which the deceased was a member, will have charge of the funeral this afternoon. The body will arrive in Reynoldsville on the 1.20 p. m. train over the B. Losing a Good Citizen.
A. B. Weed, who has been chief train dispatcher on the Low Grade Division for a number of years, is to be transferred to the dispatchers' office in Pittsburg. He is out on the River Division this week learning the road and next week will begin work as train dispatcher in Pittsburg office. Inside of six months, when a new telegraph line is completed, all Low Grade trains will be run from the Pittsburg office, the dispatchers office at this place will be abandoned and T. C. McEntire, one of the present dispatchers here, will also be transferred to Pittsburg office. It is probable that two operators, I. M. Hoch and G. G. Williams, will be retained in Reynoldsville office. Mr. Weed has resided in West Reynoldsville nineteen years and has become one of the substantial and active citizens of that borough. He is now president of the town council of West Reynoldsville. Mr. and Mrs. Weed are highly respected citizens of this community and their numerous friends will be sorry to see them move away, however, they will be glad to know that this is a promotion for Mr. Weed.
