This is the sassafras season, when the small boy bieth himself forth with mattock and gunny sack and diggeth up the medical root and selleth it at 5 cents per bunch. Lo, man cometh into the world without his connivance and departeth hence without his consent. His afflictions are many, and to escape them he drinketh sassafras tea in the spring time, for verily it cleanseth his blood and maketh him to rise up at the voice of the bird, buoyant with vigorous life. What ginseng is to the Chinaman, sassafras is to the American. Drink copiously and live!—Punxsutawney Spirit.

With the approach of Spring and the showing tendency of what the people want, the manufacturer has been enabled to decide upon the matter of production. Styles have been decided upon and it is no longer

SHOWING OF COMPLETE SPRING LINE OF 1902.

a question of what is going to be worn. We are prepared to show you all the latest productions and all the artistic productions of merit of the season. Never before have we shown our goods with as much confidence in their merits as is true this season.

As a matter of news, SILK and LINEN is very strong. These Linen effects in the various patterns—in the embroidered effect, in the Satin Stripe and Polka Dot—are very artistic and are proving themselves a winner.

Satin Foulards are also very strong this season.

We can only say for the Wash Goods that this season is by far surpassing anything ever known before. The wide range of patterns in different effects does much credit to the skill of the manufacturer.

In Skirtings and Suitings

IN SKIRTINGS and SUITINGS Reynoldsville Woolen Mills have attained

a degree of popularity in the large trade centers equalled by few manufacturers in America. They are able to supply only a very small part of the demand in New York City for their product. We can place our recommendation and guarantee on Reynoldsville Woolen Mills' productions without hesitation or fear of dissatisfaction arising.

We have to offer this week a special number of LADIES' WHITE APRONS AT 25 CENTS. These are on sale and will go at this price as long as they last. We will not be able to duplicate them at this price. Secure your aprons, if in need of any, while the opportunity lasts.

We receive this week a shipment of "WOOLTEX" GARMENTS, including Suits, Jackets and Skirts. Secure your Easter garments early.
