### CELEBRATED THE EIGHTY-SIXTH ANNIVERSARY OF HIS BIRTH.

William Smith, the Oldest Living Settler in the Beechwoods, given an Enjoyable Surprise.

WILLIAM SMITH.

**W**ILLIAM SMITH, one of the early settlers in Beechwoods, who has entered the 87th year of his earthly pilgrimage, was given a birthday surprise party on the 5th of July, that being the 86th anniversary of his birthday. The affair was so nicely arranged by the gentler sex that it was a complete surprise to Grandfather Smith, but the surprise did not spoil the pleasure of the occasion for him. The surprise party was held at the home of Andrew Smith, on the old Smith homestead near Rockdale Mills. Besides Grandfather Smith's three sons and three daughters, there were 35 grandchildren and 7 great grandchildren at the surprise party. Rev. George H. Hill, pastor of the Beechwoods Presbyterian church, was also present. Mr. Smith was presented with a pretty couch and a purse full of money. It was one of those occasions that is an oasis in an old man's life. James, Andrew and Logan Smith, Mrs. Ella Starrett, Mrs. Daniel Groves of Beechwoods, and Mrs. Francis D. Smith, of Reynoldsville, are sons and daughters of William Smith.

Mr. Smith was born in Ireland July 5, 1816. When about ten years old his parents moved into the Beechwoods settlement, when that section was a wilderness and wild beasts of all kinds roamed through the forest. Two or three little log cabins were all the houses within a radius of ten miles. Mr. Smith is the oldest living settler in the Beechwoods, having resided there 76 years. He has always been an honorable and upright gentleman and is highly esteemed in the community where he has resided three-quarters of a century. His wife died 21 years ago. He has been a member of the Beechwoods Presbyterian church from the time it was first organized and is now an elder in that church. Politically Mr. Smith is now, and always has been a staunch Republican. He has held several township offices but never was a candidate for a county office. Notwithstanding the fact that he has been a hard worker and had to endure many hardships in the early days, he is still spry and active for a man of his years.
