THE NEWS OF NEARBY TOWNS.

Reported by The Star's Special Correspondents.

Sandy Valley.

R. A. Hildebrand and family, of Reynoldsville, and Mrs. Samuel Steel, of DuBois, were visiting at the home of W. T. Cox the past week.

George Bonner, who has been quite ill at the home of his sister, Mrs. James S. McGhee, is improving.

James Brown and wife visited at Falls Creek over Sunday.

The hay crop in this vicinity will be very light this season. We understand it is poor other places as well.

We will pay a premium to the fellow that will invent a machine that will teach a calf to drink without swearing. We don't mean the calf, we mean the other fellow.

The prospects now are that Sandy Valley will cut some figure as a coal centre in the near future. The J. & C. C. & I. Co. will open a new mine on the south side. We understand the report of the drillers north of us is favorable.

Jas. McGhee, Jr., of Eleanora, visited his parents over Sunday.

The valley is gaining considerable note as a farming community. We are at it ourselves and like it because it keeps us busy. All the time we lose these days is from 9.00 p. m. until half past four in the morning. We have all the farming implements we need but a mowing machine. The grass is almost ready to cut. We would like to go into a reciprocity arrangement with some of our neighbors. If any of them will let us use their mowing machine during the haying season we will let them use our shot gun and dog until the hunting season opens in the fall. Now don't all come at once, as we will likely be working.
