

How He Talked.
Rubinstein, after a concert tour in Spain, was asked: "Do you understand Spanish?"
"No," he said.
"Then you had to converse with the Spaniards in French, I suppose?"
"Not every Spaniard speaks French."
"Then how in the world did you talk to them?"
"With the piano," said Rubinstein, with a smile.

The Actor and His Salary.
"What salary are you getting, old boy?"
"You have a brutal and discourteous way of putting it. I will tell you the salary I am promised, but wild horses can't drag from me the amount I am getting."—Cleveland Plain Dealer.

Too Much.
"And I," she said in a burst of confidence, "have faults like you, George."
"In that case, Miss Gaggins," he broke in, with a startled look, "I think we had better call the engagement off."
—Philadelphia Ledger.

The Bill All Right.
"My dear sir, it strikes me that this is a pretty round bill."
"Yes, I have sent it around often enough to make it appear so, and now I hope to get it squared."—Baltimore Jewish Comment.

The Musical Gift Should be Cultivated.

The talented member of the family should be encouraged. A Piano or Organ as a Christmas present will bring joy to the recipient and lasting pleasure to the giver. The cost of one or other of these instruments is not great.

These are our prices: \$65, \$75, \$85, \$100, \$110, \$125.

By our easy payment plan the cost is distributed over a long period.

Not what you pay for Coffee, but what Coffee pays you.

There are two values to every article,—what it costs and what it's worth.
Cork costs 8 cents a pound, but if you are drowning half a mile from shore, its value would be "not what you pay for cork but what cork pays you."
You are not drowning, but you are using up strength and vitality in your daily work. You are getting back that strength and vitality in part from your morning cup of coffee.
It makes little difference what you pay for it; the important question is "What does it pay you?" You can see the strength you have, but you can't see the increased strength you would get if you drank

CHASE & SANBORN'S "High Grade" COFFEE.

This is a fact! You can easily test its truth. It will cost you one pound of coffee—that's all!

For sale only by W. H. Moore, Reynoldsville, Pa.
