The miners in the employ of R. & P. and J. & C. C. & I. Company at mass meetings beld at Punxsutawney and Sykesville yesterday decided to come out on a strike because L. W. Robinson. general manager of the above companies, has not signed the scale adopted by the miners' convention held at Altoona recently. Mr. Robinson had notices posted at the various mines to the effect that the same wages would e paid the miners as was paid last year, "with conditions remaining the same as has been in force during the last scale year," but he has not signed the scale. The reason he gives for not signing scale is that the conditions are not the same all over the district. Pushing cars out of rooms, especially at Eleanora, is one of the conditions of last year that the men object to. As the breach is not wide between the men and the company, it is to be hoped that

the differences will be amicably adjusted soon. The strike throws six thousand men out of employment.

Arden Weed Died Monday.

Arden Eugene Weed, only son of Mr. and Mrs. M. E. Weed, who was born in West Reynoldsville April 16, 1892, and yould have been ten years old the 16th of the present month, died March 31, 1902, at 8.30 p. m. from heart failure. Arden had been sick eleven days. He first had chicken pox, then measles, then pneumonia. Pneumonia had broken on him, but his heart could not stand the long strain and it ceased to perform its work. The boy was conscious until the last moments. At noon Monday he asked his mother to read to him and she read the 23rd Psalm, which he was familiar with and quoted it as she read. Arden was a bright lad and was well advanced in studies for a boy of ten years. He could play a plano nicely and was a good singer. His death is a hard blow for his parents. He was the only child and that home will be a sad and lonely one for many months. Mr. and Mrs. Weed have the sympathy of their many friends in this their time of

profound sorrow. Funeral services will be held at residence of parents at 2.30 p. m. to-day, conducted by Rev. W. F. Reber, pastor of Presbyterian church, of which both parents are members, and interment will be made in Reynoldsville cemetery. And thus ends the short earthly career of one who had good prospects of becoming a bright and useful man.

Florence Eva Dinger, only child of Mr. and Mrs. Charles M. Dinger, of Reynoldsville, departed this life at 11.50 a. m. Friday, March 28, 1902, after twelve days' illuess. Florence had diphtheria first and measles followed. She was a very patient little sufferer, and struggled bravely to live. Funeral services were held at the home of parents at 2.00 p. m. Sunday, conducted by Rev. W. Frank Reber, pastor Reynoldsville Presbyterian church, and the body was taken to Emerickville and buried in the Lutheran cemetery, Notwithstanding the inclement weather, a large crowd of Emerickville friends were at the cemetery when the funeral procession arrived there. Rev. Henry Armstrong conducted a short service in the cemetery.

Florence was born at Emerickville Fohruary 4, 1894, making her 8 years, one month and 25 days old at time of death. She was a bright child, had a sweet disposition and acted more like a girl of fifteen than one so young. Every person that become acquainted with the little tot loved her. On account of sickness and other reasons this was the first school term of any advantage to her and she learned rapidly. She was in room No. 4, Miss Mary Patton teacher. She was faithful and prompt in her attendance at public school and Sunday school, being a member of Presbyterian Sunday school, Miss Lois Robinson teacher. Florence was fond of drawing pictures and writing, and a number of little sketches of her handiwork are now highly prized by the bereaved parents. Mr. and Mrs. Dinger have the sympathy of many friends in this

Elsewhere in this issue of THE STAR will be found a call for a joint meeting of the Board of Trade and the Merchants' Association of Reynoldsville to make arrangements for the reception of one hundred merchants of Buffalo, who are making a tour of Western Pennsylvania and will be here April 10th. Every person interested in the welfare of Reynoldsville should attend this meeting. Don't let the matter rest on the shoulders of a few. Besides making arrangements for the reception of the visitors, this would be an opportune time for our people to get together and see if some steps cannot be taken this spring to advance the prosperity of Reynoldsville along industrial lines. Every person should be interested in the future of the town, especially should all property holders be interested. If the meeting is largely attended, and it should be, it would be a good time to take some action towards building the much talked of electric railroad.

Nathan George's Body Found.

The 10th of last December Nathan eorge, an old bachelor who had been vorking for John Ernest in McCalmont township, went to Punxsutawney, and although his friends made inquiry, they never heard of him afterwards until his decomposed body was found near John Zimmerman's, in McCalmont township, on Tuesday of last week. Two men were driving along the public road when one of them saw a man's feet sticking up over a log, near a laural bush only a few feet away from public road. They stopped to investigate and a horrible sight they saw when they looked over the log. The body was terribly decomposed. One side of face

had been eaten off by some animal and both eyes had been eaten out. The body was unrecognizable, but a pass book with Nathan George's name in it told the story of his disappearance. The supposition is that Nathan had started towards home, sat down on the log to rest, was overcome by cold, fell off log backward and was frozen to death. the drifting snow covering his body.
