

Great Sale of Muslin Underwear, Sheets and Pillow Cases, White goods, Embroideries and Linens.

THIS has become THE BIG STORE'S greatest event of the year. We have looked forward with the greatest preparation for some months to this event. Selling of imported and domestic Summer Cottons right at the threshold of winter may seem a little strange and yet it is one of the features of this store and has added very largely in making THE BIG STORE what it is. Upon investigation you will find it just as sensible as it may seem strange at first sight.

A year ago we entered upon this unprecedented plan and it proved to be a great success in its infancy. By the enthusiasm already manifested on the part of many of our patrons we are convinced that you will recall with pleasure the first White Goods and Muslin Underwear display in the middle of winter. This year we have made unusual preparation and have added the lines of Sheets and Pillow Cases, Embroideries and Linens. With all reserve and respect for truth, we can promise you a display beginning

Tuesday, Jan. 7, 1902

that is far beyond anything that we have ever attempted. Let us urge upon you to see our display before the different lines are broken in size and price. We are not responsible for the disappointments which always result after some good sizes are sold out.

Mr. Vashinder is a hard worker, has devoted much of his time to farming and lumbering, yet he has had considerable experience along other lines, which qualifies him for the office he is now after.

Newton Webster, one of the present efficient county commissioners and a candidate for re-election, was in Reynoldsville last week looking after his interests. The Brookville Republican, in speaking of his candidacy says: "Mr. Webster has been a strong candidate at past elections and has had the necessary experience to thoroughly qualify him for the performance of the duties of the office. His record is before the people and it has been of such a character that Mr. Webster has no hesitancy in announcing his candidacy for re-election."

John H. Null, of Sykesville, who is now serving as constable of Winslow township and also as game warden, having been appointed to latter office some months ago, has decided to be a candidate for the Republican nomination for sheriff, and is now looking after his political fences. Mr. Null has made a good constable and game warden, and is somewhat of a terror to evil doers. Some of those who have violated the law may think Mr. Null too officious, but there are many others who think he is the right kind of a man for the position he now holds, as he seems to be fearless and impartial in arresting people within his bailiwick for fracturing the laws. Mr. Null would fill the office of sheriff of Jefferson county in a very creditable manner if he is nominated and elected.
