# TROLLY LINE NEEDED.

Every Property Holder in Reynoldsville Should be Interested in This Matter. There has already been considerable said in THE STAR about a trolly line to

connect Reynoldsville, Rathmel, Sold" ler, Sykesville, Eleanora and Wishaw, and perhaps our readers think the subject should be dropped, but we don't think so. This is a matter of too much mportance for the future of the town to be dropped. A trolly line to the above named places would be of more the lowlands along the Sandy Lick benefit to the town than two or three large industries would be, and a trolly line would likely be the means of in-

place. The extension of the trolley line from Punxsutawney to Eleanora 14 sure to cut off a large trade from Reynoldsville. No one can gainsay that fact, Therefore a trolley line is a necessity. It would not only be the means of keeping our present trade, but it would be sure to increase the trade of the town. and besides that we believe a trolley line to the towns mentioned above

would be a paying investment. There is no doubt but that we have business men-or rather men in business-in town who cannot see that a trolley line would be of any benefit to the town, especially if they were asked to take a

little stock in it, but a careful consideration of the matter cannot help but convince the most skeptical that Revnoldsville should be active in getting the

trolley line. Will you do your part? County Pays Part.

Jefferson county will pay \$1,050.00 to-

wards the expense of putting the iron bridge across the railroad cut near the silk mill and Winslow township is to pay the balance. The court ordered street crossing. the public road opened and the bridge had to be built. As it was quite an ex-

pensive bridge for Winslow township to build, an effort was made in 1900 to have the county build the bridge, but the grand jury, before whom the matter was presented, evidently did not consider it a county bridge and refused the proposition for the county to build it, but the county has decided to pay the above amount. The bridge glone without the stone work, will cost \$1,950. The bridge was shipped here last August and as soon as the weather will permit the abutments will be furnished. about three days work on them yet, and then the bridge will be put up.

# Kaffir Boy Choir.

J. H. Balmer and his Kaffir Boy Choir, representing four tribes, with Miss Elsie Clark, the eloquent Auglo-Afrikander, gave one of their unique and delightful entertainments in Assembly hall last Friday evening. This was their second appearance in Reynoldsville, but that did not make the entertainment any the less enjoyable, as the program, with one or two exceptions, was entirely different from what it was the first time. It was certainly a very clever entertainment and the numerous hearty encores was evidence that the audience was delighted with it. The

African boys themselves seemed to enjoy the entertainment.

Over One Hundred Visitors Present-Twenty-Four Lodges Represented.

Saturday evening was a special occaion in the I. O. O. F. lodge at this place. One hundred and twenty-five Odd Fellows from neighboring towns visited the Reynoldsville lodge that night. A special train was run down from DuBois over the B., R. & P. Ry to accommodate the DuBois and Fall Creek Odd Fellows, returning after the banquet. The DuBois degree staff con ferred the initiatory degree on one new member. After lodge the visitors and members of Reynoldsville lodge, numbering over two hundred altogether repaired to Bell's hall where the Daugh ters of Rebekah had prepared a feast of good things to eat. After the banquet some time was spent in listening to songs, recitations and stories. There was not a visitor present, and there were 24 different lodges represented who could beat Richard Miller, of the Reynoldsville lodge, in "spinning a yarn."

It was a very pleasant gathering for the Odd Fellows and everything passed off very nicely.

# THOS. M'KERNAN KILLED ON R. R.

Body was Brought to Reynoldsville Friday Evening-Large Funeral Saturday.

Last Thursday Joseph McKernan, of West Reynoldsville, baggagemaster at P. R. R. station, received a telegram bearing the sad news that his son, Thomas McKernan, of Duquesne, Pa., 1 conductor on the Monongahela Division of P. R. R., known among railroad men as the P. V. & C., was killed Wedness day night, February 26, 1902, while at work. Mr. McKernan and daughter, Miss Annie, went to Duquesne Thursday evening and brought the body to Reynoldsville Friday evening, accom panied by the young widow and a num ber of friends. Funeral services were get out of their homes and find lodging beld in the Catholic church at 10:30 a m. Saturday. High Mass was said by inches of vater on first floor of Ross Rev. P. J. Donahue and after Mass Rev. Donahue delivered a very fine ser mon. The funeral was largely attended, as the deceased was held in high esteem by the people of Reynoldsville who had known him a number of years. A large number of railroad men, members of B. of R. T., attended the funeral in a body. The interment was made in Catholi cemetery. The floral tributes were very fine. One piece represented a "Broken Wheel," emblem of Brother-

hood of Railroad Trainmen. This was given by B. of R. T. No. 518, of Duquesno. Another pretty piece was a cross, which was given by the employses of the P. V. & C.

Thomas McKernan was a fine young man, without any bad habits, and he had a kind disposition, consequently he won the admiration and love of all the railroad men who became acquainted with him, and his untimely demise wa quite a shock to his host of friends

Thomas had charge of a night crew and was doing some shifting in the yard at Thompson, near Duquesne, when the accident occurred. It is not known just how he happened to fall under the train. He only spoke one or two words

after the accident and then expired. His watch stopped at 10:04, the time the accident occurred. Thomas F. McKernan was born a East Brady, Pa., Nov. 17, 1876, making him 25 years, 3 months and 9 days old at time of death. He went to Duquesne about five years ago and accepted : position on the Monongahela Division of P. R R. November 20, 1901, he was married to Miss Kate Brady, of Frostburg, Md. He had expected to bring his wife to Reynoldsville during holi-

days and spend a week with his parents. whom he had not visited since November, 1900, but having lost so much time during the switchmen's strike, he postponed the home coming until spring. He carried \$1,750.00 life insurance \$1,250.00 in the B. of R. T. and \$500.00 in the Relief Fund. This amount will be paid to his widow.

Thomas McKernan was a kind and loving son and his parents are almost heart broken over his sad ending. They have the sympathy of their many friends.

The following out of town people at tended the funeral: Thomas Brady, father-in-law of the deceased. Daniel J.
