An entirely new style of postal card has been placed on sale at the postoffices of the country. Above the words "postal card" is printed, "The space above is reserved for postmark." This space is slightly more than an inch in width, affording room for the postmark. The greatest fault found with the old card is that the postmark is necessarily stamped over other printed matter and in many instances is unintelligible. The presence of a postmark is often the means of saving a postal card from the dead letter office. In the left hand upper corner of the card is the seal of the United States and the stamp bears the picture of William McKinley. Under the picture the dates 1843 and 1901 are printed, the first being the date of McKinley's birth and the second of his death.

Died in Brookville.

The death of a former Reynoldsville lady, Mrs. Susanna Burgoon, wife of Dennis J. Burgoon, sr., (deceased) occurred at the home of her daughter, Mrs. T. L. Aaron, in Brookville, on Tuesday, July 22, 1902. She had a stroke of paralysis on the Friday previous to her death, from which she never rallied. Mrs. Burgoon was born in Lattrobe, Westmoreland county, Pa., and at the time of her death was 87 years of age. She was the mother of nine children, six of whom survive her. They are respectively: Susanna, of Kingsville, S. J., of Kingsville, Dennis J. jr., of Reynoldsville, Dr. J. A., of Pittsburgh, John R., of Brookville, and J. I., of Brownsville, all of whom were present at the funeral, which took place at the Catholic church in Brookville on Friday, July 25, Rev. G. Weinkler officiating. All who knew Mrs. Burgoon could say she was a loving wife and a fond mother.

It is reported that the Pittsburgh, Shawmut & Northern Railroad Co. will buy the coal under several additional farms in Knox township, under the provisions of leases held by the company and that will expire August 1st. The company will only take up about 500 acres at this time, but its action is a further indication that the Pittsburgh, Shawmut & Northern road will, sooner or later, be extended into the Knox township coal fields and possibly to Pittsburgh.—*Brookville Republican*.

It is noticeable that more colts are being raised this year than for several years past. Of recent times the raising of horses has been allowed to decline, and to see the sleek youngsters jogging along beside the mother reminds one that the demand for horses is good.—*Punxsutawney News*.
