

To Bicycle Riders

We wish to say that we have a full stock of tires and everything needed for the wheel, and that we are in shape to do all kinds of repairing. If your "bike" is out of repair, bring it in, we will put it in shape for the summer's riding. Bring your umbrellas, guns, locks and all kinds of light repairing. You can have it done right at Hoffman's Repair Dept. C. F. HOFFMAN, The Jeweler.

House Cleaning Time

House cleaning time means wall papering time, and both are here. This is the season of the year when the house can be renovated, cleaned and brightened, to the best advantage and with the best results. Spring decorative ideas are always the prettiest and this year's surpass those of any previous periods. The most decorative line of artistic and practical wall papers is to be found at STOKES' DRUG STORE. He handles the famous Pittsburg paper, and handles it exclusively. No other store in this city has it, and no other store has a line approaching it in beauty of both color and design. Then, prices are an added inducement. You should call at

STOKE, the Druggist's, before you place your order. You will be disappointed if you don't.

A Little of Everything.

We have not seen a program of the day's doings and can not publish any particulars.

Punxs's Club Not In It. An aggregation of Punxsutawney's expert whist players came over last evening to regain lost laurels but only succeeded in making a bad matter worse. They were not in it from start to finish and went home 27 points to the bad. The score was 172 to 145 in favor of Reynoldsville. As we said once before the Elks of Punxsutawney are mighty fine fellows and can probably beat any other town in Western Pennsylvania outside of Reynoldsville.

David Durnell Dead. David Durnell, of Gramplan, who was known by a number of our citizens, having visited his daughter, Mrs. A. B. Weed, a number of times when she resided in West Reynoldsville, died at Gramplan on Tuesday, May 20, 1902. The deceased was 81 years and 7 months old. He was born in Columbia county, Pa., October 28, 1821. Had been a resident of Clearfield county about 45 years. Funeral was held at Gramplan on Thursday and interment was made in Gramplan cemetery. Mrs. Weed, who now resides at Oakmont, near Pittsburg, was at her father's bedside when he died. She had been at Gramplan a month previous to his death.

Barclay were delegates to the Jefferson County Sunday School Association convention held in Big Run last Wednesday and Thursday. This was the largest convention ever held by this association. There were 123 delegates present.

Large Brick Addition. A. T. McClure and F. D. Smith, proprietors of the Reynoldsville Hardware Company store, will build a large brick addition on rear end of their hardware store this summer. This company owns the brick building now occupied by Robison & Mudroff, and when they complete the work next year, they will own a brick block 50 by 150 feet.

GAS EXPLOSION AT ELEANORA. One Miner Killed, Three Badly Injured—Miraculous Escape of Others. A gas explosion occurred in the coal mine at Eleanora about 7.30 a. m. yesterday, May 27. Andrew Karmak, a Slav, was instantly killed and Samuel Ball, a driver, had his hands and face badly burned. Mike Copic and Peter Zerzeth, Hungarians, suffered from inhaling gas. These three men were taken to Adrian Hospital. We learned over the phone this morning, direct from hospital, that the three men are getting along nicely and will recover. Copic and Zerzeth will be able to walk around to-day.

The explosion occurred about two miles in the mine, along the rope haulage No. 2. There were seventeen men working in the room when the explosion occurred and it was almost a miracle that they were not all killed. Ball happened to be standing behind his mule when the blast came and that is what saved him from meeting the same fate as Karmak. The mule was killed. After the explosion the men were left in total darkness. Ball thought of the air line and called to the men to feel for it and they crawled along the air line on their hands and knees about eighty yards to safety, but were almost exhausted.

It was first reported in Reynoldsville that eighteen men had been killed by the explosion and that eight dead bodies had been taken from the mine. This report naturally raised considerable excitement in town. It was not until noon that the true facts in the case were known at this place.

Flag Pole Fell. The large flag pole near Charles A. Herpel's residence in West Reynoldsville was blown down during the heavy storm that visited this place about nine o'clock Thursday evening. The pole fell on Mr. Herpel's residence and broke in two, doing some damage to the roof. Fortunately no one was injured. Several members of the family had entered the house just a minute or two before the pole fell. This pole was 78 feet long. It was first erected near the Panic school house twelve or thirteen years ago by the P. O. S. of A. Camp of Reynoldsville. During the war with Spain Mr. Herpel bought the pole and had it erected in front of his residence lot, and on July 4, 1898, unfurled "old glory" to the breeze from that pole. Mr. Herpel examined the pole not more than an hour and a half before it fell and thought it would stand the storms for several years, but the paint on the pole had covered up its defects.

Memorial Sunday Services. Members of the Grand Army Post, Sons of Veterans and Woman's Relief Corps, attended Divine service in the M. E. church at 11.00 a. m. last Sunday. These orders met in Bell's hall and marched to church in a body. A committee of four young ladies from Epworth League, Misses Christine Brown, Edna Lewis, Caroline Robinson and Aida McEntire, stood in the vestibule of the church and pinned a bouquet of beautiful fresh carnations on each soldier as they entered the church. The Sons of Veterans were also given carnations. Rev. Perry A. Rono, pastor of the church, preached an excellent sermon, selecting for his subject, "Honor to Whom Honor." The old soldiers were delighted with the sermon and speak in highest praise of it. While the church was not crowded yet there was a large congregation present.

Candidate for Re-election. Al. Hawk, one of our present efficient county commissioners, is a candidate for second term, subject to the action of the Democratic voters of Jefferson county at the primary election on Saturday, June 14, 1902. Mr. Hawk has proven himself to be an able and competent man, well qualified to fill the office of county commissioner, and there is not the shadow of a doubt but what he will be given the nomination on the 14th of June and will be re-elected this fall. It is possible that Mr. Hawk has not pleased all his Democratic friends in all things during his present term, but the man that can please all the people all the time is a rare specimen of humanity. Mr. Hawk is an old soldier.

E. church of Falls Creek, tied the nuptial knot in the presence of a number of relatives and friends. Dr. Dougherty and bride went to Philadelphia on a wedding trip, returning Saturday, coming direct to Reynoldsville and from here drove to home of Doctor's parents, Mr. and Mrs. William Dougherty, in Winslow township to remain several days. Dr. Dougherty is a fine young man and although we are not acquainted with the young lady whom he married, yet we are confident she is an excellent young lady. TROLLEY LINE SEEMS ASSURED. Responsible Parties, Backed by Ample Capital, Only Await the Granting of a Franchise in Borough. The talk of a trolley line from Reynoldsville to Rathmel, Soldier, Sykesville, Eleanora and Winslow is not a new story to the readers of THE STAR, and it may be that many of our readers think by this time that the trolley line will never be built, but they will be happily disappointed some of these days. We have been reliably informed that a trolley line will positively be built between Reynoldsville, Rathmel and Soldier this year, and if possible the entire line to Sykesville, Winslow and Eleanora will be completed this year, if not it will be next year. The parties who will build this road are backed by millions of dollars. They already have the state charter for the trolley line through the territory mentioned and only need the franchise in this borough. We have good reason to believe that this is not a bluff, but that the parties interested mean business. The power house will be built at Reynoldsville and this will be headquarters for the trolley line.

There has been some talk of other parties extending the line from Eleanora to Reynoldsville. In that case Punxsutawney would be the head of the line and Reynoldsville would be the terminus. Punxsutawney would be headquarters for the employees and everything pertaining to the line. If we could not get a line any other way, then we are welcome to the extension of the Punxsutawney line to Reynoldsville. But if capitalists who will not ask a cent from our citizens, want to build a first-class trolley and equip it with the best of cars, &c., and make Reynoldsville their headquarters, we would be extremely foolish to not give them all possible encouragement, for it would mean much to our town to have this the headquarters for the trolley line.

Decoration Day—Evening Meeting. All the Sunday schools and patriot orders of the town are invited to participate in the Memorial exercises on Friday. The parade will form on Main street at 9.00 a. m. and march to Buelah cemetery, where the usual memorial services will be held. The parade will be formed in three divisions. The first division will be composed of the Sunday schools and will be commanded by Frank J. Black; second division, Patriotic Orders, commanded by R. C. Wilson; third division, Sons of Veterans, Woman's Relief Corps and Grand Army Post, commanded by Geo. W. Stoke, Jr. A union meeting will be held in the M. E. church, at eight o'clock, Friday evening, to which every body is invited to attend. Rev. H. G. Dodds, D. D., of Punxsutawney, will deliver an address. Some special music will be furnished.
