Spreads Like Wildfire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50 cents. Sold by H. Alex. Stoke, druggist.

This Week we Start a Grand Sale in our New Room.

With new goods, in fact everything new. Our aim has been, and we have succeeded, in making this store the most satisfactory place to deal in Reynoldsville and surrounding community. Our store is the largest and the stock the best for the least money.

The cold weather will make you think about warm garments to wear. The next thought is, Where is the right place to go and buy what you need at the right price?

MILLIRENS have demonstrated that their goods possess character, style and fit, and always at the lowest prices. Our stock this fall surpasses all former displays. We have four times more room than we ever had, the stock is larger and better than ever, the counters and shelving are fairly groaning under this mammoth stock. We give unbounded opportunity for economy to the man or woman who would dress well and keep within the bounds of a moderate price. Now we don't claim to have a patent on selling merchandise but we do claim that no permanent success can be built on a shoddy foundation and as each of the eleven years of our mercantile history has gone on record with bigger sales than the preceding year, our goods must have been right and the garments we show this season are the best yet and while we advanced the stock and qualities, we have at the same time decreased our prices.

Men's Business Dress Suits.

What your eyes see, that is the best evidence.

We challenge every clothing dealer and department store in this town. We alone are the leaders in the clothing business. We buy for spot cash, watch every turn in the market and buy and sell thousands of dollars worth every year. You can readily understand why we are in a position to do better by you than any other dealer. We don't ask you to take our word. GO AROUND! Investigation will tell the story. It will bring you back to this store every time.

Among these suits you'll find all the new weaves that are now the rage. There are French flannels, serges, chevots, worsteds, cassimeres—everything. 100 different patterns of cloth to one that you will find elsewhere. When men see this great stock towering up from a whole room full of tables and racks, they'll say Millirens is the store for them. How can they say anything else? We have made wonderful sales but none to compare with this one. The prices on these suits we guarantee can't be matched and they are as follows: \$5.00, \$6.00, \$7.00, \$8.00, \$9.00, \$10.00 and up to \$18.00. Come in, see for yourself.

Winter Overcoat Buyers.

You will have a selection here which represents widest choice of the best winter styles and fabrics. This season the correct overcoat is of two kinds: the medium and long length. We've kept this requirement in view when the coats were bought and have them both in ox-fords, tans and browns, though blacks and blues are popular with many. We have them all. They are all extremely handsome. Some silk-lined with satin sleeve lining at \$10.00—that's simply a hint. The general range is from \$5.00 to \$18.00. Every overcoat is a marvel for the money any way you look at it. The Union label is sewed in each garment.

A big line of Boys' Double Breasted

Knee Pants Suits

Fall Attire for Women and Girls.

An opening display. It's a collection of the distinctly new things. It will be approved by every woman who visits the department—whether they come as sightseers or buyers. The dashing winter modes in suits, skirts and jackets are superior to those shown generally about town. Come and see for yourself. Polite sales-people are here to exhibit the garments. There will be no urging to buy. No woman can afford to miss this great display.

Winter Jackets.

For women or misses, in Eaton box front effects. Made of broadcloths in heavy weights, lined with silk throughout, trimmed or plain, \$5.00, \$7.00, \$9.50, \$10.50, \$15.00 and \$17.00. The choice is broad and the values matchless. Call and see them.

Now remember the place--The Big Building with the Stone Front.

We sell everything to dress Men, Women and Children out from the sole of their feet to the crown of their head. We want every person within a radius of 12 miles to come in and see this new building and mammoth stock at exceedingly low prices. A few of the ladies have been in and seen a portion of the ladies' goods and gave us high comments on the stock and tell us that our prices are lower than they ever saw.
