THIRD SEMI-ANNUAL MUSLIN UNDERWEAR, SHEETS AND PILLOW CASES, AND WHITE GOODS SALE,

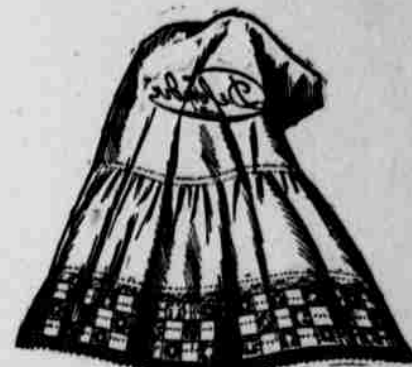

From Friday, June 20th, to Thursday, June 26th.

It is needless to emphasize the fact that this is not a sale of the accumulation of odd sizes and unusual styles from the stock of the past season. But for the benefit of any one who may never have had an opportunity to secure these goods at this price, we want to say that every garment is fresh from the Defender Manufacturer—the best Underwear factory in the land. The Sheets and Pillow Cases manufactured by the Defender people also are widely known from the clean material from which they are made and for the skill of the workmen in preparing them for use. We are receiving this week a new shipment of White Goods for which the season is just now making such a demand. This, then, is not a sale of left overs, but is of fresh and clean seasonable goods at such prices that can't be met in any other way or by any competitor. The Defender Muslin Underwear and Defender Sheets and Pillow Cases have won for themselves such a reputation that we need not further recommend them than to say that these are
