### Letter List.

List of unclaimed letters remaining in the postoffice at Reynoldsville, Pa., week ending March 29, 1902:

Jule Shibley, Mrs. Marie Gertz, Boston Hartzell, Miss Alma Mae Toffon.

Say advertised and give date of list when calling for above.

A. M. WOODWARD, P. M.

The engineer corps that made the first survey for the B. & P. R'y between DuBois and Sykesville must have tried to get it as crooked as possible. The company straightened the road between those two points a year or two ago and the abandoned roadbed shows how crooked the road was when first built.

A glance at the Hotel Belnap restaurant bill of fare is evidence that you can get plenty to eat.

AL. F. HARRIS.

Al. F. Harris, the subject of this sketch, son of George Harris, of Reynoldsville, needs few eulogies upon his work as an entertainer, having appeared before and pleased Reynoldsville audiences on several occasions. At the Reynolds opera house on Thursday and Friday evenings of this week he will, however, be seen in an entirely new role, that of a young German in his own play, "Our German Friend." Mr. Harris has spent a good deal of time in writing this play, and in fact gave up the best engagement he ever held to get home so that he could finish his play. He already has several offers from managers who want to purchase it—some wanting to give it the initial production, but Mr. Harris preferred doing this himself and has picked an able cast to support him in the play. Al will also be seen in one of his strongest specialties, his Dutch singing, talking and dancing act. He made an immense hit in this act throughout the west for the able manner in which he handles the dialect.

"Our German Friend" will be given for the benefit of the Protected Home Circle of Reynoldsville. The sale of tickets is already quite large. This will probably be Al's last appearance in

Reynoldsville for at least three years, as he has engagements that far ahead. There is no doubt but that large audiences will greet Mr. Harris and his play both evenings this week.

### A Doctor's Bad Plight

"Two years ago, as a result of a severe cold, I lost my voice," writes Dr. M. L. Scarborough, of Hebron, Ohio, "then began an obstinate cough. Every remedy known to me as a practicing physician for 35 years, failed, and I daily grew worse. Being urged to try Dr. King's New Discovery for Consumption, Coughs and Colds, I found quick relief, and for last ten days have felt better than for two years." Positively guaranteed for Throat and Lung troubles by H. Alex Stoke. 50c and \$1.00. Trial bottles free.

### The Great Dismal Swamp.

Of Virginia is a breeding ground of Malaria germs. So is low, wet or marshy ground everywhere. These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Electric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O., "but never found anything as good as Electric Bitters." Try them. Only 50c. H. Alex Stoke, guarantee satisfaction.

Small is the sum that is required to patronize a home newspaper, and most amply remunerated is the patron. It matters not how humble and unpretending the paper may be which he reads, it is next to impossible to fill any newspaper for a year without putting something in worth the subscription price. A newspaper is a history of current events, as well as a curious and interesting miscellany which young persons, especially, will peruse with delight when they will read nothing else.—Ex.
