Over \$11.00 was realized out of the entertainment. L. P. McCleery, one of the supervisors of Winslow township, who is suffering with asthma and heart trouble, went to Pittsburg one day last week, accompanied by Dr. A. H. Bowser, to consult the physicians at West Penn Hospital as to the advisability of Mr. McCleery entering hospital for treatment. He was advised to go to some summer resort. Some parties shot off a stick of dynamite in front of the Chinaman's laundry, on Fourth street, the night before the Fourth of July and broke all the large window glass in front of building. Windows were broken in some of the other buildings in the immediate vicinity of the laundry. Mr. Nolan has secured the names of the parties who set the dynamite off and he expects them to pay for the windows. Twelve Reynoldsville men are fixing up a camp in the woods back of Henry Stevenson's farm, above Sandy Valley. A building 14 by 32, with a porch 9 by 32, is being erected. The camp will be formally opened next Sunday. The names of the stock holders are: John O'Hare, John Conser, John A. Walsh, Thomas Green, W. W. Wiley, Albert Reynolds, F. A. McConnell, Frank J. Black, Ed. Gooder, Joseph Weist, Ben C. Reed, George Hughes. In a recent issue of THE STAR the statement was made that N. B. Lane, of Lanes Mills, started the first steam saw mill in Jefferson county and introduced the circular saw in the county. Col. Ira Beebe, of Sandy Valley, who is about same age as Mr. Lane, informed a representative of THE STAR that the aforementioned statement is not correct. Thomas Litch started first steam mill and Mr. Beebe introduced first circular saw on the waters of this section. Tom O'Hare, Punxsy's fast right fielder, owed the town last Saturday night. He made three apparently impossible catches in the second game with the Cubans, and set the audience wild with enthusiasm. He took two balls right off the fence after running through water up to his ankles and made a sensational dive for another one after a desperate run, coming up out of the muddy water looking like a drowned rat, but still grasping the coveted sphere.—Punxsutawney Spirit.

Fuller, near this place. Taken to Hospital. Neff, in Reynoldsville, at 9.00 a. m., July 22 for a hearing. John Brennan is the plaintiff. Opening New Mine. The Jefferson & Clearfield Coal & Iron Company is opening a new coal mine about a mile above Reynoldsville, on the R. & F. C. R'y, short distance north of the opening of the Old Diamond mine. Men were put to work on it last week. In Hospital. Miss Mamie Plyler, a clerk in Bing-Stoke Co. department stores, is in West Penn hospital, where she had an operation performed on a deceased bone back of her left ear. She is getting along nicely since operation and will return home in a few days. A False Statement. Some of our exchanges published a statement that a lynching was narrowly averted at Reynoldsville on the Fourth of July, which is false. An Italian did attempt to shoot a man but the crowd that gathered had no intentions of lynching the Ito and the officer was not interfered with while taking the man to lock-up. Swift Resigned. H. Earl Swift, an electrician who has had charge of the electric light plant in Reynoldsville since it started, has tendered his resignation to take effect August 1st. Mr. Swift has accepted a position with the Brookville electric light company. Mr. Swift is a fine gentleman and good citizen and we are sorry to see him move away from Reynoldsville, but wish him success in Brookville. Work Six Days. About the middle of June, at the request of the officials of the United Mine Workers of America, the coal miners of this section decided to only work four days a week, hoping by that action to assist the anthracite miners in their strike by not producing enough coal to allow shipment of bituminous coal to fill orders that were formerly filled from anthracite coal regions. A circular has been issued by the organization removing the restriction of only four days a week, and the miners are now working full time. Home from the Southwest. Charles S. Davis, a civil engineer who has been in the employ of a mining company several years and has traveled through the "wild and woolly" sections of Mexico, Arizona, Chihuahua and other territory between the Gulf of Mexico and Pacific ocean, is visiting his parents, Mr. and Mrs. M. M. Davis, in this place. Charles has made some trips that he had to ride seven days on a mule back, after leaving the cars, before he reached his destination. Mr. Davis expects to remain here three or four weeks. From here he will go to Torres, Sonora, south of Arizona, where he will accept a position with the Creston Colorado Company. Special Tax in Winslow Twp. The last week in June a petition from the supervisors of Winslow township was presented to the court of Jefferson county asking for a mandamus to levy a special tax to pay the debts of said township. The petition was read in open court, and the court authorized, ordered and directed L. P. McCleery and F. P. Best, supervisors of Winslow township, to levy and collect during the present year a special tax of 41 mills of the assessed valuation of all property in said township taxables for county purposes for the year 1902, and to raise thereby the sum of \$3,889.89 to be applied to the payment of the indebtedness against said township. Gone West for Health. Miss Minnie Whitmore, daughter of Mr. and Mrs. Jonathan Whitmore, has gone to Casper, Wyoming, for benefit of her health. Miss Minnie left here Wednesday morning of last week. She intends stopping a month with relatives at Tecumseh, Neb., and will go from there to Wyoming. If Minnie's health permits she will teach school at Casper at a salary of \$60.00 per month. There are eight rooms in the Casper schools and there were only one hundred applications from teachers who wanted to teach there. Miss Whitmore, who taught a number of terms in the schools of this borough, and could have had a room for next term had she applied, is an excellent young lady and is a good teacher. Her many friends in Reynoldsville and vicinity hope the change of climate will restore her health.

TILE AND BRICK PLANT. Three Thousand Already Raised to Buy Clay Vein—Meeting Friday. Two weeks ago mention was made in THE STAR that there was talk of a new industry for Reynoldsville—brick, tile and pottery plant—which would give employment to a large number of men. Since that time some of our active citizens have taken the matter up and have raised \$3,000 to buy thirty acres of an excellent clay vein near Reynoldsville. The clay is as fine as can be found in the country for making brick, tiling or pottery. C. J. Kerr and W. D. Williams, the gentlemen who solicited the subscriptions for money to buy the land, say they will have no difficulty in raising enough stock to build the plant, which makes it a sure thing that the plant will be built. There will be a meeting Friday evening to organize a company, and any person interested is requested to attend the meeting. A tile and brick plant would be a paying investment. We will have more to say about this plant next week. Rufus Kirk Resigned. Rufus Kirk, who has been in the employ of the coal companies, Hamilton Coal Co., Powers, Brown & Co., Bell, Lewis & Yates and J. C. C. & I. Co., at Reynoldsville for twenty years, last position as head bookkeeper in the Jefferson Supply Co. store, has resigned that position and at present is taking a much needed rest. He is interested in a coal mine, at Annandale, Butler county, which a company is now trying to buy. If the sale is not made Mr. Kirk will go to Annandale to assist in looking after the mine. The output will be increased. W. A. Loading, who was Mr. Kirk's assistant, is now head bookkeeper in Jefferson Supply Co. store and Chester Rounds, of Rochester, N. Y., is Mr. Loading's assistant. Robbers Visited Four Houses. Monday night of this week robbers were at work in West Reynoldsville. They entered the houses of O. H. Johnston, W. P. Woodring, J. W. Dempsey and Mrs. Barbara Dunkle. At all four places the uninvited visitors gained entrance through windows. They did not secure any plunder at Woodring's and Dunkle's and not much at the other two places. At Johnston's they got \$3.00 in cash, a razor and a dozen of eggs. They stole Mr. Dempsey's shoes and a silver dollar. They did not go to the second floor in any of the houses, but they ransacked through all the cupboards and drawers on first floor. Harvey Myers Married. J. Harvey Myers and bride, of Fairmount City, Pa., visited the former's parents, Mr. and Mrs. J. A. Myers, in this place last week. Mr. Myers and Miss Augusta A. Geirheim, of Fairmount City, were married in Pittsburg July 30th. The bride is a sister of Mrs. I. F. Plyler, whose husband was in the grocery business at this place about a year ago. A callthompson band serenaded Harvey and his bride the evening they arrived in Reynoldsville. No Principal Yet. The Reynoldsville school board made another unsuccessful attempt last night to elect a principal for the borough schools. The three directors who are not in favor of re-electing Prof. Lorkord dropped their first man, Prof. Pontz, and took up another man, Prof. C. V. Smith, of Bedford Springs, but the vote was a tie. The school board will meet next Tuesday evening to ballot again for principal. Weed Returning. On Monday of next week, July 21st, A. B. Weed, who was train dispatcher in the Low Grade office at this place for a number of years, but was transferred to the dispatchers' office in Pittsburg last year, will resume his old position as dispatcher in the Reynoldsville office. Mr. and Mrs. Weed expect to arrive here the latter part of this week. They will not go to housekeeping in Reynoldsville at present, but will board at one of the hotels. Large Class Examined. On Thursday of last week County Superintendent R. B. Teitrick examined a class of twenty-seven in the public school building in this borough for teachers' certificates. Just how many of this number will be given certificates will not be known for several weeks. Notice to Customers. After August 15th, 1892, we will discontinue all premium schemes. Will not give any premiums after that date. J. A. & S. C. HENRY. Twenty dollar bicycle given away at Stoke's Famous Soda Water Depot. All \$5.00 dress skirts in all colors for \$3.50 at Millirens. SAD HOME-COMING OF A FORMER REYNOLDSVILLE YOUNG MAN. John D. Nolan Succumbs to Typhoid Fever at Sandusky, O., and His Remains are Brought to Reynoldsville.

JOHN D. NOLAN.

John D. Nolan, son of Mr. and Mrs. Daniel Nolan, of Reynoldsville, died at Sandusky, Ohio, July 8, 1902, at 11.40 a. m. from typhoid fever. John had been sick three or four days about middle of June, but was feeling so much better that he went to work on the Saturday two weeks previous to his death and worked several hours in the rain. After that he had a hard tussle with the fever and finally succumbed to the ravishings of the disease. July 4th his parents received word that John was in a dangerous condition. On account of poor health Mrs. Nolan could not go to her son's bedside and Mr. Nolan had some important matters to look after, but Thomas and Kate Nolan, brother and sister of John, went to Sandusky the afternoon of the Fourth, and Mr. Nolan went the following Sunday afternoon. All three of them were at his bedside when he expired. The body was prepared for burial and placed in a fine casket and shipped to Reynoldsville, arriving here at noon Wednesday. A large number of the members of B. P. O. E., of this place, of which order John was a member, were at the railroad station and marched to the Nolan residence on Main street ahead of the lifeless body of their departed brother. The casket was opened in the parlor and a large number of people went to the house during the afternoon and evening to take the last look at the young man who was popular and had a host of friends on account of his kind heartedness and genial disposition. John Nolan was a young man who never lacked for friends, no matter where he went. During the nine or ten months he spent in Sandusky, as a brakeman in the B. & O. R. V. yards, he succeeded in winning many very warm friends. Funeral services were held in the Catholic church at 9.30 a. m. Thursday and that large church was filled with friends and neighbors. Rev. P. J. Donahue conducted Requiem High Mass. Rev. Edward M. Driscoll, of Oil City, sang the offertory. Fifty members of the Elks attended the funeral in a body. The funeral was a very large one. The floral contributions were beautiful, consisting of the following pieces: Gates ajar, from B.

P. O. E., star from Clerk's Union, cross from Mr. and Mrs. Isaac Swartz and Miss Nellie Sutter, white carnations from A. H. and J. E. Fassenmyer, and a beautiful bouquet of roses from an unknown friend. John D. Nolan was born in Driftwood, Pa., September 7, 1876, making him almost 26 years old at time of death. John railroaded on Low Grade Division a few years, but something over two years ago accepted a position as clerk in Johnston & Nolan's shoe store, where many of our towns people became well acquainted with him. July 8, 1901, he left Reynoldsville to look for work elsewhere. He expected to embark in the mercantile business at Sandusky this fall, but his hopes were blasted by the Grim Reaper and his loved ones now mourn for him. John was a bright young man and had the ability to make a successful business career. The following out of town relatives and friends attended the funeral: Miss Kate Gleason, John McMahon, sr., John McMahon, jr., R. Gleason, of Driftwood, James Brown, J. M. Marsh and wife, of Brookville, Daniel Fitzgerald, H. McGeocher, of Ridgway, P. T. Nolan and wife, Mary Nolan, Nellie Dorsey, Annie McPhely, Mrs. John Kuns, Kate Nolan, John McCarty, M. J. Carmody, Mr. McGarity, of Johnsonburg, Mrs. P. W. Kane, of Toledo, Ohio, Albert Sutter, of Franklin, J. E. Mitchell, of Brookwayville, Father E. M. Driscoll, of Oil City, Mamie Curth, of Sandusky, Ohio, William Howard and wife, of New Kensington, William Collins and wife, Annie, Margaret, John and William Collins, jr., A. H. Fassenmyer, William and James Martin, Harry Keener, Warren Mohney, Mr. and Mrs. Hanley, Minnie Fassenmyer, of New Bethlehem, Patrick Collins and wife, Patrick Colne and wife, of Falls Creek, Patrick Dorsey, of Pittsburg, J. E. Fassenmyer, John Dorsey, Mrs. T. P. Duane, M. J. McEster, James Murphy, Charles Gleason, of DuBois, John Mullroy and Sarah Mullroy, of Benzette. Daniel Nolan, jr., brother of deceased, who is now working in a jewelry store at Greensburg, came home to attend the funeral.

DROWNED IN SANDY LICK. George Davidson Fell Off a Railroad Bridge Into Swift Current. George Davidson, an employe at Hopkins mill, two miles west of Reynoldsville, fell off the P. R. R. No. 2 bridge, just east of Hopkins, at 2.00 a. m. Saturday, July 5th, and was drowned. Davidson and James Rankin had attended the Fourth of July celebration at Reynoldsville and about two o'clock Saturday morning, as John Best was on his way to Hopkins, he found the two men sitting on east end of bridge. He talked to them a few minutes and all three started for home. Just as Best and Rankin stepped off end of bridge they heard a splash in the water and looking down saw Davidson in the creek. Best ran down to the bank, and although unable to swim, he waded into the creek until he got into the water over his head but could not reach Davidson, and had a struggle to get out of the water again himself. The creek was high and as the bracket was off the dam the water was swift and Davidson could not save himself and went down to death. The people of Hopkins were notified immediately and men began fishing for the body, but it was not until about 9.00 a. m. that the body was found. It had gone down the stream about 100 yards below the bridge. The body was brought to J. H. Hughes' undertaking establishment in this place and prepared for burial. Saturday evening, July 5, the body was taken to Newberry, suburb of Williamsport, for burial. The deceased was a member of the Knights of Pythias lodge of Newberry, and Clawson Early, member of K. of P. lodge of Reynoldsville, and E. B. Falls, of Hopkins, an old acquaintance of Davidson, went with body to Newberry. The drowned man leaves a widow and five small children at Newberry. His father, James Davidson, was buried at Newberry about two weeks before the drowning accident occurred.

Nichalo Gave Bail. Nichalo Fasco, an Italian, was arrested July 4th on charge of carrying concealed weapons with intent to harm others. He was in the lock-up from Friday afternoon until Saturday evening, when he gave bail in the sum of \$500 for his appearance at court. Nichalo drew a revolver to shoot James McDonald on the afternoon of the Fourth and that is what caused his arrest for carrying concealed weapons. We understand that Nichalo was abusing a boy on Main street when James McDonald interfered and the two men had a fight. They were both arrested, but as the officer laid his hands on Nichalo the Italian drew a revolver and shot at McDonald, but some one struck the Italian's hand in time to send bullet into sidewalk and prevent it from hitting some one. Both men were fined for fighting, but Nichalo had to pay an extra fine for shooting in the borough. Farewell Social. Members of the Baptist Young People's Union gave Miss Minnie Whitmore a farewell social on Tuesday evening of last week, as Minnie was to leave the following morning for Wyoming. The social was a complete surprise to Minnie. There was a large number present. Ice cream and cake were served. Two Sunday school classes, that Minnie had been teacher of, presented her with an elegant Oxford teacher's bible. Minnie had always been a faithful and hard worker in the Baptist church and will be greatly missed in church work. The Pleasure of Drinking. Is never appreciated quite so much as on a hot day before our soda fountain. Then and there, it is a joy not to be denied. Our soda water is very popular, and steadily gaining in popularity because it represents a rare combination of choice materials, perfect equipment and expert skill in preparing, mixing and serving. That is a good deal to say in one breath, but come and taste the soda drinks, all flavors, and see for yourself how good they are. Stoke's Famous Soda Water Depot. Organize Friday Evening. The readers of THE STAR know that the Punxsutawney Passenger Street Railway Co. and the Bituminous Railway Co. both had applications before the town council of Reynoldsville for a franchise to build an electric railway through the streets of this borough. Council has had the matter under consideration for two or three months, and at a meeting held on Monday evening of this week the Punxsy Passenger Street Railway Co. was granted a franchise in this borough. The line will likely be extended from Eleanora by way of Wishaw and will come in on Pleasant avenue side of town. The company is to put up a \$25,000 bond that work on the road will be begun inside of sixty days and to be completed as soon as possible, barring legal proceedings, if any.
