Shick & Wagner,

—THE BIG STORE.—

Perhaps you have noticed that we don't say bargains all the time and still

THE BIG STORE KEEPS GROWING

In the confidence of everyone who has occasion to visit it.

The mere telling how big the store is, etc., etc., etc., wouldn't be interesting. The people come here to look and to buy and our printed announcements are devoted to telling the news as it is found here, and it is always as honest and truthful as the store and its contents. It is not a matter of how cheap goods can be bought, as the day of trash is past, but the question: "How good merchandise can be bought for the price."

We feel that this is an appropriate time to submit to you our plan of merchandising for the season which is opening so encouragingly. This is of as great concern to you as to us because our interests are yours. Without your help, your suggestions, your influence, your encouragement, and your confidence we could not hope to succeed.

OUR PLAN IS:

To Do a Straightforward Business

Making a bid for popular patronage needs no diplomacy, finesse or sharpness. Plain, clean, honest methods are what the public demands. These methods you will find in force here at all times. We attribute our success in a great measure to their practice. We are here to serve you faithfully: want this store to be pointed out and spoken of as the place where all may come and feel that they are being dealt with in absolute fairness. We want to repeat with emphasis that anything you get here that does not have the wearing qualities, or does not give satisfaction, or has not the right style, or in any way is not what you got it for, DO NOT KEEP IT.—Return it to us. What more can we do? We want to deal with you fairly and want you to feel that for every dollar you spend here you get its full value.

NEXT DOOR TO POSTOFFICE. REYNOLDSVILLE.
