If your "bike" is out of repair, bring it in, we will put it in shape for the summer's riding. Bring your umbrellas, guns, locks and all kinds of light repairing. You can have it done right at Hoffman's Repair Dept.

OUR BANNER

Bears the Motto,

"Coolness to All."

It's our soda salute, fired not with guns but with foam. There's bound to be a hot time before the September equinox, and our fountain of delicious drinks will bring relief to Old Sol's victims. Keep cool and let us keep others cool in this summery encounter between nickels and perspiration.

STOKE, THE DRUGGIST.

"The man who whispers down a well about the goods he has to sell. Wont mass the gleaming golden dollars. Like one who climbs a tree and hollers."

A Little of Everything.

No paper next week. Friday is the day we celebrate. Day after to-morrow is the Fourth of July. Our Fourth of July page will be found very interesting. THE STAR will not be published again until July 16th. A callithumpian band serenaded Mr. and Mrs. Loren H. Boyle Monday evening. Free Methodists will hold a camp meeting in Frank's Park from July 25th to August 3rd. A mad dog was shot near Policeman John Pomroy's residence on Jackson street last evening. The big mill at Hopkins shut down Friday until Tuesday morning, July 8, to give the men a ten-day vacation. A number of the men that work on the Hopkins mill went to Lock Haven last Friday and Saturday to spend their Fourth of July vacation. A callithumpian band, composed of a number of Frank J. Black's friends, serenaded Mr. Black and bride on Monday night at The Mansion. The Winslow township school board will meet at Frank's Tavern in this place the last Saturday in July to elect teachers for the next term of school. Frank P. Alexander, Frank O. Sutter, W. E. Lucas and Ben C. Reed were at Punxsutawney Friday to see the ball game between Punxsy's club and Cubans. The members of the Dumb Bell Club held a banquet at the home of Miss Lydia Mellinger on Grant street Monday evening in honor of Miss Bertha Marshall, a member of the club, who will be married this afternoon. W. H. Howlett, who works in the woods near Grampian, Clearfield county, came home yesterday to see a young son that arrived at his home several days ago. Mr. Howlett will remain here until after the Fourth of July. At the mass meeting of the miners of this vicinity, which was held near Prescotville about the hour we went to press last week, it was decided to take Wednesdays and Saturdays as the two idle days each week during the strike in the anthracite region.

The Foreign Missionary Society of the M. E. church will meet with Mrs. L. W. Huyck to-morrow, Thursday, afternoon. Luncheon will be served at 5.00. Conrad Mendell has purchased the property on Broad street, West Reynoldsville, near Wilson's planing mill, from Elisha Cox. Mr. Cox bought the property from Miller Bros., of Big Run, early in the year. James Nolan, of Reading, a retired railroad contractor of wealth, who was nominated at the Democratic convention in Erie last Wednesday for Secretary of Internal Affairs, is a cousin of our townsman, Daniel Nolan, sr. The flood in the Sandy Lick creek this week gave P. McDonald, the lumberman, an opportunity to get his last lot of logs from Harvey's Run camp to Hopkins mill. There was from eight to ten million feet to float down. The Star Glass factory has shut down and many of the men and their families have gone to various places to spend their vacation, and as a consequence our merchants had a good demand for trunks and suit cases during the past week. J. J. Sutter, one of our dry goods merchants, went to Carthage, Mo., Friday to remain a month and look after the business of the Plymouth Rock Mining Co. to allow J. Van Reed to spend a month with his family in Reynoldsville. Mr. and Mrs. R. S. Donaldson and son, James Lawrence Donaldson, of Cleveland, Ohio, are making their annual visit with Mr. and Mrs. Alex Riston on Grant street. If the weather gets warm enough they will spend a week or ten days at Sunset Camp in Beechwoods. Rev. Perry A. Reno went to Valler, this county, Monday to attend the semi-annual session of the Clarion District conference of the M. E. church, which convened Monday and will close to-day. Dr. C. W. Smith, editor of the Pittsburg Christian Advocate, preached the sermon last evening. Thomas S. Cathers, of Paradise, the young man who won first prize—one year at Lock Haven State Normal—in the scholarship contest conducted by THE STAR in 1901, completed the year last week and returned to his home. Mr. Cathers made good use of his time while at the Normal. June is the month of weddings and the month that ended yesterday, particularly, was rich in their harvest. There were a number of young people in this immediate vicinity that disavowed single blessedness and cast their lot with Hymen's forces during the month of June, 1902. A boy named Cummings, of Bradford, aged 14 years and small for his age, was carried to the lock-up last evening dead drunk. The authorities will try and find out to-day where the boy got the liquor, and if they do find out where he got it the guilty parties should be punished to the full extent of the law. A house-to-house visitation, under the auspices of the Washington township Sunday School Association, was recently made in that township and according to a report sent to THE STAR office 4,734 persons were visited, out of these 117 had no church preference and 3 refused to give the information requested. An itinerant band was playing on our streets last Thursday and we have been informed that at some places where they were not given money they used vile and profane language. These professional "bums" are careful to give vent to their mean disposition before women and children—when there are no men around. "Rattlesnake" Jim Thompson called at THE STAR office last Friday afternoon with a live rattlesnake over his shoulder. The snake was about 34 feet long and had seven rattles. Jim wrapped the snake around his neck and put its head close to his mouth for a kiss. Jim kills the rattlesnakes and gets a good price for the snake oil. N. B. Lane, of Lanes Mills, who is 82 years old, the oldest lumberman now living in Jefferson county, was in Reynoldsville yesterday, the first time for a number of years, and he noticed a number of improvements in town. Mr. Lane started the first steam saw mill in Jefferson county and also introduced the first circular saw in the county. Mr. and Mrs. William Mabon, of Marion Centre, Indiana county, attended the Sadler-McCreight wedding in Paradise Wednesday evening and drove to Reynoldsville Thursday morning and remained here until Friday. Mrs. Mabon has many old-time and warm friends in Reynoldsville who are always glad to greet her when she visits in the town. Judge Thomas, of Meadville, presided over a special court at Brookville last week for purpose of hearing the equity case between the Brookville borough and the Pennsylvania railroad company, growing out of the refusal of the railroad company to permit the borough to establish a grade crossing over the railroad track at the Deemer furniture factory, near Brookville station. The Judge has not handed down his decision yet.

Tax Collector Resigned. A. J. Sprague, tax collector of Henderson township, has resigned that office and Henry J. Pifer has been appointed as tax collector of Henderson township. Drum Corps. Reynoldsville is soon to have a drum corps composed of seven pieces, two fifes and five drums. The drums have been ordered. Grant Rhoads is responsible for getting the drum corps organized. No Paper Next Week. In order to give our employees a couple of days' vacation, THE STAR will not be published next week. The next issue will be July 16th. The office will be open, however, every day, except July 4th, to do job work, receive names of new subscribers or money from those in arrears. Drop in. Two Weeks' Vacation. Rev. W. Frank Reber, pastor of the Presbyterian church, and wife left here Monday to visit their homes at Fayetteville, Pa. They will be absent until the 18th of July and during the two Sundays of their absence there will not be any preaching service in the Presbyterian church. The other services of the church will be held as usual. Received Hospital Appointment. Dr. Clifford L. Kaucher, who graduated in the Medico-Chirurgical College of Philadelphia in May, came to this place yesterday to spend several months with his parents, Mr. and Mrs. John H. Kaucher. Dr. Kaucher has received a hospital appointment in the Medico-Chirurgical Hospital and will take up his work at that hospital this fall. Birthday Party. Miss Elizabeth Taafe was fourteen years old Saturday and the anniversary was celebrated with a party at her home on Jackson street Saturday evening. About twenty young friends were present and it is needless to say that they had a jolly time. Refreshments were served. Miss Elizabeth received a number of presents. Street Railway Visitors To-morrow. New York representatives of the Bituminous Street Railway, who want to build the electric railway from Reynoldsville to Rathmel, Soldier, Sykesville, Eleanor and Wishaw, and who hold the state charter to build the line, will arrive in Reynoldsville to-morrow, Thursday, morning. We have been reliably informed that these gentlemen represent a large amount of capital. Henry Garret Dead. Henry Garrett, who was well known to many of our citizens, died in Punxsutawney Saturday. Mr. Garrett was born at Germantown, Pa., May 19, 1809, making him in his 94th year at time of death. The deceased is survived by four daughters, two of whom established the Garrett institute in Philadelphia, where deaf and dumb children are taught to speak. Mr. Garrett leased considerable coal land in this vicinity a number of years ago. He made his home at the Ross House during most of his stay in Reynoldsville. Both Legs Broken. Robert Barker, jr., twelve-year-old son of Mr. and Mrs. Robert Barker, sr., had both legs broken above the knees and was badly injured about the chest Monday afternoon at Big Soldier. Mr. Barker moved from Fifth street, Reynoldsville, to Soldier a week or ten days ago and the boy was playing when the accident occurred. A trip of loaded cars was coming to tippie from Hamilton mine when the boy attempted to run across the track and was caught between rope and shive wheel, with above results. Birthday Party. Last Friday was the birthday anniversary of William and Elizabeth Alexander, son and daughter of Mr. and Mrs. F. K. Alexander, of Grant street. William was 9 years old and Elizabeth 5 years old. About 35 boys and girls attended the party. The little people had a good time. Refreshments were served on the porch. Various games were played. There was one game with a prize in it for a boy and a girl and Lewis Johnston and Minnie Bennett won the prizes, a gold ring apiece. William and Elizabeth received a number of presents. Mr. Alexander shot off some fireworks during the evening. Buried Saturday. August Baldauf, jr., nephew of August Baldauf, died at the home of the latter at 8.45 a. m. Thursday, June 26, 1902, after an illness of seven hours, caused by the rupture of a blood vessel. Funeral service was held in the Catholic church at 8.30 a. m. Saturday, conducted by Rev. T. Brady, and interment was made in Catholic cemetery. It was a large funeral. The pall bearers were members of the Catholic Temperance Society, of which deceased was a member. Roman Baldauf, father of the young man, was drowned at Punxsutawney in 1899 and August Baldauf took the boy into his own home as his own. August jr. was an excellent boy and he had many young friends in town.

TALK OF NEW INDUSTRY. Citizens Interested in Large Crockery, Tile and Brick Plant. Some of our citizens are talking of the erection of a crockery, tile and brick plant at this place that would give employment to two hundred men. An experienced potter, man, whom some of our citizens have known for several years, was here last week. He examined the clay that would supply the plant and pronounced it as fine as there is in the country for making paving brick, buff brick, crockery and tiling. The gentleman took some of the clay with him to have several pieces of crockery made out of it and will send same to Reynoldsville for inspection. If the plant is built it would be located near the glass plant and the clay would be shipped in over the R. & F. C. Ry from near Wishaw. One of the Reynoldsville gentlemen interested has an option on about 30 acres of the clay vein near Wishaw. We could give the name of the experienced potter and others, but decided to withhold the names until a later issue. This would certainly be a good industry for the town to secure, and there is no good reason why we should not have it, if our people are interested. The location is excellent, clay as good as there is in the country, fuel cheap, and the shipping facilities all that could be desired. Home From Wedding Trip. Frank J. Black and wife are now at The Mansion. They arrived here Saturday evening and Mr. Black's host of friends have been extending hearty congratulations. The Bradford Era, in its lengthy write-up of the wedding, had the following to say of Mrs. Black: "The bride is one of Bradford's most accomplished and charming young ladies. One of the best evidences of her amiable and lovable disposition is the fact that she has retained the warm friendship of all her schoolmates and friends, many of them being present at the wedding from various cities. She is an excellent musician, and her womanly accomplishments will adorn the home to which she is soon to go." Two Cases in Neff's Court. Two cases were tried before 'Squire E. Neff in this place Monday evening and it was after ten o'clock before the cases were disposed of. Joseph Tokarz, of Big Soldier, had David Bell, William Bell and James Carney, of Big Soldier, arrested on the charge of burglary and larceny, stealing six kegs of beer from the aforesaid Tokarz's cellar. When the witnesses had all been heard there was no evidence against the three men and 'Squire Neff discharged them. The second case was surety of the peace against William Bell, but Tokarz failed to produce evidence to prove the charge and 'Squire Neff discharged Mr. Bell. Thrown Out of Trap. John Collins, Samuel Ensell, Jack Kane and Robert Barges drove to Punxsutawney Friday to see the ball game and as they were driving out of town Friday evening their horses got frightened at a train of cars, and while prancing around one of the tugs came loose, allowing the trap pole to drop on the street and the horses started to run. The four men were thrown out on back of head, requiring 7 stitches to sew up wound, and Ensell had the right side of his face cut so badly that 6 or 7 stitches had to be put in to sew it up. Hon. W. Doings of Borough "Dads." The regular meeting of town council was held last evening and considerable business of importance was presented for them to dispose of. They did not get through with all of it and they adjourned to meet next Monday evening, July 7th. A petition was presented by M. J. Farrell to pave Main street, from Sandy Lick creek to Eighth or Charles street, the street up to school building. Mr. Farrell was requested by council to present the petition to all the property owners on Main street up to borough line to see if a majority of them want the street paved to borough line. If the property owners can be seen before Monday evening it is likely the paving of Main street will be settled Monday evening. If the majority of property owners from Eighth to borough line are not in favor of paving that far, there is little doubt but what council will decide to pave from bridge to Eighth street, as the majority of property holders on that part of the street have signed the petition for paving same. Applications for street railway franchises were presented from the Punxsutawney Street Passenger Railway Co. and from New York capitalists. The street railway franchise will be acted on by council next Monday evening. Councilmen should investigate this matter very carefully before next Monday evening, if they have not already done so. Pretty Home Wedding. At 7.30 p. m. Wednesday, June 25, 1902, at the residence of Mr. and Mrs. Elmer E. Schugars, on Grant street, Reynoldsville, Pa., Miss Lavina F. Hetrick, sister of Mrs. Schugars, and Mr. Loren H. Boyle, son of Mr. and Mrs. W. M. Boyle, of Deemer's Cross Roads, were united in the holy bonds of matrimony in the presence of a half hundred friends and relatives. Rev. Perry A. Reno, pastor of the Reynoldsville M. E. church, performed the wedding ceremony. Miss Cora Schugars was bridesmaid and Lyle O. Gourley, groomsmen. The bride and bridesmaid were both dressed in white. It was a very pretty home wedding. The house was beautifully decorated with flowers and ferns. After congratulations and good wishes the guests sat down to an excellent and bountiful wedding supper. The young couple received numerous presents, consisting of furniture, china, silver ware, glassware, money, &c. SADLER-McCREIGHT WEDDING. Ring Ceremony Was Used—Valuable Presents Given—Reception Saturday. Miss Ada Marie McCreight, daughter of Thomas S. and Frances P. McCreight, was married to Francis LeRoy Sadler at the home of her parents, near Reynoldsville, on Wednesday evening, June 25th, 1902, at 7.30, by the Rev. W. Frank Reber, pastor of the Reynoldsville Presbyterian church, in the presence of a number of invited guests. Miss Virginia McAdoo, cousin of the bride, was flower girl and Master Lloyd McCreight, youngest brother of the bride, was page and carried the ring. Miss Ethel McCreight, sister of bride, was bridesmaid and George Bowser, of Big Run, was groomsmen. The ring ceremony was used and it was a very pretty ceremony. The bride was gowned in a dress of chaffonette. The house was beautiful decorated with spruce, laurel and cut flowers. Refreshments were served immediately after the ceremony. The wedding presents, which were beautiful, useful and valuable, amounted to about \$400.00. The bride and groom left Reynoldsville that evening on the 9.50 train on a short wedding trip to Buffalo and Niagara Falls, returning Saturday evening. A reception will be held at the home of Mr. and Mrs. Thompson Sadler at Anita Saturday evening of this week. The bride is certainly a fine young lady and she comes from one of the highly respected and esteemed families of Paradise. The groom is an honorable and upright young man. The following out of town guests attended the wedding: Mrs. Ann Caldwell, of Curwensville, Mr. and Mrs. William Mabon and Miss Bertha McConaughy, of Marion Centre, Mr. and Mrs. Thompson Sadler, Misses Flora and Nora Sadler, Mr. Homer Sadler, Mr. and Mrs. Clark Sadler, of Anita, Miss Bowers, of Big Run, Major McCreight and wife, Bruce B. McCreight, Mrs. Eliza McCreight, of DuBois, Glen A. Milliren, of Kane, Mrs. Ambrose Quinlan and daughter, of Akron, Ohio. School Director Appointed. At the meeting of the Winslow township school board held at Frank's Tavern Saturday, June 28th, John Dougherty was appointed school director to fill the vacancy caused by the resignation of John Watson. Mr. Dougherty was a member of the school board two terms and he makes a good school director. The school board decided to build a four room school house at Wishaw. At present there is a one-room school house at Wishaw and during the last term the board had to rent a hall for school purpose, as the one room was entirely too small to accommodate the pupils. A number of new houses will be built at Wishaw this summer and the population will be greatly increased in the next year or two, which was taken into consideration by the school board and they wisely decided to erect a four-room building. The Wishaw schools will be graded. Deadlock Not Broken. The school board met last evening, but the deadlock for principal was not broken and the board adjourned to meet two weeks from last evening, July 15th. Why not appoint two men to call on the parents in town, who send their children to school, and get an expression from them as to whether they want a change in principalship or not, and then let the school board be governed by the will of the majority of the parents? Both sides certainly ought to be willing to submit to such a proposition. The board has held three meetings and has been unable to elect a principal and they are not likely to elect a principal at the next meeting unless they get an expression from the people in this matter and act accordingly. Fred Biggie will open a pool room in the basement of the Deible Bros.' block this week. Shoes for all the family. Bing-Stoke Co. Priester Bros. are selling carpet samples below cost. Big bargains. Trunks and suit cases at Millirens. A. Katzen, proprietor of People's Bargain Store, is actually selling ladies' fine, up-to-date shirt waists at cost. Big bargains. Love, who recently moved from Brookville to Reynoldsville to look after the insurance business for Wm. J. Shaffer in this section, is somewhat of a politician, at least he talks politics at home. A baby boy arrived at Perry's home Wednesday morning and when Mr. Love returned home in the evening he asked his four-year-old son what the baby had been doing during the afternoon, and the lad's answer was this: "He's not for Elkin; he's been yelling Quay."
