YOUR STOMACH.

Ca Our Guarantee and Get Well.

If It Ever Gives You Trouble, Try Vinol
Do you ever have any trouble with your digestion? Does your head ache? Do you feel dizzy? Do you realize the fact that what you eat does not nourish you as it should?

It is this, stop for your own sake and consider the danger you are in. It will only take a few minutes of your time to consider what we have to say. Buy a bottle of VINOL, and see if it does not do you good. If you find that we have overstated our belief and after a fair trial you find Vinol is not all we claim let us know and we will refund you what you have paid for the medicine. Here is a letter on this subject:

"I had severe distress in my stomach, dizziness, then a numb feeling all over. Finally I was sick in bed. Then I tried VINOL. I have now taken three bottles and I am again around the house attending to my duties. Mrs. C. F. LEWIS, 95 Pool St., Biddford, Me."

VINOL accomplishes the good that it does by acting directly on the digestive organs and by enabling the stomach to obtain for itself the necessary elements that are required to build up the body.

High School Bulletin.

EDITORIAL STAFF.
Editor-in-chief, Katie Kerr;
Assistant Editor, Christine Brown;
Text Assistant Editor, Alice Salter;
Local Editor, Ethelwyn Winslow.

The High school proposes having a social in the near future.

One of the most striking features in society last Friday was the "Lido Pictures" exhibited on the stage. There were portrayed the dark and bright sides of life, with grand acuteness, and the longest and shortest life, which were very impressive.

The Senior and Junior classes will begin their elocution work for commencement on April 21.

The six upper rooms were entertained for half an hour last Thursday afternoon by Prof. Wm. Most.

The officers elected for the ensuing month are: President, Ira Bowers; Secretary, Anna Klair; Program Committee, Fred Smith, Kate Kerr, Cora Shaffer; Critic, Verdi Dougherty.

Would Smash the Club

If members of the "Hay Fever Association" would use Dr. King's New Discovery for Consumption, the club would go to pieces for it always cures this malady,—and Asthma, the kind that baffles the doctors—it wholly drives from the system. Thousands of once-hopeless sufferers from Consumption, Pneumonia, Bronchitis owe their lives and health to it. It conquers Grip, saves little ones from Croup and Whooping Cough and it is positively guaranteed for all Throat and Lung troubles, 50c, \$1.00. Trial bottles free at H. Alex Stoke's.

It Pays to be Faithful.

Ridgway young men have a foretold illustration this week right in their own town of the fact that it pays to live an exemplary life and attend faithfully to the duties of what-ever place fate may decree us. Less than nine years ago a tall, lank and awkward looking growing lad entered the Eik County national bank as office boy. He was bright and quick to learn, but he was faithful and trustworthy, and he kept good company. He "said nothing, but saved wood." The bank examiner discovered the lad one day and kept his eyes on him; every time he came back to Ridgway he observed the lad's development. Since the first of the present year a vacancy occurred in the position of teller in one of the oldest banks in one of the best county seat towns in the State. The bank examiner was asked to recommend a capable and trustworthy young man for the place. He recommended the Ridgway young man, and he got the job at a handsome increase over his former salary, and the young man is only 25 years old. It paid him to be faithful and well behaved, and it will pay others.—Ridgway Advocate.
