

LADIES, Call and see the assortment of handsome China and general line of Holiday goods on exhibition at C. F. HOFFMAN'S.

And the Paper Proves It.

You have only to see Pittsburgh Wall Paper to realize that the leading artists of the world conceived and executed these beautiful and decorative ideas. No other line of wall decorations have the uniform excellence of design and color effects. Every pattern is a beautiful work of art. Yet not too fine nor delicate for practical use. No matter what the quality, the same amount of judicious artistic sense has been exercised. The desired effect has always been attained—beauty and utility. Pittsburgh Wall Papers are sold in Reynoldsville only by H. ALEX STOKES.

Coasting on Sidewalk. Notwithstanding the fact that there is a borough ordinance declaring it unlawful for any person to coast or skate upon any sidewalks within the limits of this borough, the boys and girls do coast on the sidewalks, and they do not confine that sport to the back streets of the town, but compel pedestrians along some parts of Main street to get out of their way as they coast down the sidewalk. Coasting is fine sport and we like to see the boys and girls have a good time, but coasting on sidewalks is not only dangerous so far as coasting is concerned but it makes the sidewalks slippery for pedestrians. While the Doctor Eat Oysters His Friends Thought Him Murdered. Dr. J. W. Foust's family experienced two hours of intense anxiety and worry last Saturday evening which they will not soon forget. Doctor was called to Big Soldier to see a patient and he hired a horse and buggy at E. C. Burns' livery stable to make the trip. When Doctor returned from Big Soldier he drove to barn and hearing the hostler coming out of barn, he walked away and when door was opened the horse stepped into barn and the hostler, not seeing Doctor walk away, reported to Mr. Burns, about 9.00 p. m., that the horse had come to barn alone and that the bridle was partly off of horse's head. Mr. Burns thought it strange and a telephone message was sent to Big Soldier to inquire when Doctor had left there. The answer was, 'an hour ago.' Mr. Burns drove to Doctor's residence, but he was not at home. The family became very much excited over the matter, as they thought that surely something serious had happened to him. Ex-Sheriff Burns and Dr. John H. Murray started for Big Soldier in search of the missing man and three Italians, with lantern, started towards Reynoldsville looking for him. The searching parties met near Mix farm, but they had failed to get any trace of Doctor. Dr. Murray and Mr. Burns returned to Reynoldsville and were getting ready to organize a large searching party when some one went into the Elk rooms and found Dr. Foust enjoying a dish of oysters. Miners' Convention. Edward L. Moore, president, and George W. Moore, secretary and treasurer, have issued the following notice to local unions of sub-district No. 5, of the United Mine Workers of America: A convention of the district will be held in DuBois at the American-Swedish hall, Thursday, December 12, beginning at 9:00 o'clock in the morning, for the purpose of electing a board of officers for the ensuing term as follows: One president, one vice president, one secretary-treasurer, and an executive board of four members. Basis of representation will be one vote for each 50 members or fractional part thereof. No delegate to have more than five votes. In accordance with a resolution passed at DuBois, Oct. 2, 1900, the names of candidates for office must be in the hands of the secretary-treasurer 30 days prior to date of convention. In addition to the election of officers, business of importance concerning the sub-district will be transacted. Found Dead in Bed. Infant of Mr. and Mrs. L. S. Marshall, of near Rathmel, died sometime Friday night. The baby was apparently well when the parents retired and Saturday morning the baby was found dead in bed. Funeral Sunday afternoon. REOPENING OF ASSEMBLY HALL. Large Crowd in Attendance—Flag Presented to School by W. R. C. The re-opening exercises of the public school Assembly hall last Thursday evening was attended by a large audience. The hall was packed and some people were compelled to return home because they could not get seats. Some of the secret societies, P. O. S. of A., G. A. R., S. of V., Improved Order of Red Men and B. P. O. E. attended the exercises. All the speakers who were advertised, excepting Dr. W. H. Crawford, president of Allegheny College, were present, and the exercises passed off nicely and were interesting. The first on program was an overture by the public school orchestra, which is a first-class musical organization, and the music rendered during the evening was excellent. Invocation by Rev. A. J. Meek, Ph. D., pastor of the Baptist church, Prof. R. B. Teltrick, of Brookville, county superintendent of public schools, was the first speaker. His address contained good thought. Dr. J. W. Foust, on behalf of the school board, of which he is an active member, made a statement of the expense of re-building the school house, which amounts to \$30,000. Doctor gave the people a statement of how the money was expended and some of the difficulties and obstacles the school board had to contend with in getting the building ready for occupancy as soon as they did. After another overture by orchestra, Dr. Isaac C. Ketter, president of Grove City College, was introduced by Prof. Lenkerd, and for about 40 minutes Doctor gave the attentive audience a plain and forcible informal address. Next on program was a selection by orchestra and then Mrs. J. D. Woodring, on behalf of the John C. Conser Woman's Relief Corps of Reynoldsville, presented the public school with a large and fine flag. The presentation speech was fine. It was neat and to the point. The response was made by Rev. W. Frank Reber, pastor of the Presbyterian church, and it is hardly necessary to add that the response was creditable and well delivered. The exercises closed with orchestra playing 'The Star Spangled Banner.' Our people were happily surprised when they entered Assembly hall Thursday evening. It is well arranged and is a delightful room for entertainments. Assembly hall of to-day surpasses, by far, Assembly hall before the fire. It is certainly a credit to our town. As we gave a write-up of the new Assembly hall in a recent issue, we will not go into details at this time. Shorthand, Penmanship, Etc. Richard Hughes, who has had years of experience as an instructor in shorthand, book-keeping, penmanship, etc., will start a class in Reynoldsville if he can get pupils enough to justify him to take up the work. Several persons have already requested Mr. Hughes to give them lessons, and if there are any others desiring to take up this line of study and will make the fact known to Mr. Hughes it is probable he will start a class. If he starts a class in shorthand, book-keeping and penmanship he will employ an assistant typewriter and will give instructions on typewriter without additional charges. That part would be free. We believe Mr. Hughes can get up a large class. The tuition will be very reasonable. Mr. Hughes was an instructor in the West Sunbury Academy a few years. Persons wanting to take lessons should hand their names to him immediately, as the starting of class will depend entirely on the number of pupils. French Flannels and Broadcloths. 5,000 yards short lengths in French flannels and broadcloths at prices that any merchant would gladly pay for at wholesale. 54 inch broadcloth 2 1/2 to 5 yd lengths worth wholesale 75 to 87c. our price for this sale 69c. yd.
