THE PLEASURE OF DRINKING

Is never appreciated quite so much as on a hot day before our Soda Fountain. Then and there it is a joy not to be denied. Our Soda water is very popular, and steadily gaining in popularity because it represents a rare combination of choice materials, perfect equipment and expert skill in preparing, mixing and serving. That is a good deal to say in one breath, but come and taste the soda drinks, all flavors, and see for yourself how good they are.

A Little of Everything.

Free Methodist camp meeting in Frank's Park. We are not having good picnic weather. Showers are too numerous. A cow owned by Thomas Hutchison, near Pancoast, died July 22nd from anthrax. There will be no preaching service in the Baptist church next Sunday, August 3rd. Hand organ and monkey, bag-pipe and street piano visited our town during the past week. The lawn fete given by Catholic Altar Society Saturday evening was well patronized. Herbert R. Burns is now proprietor of the Burns House. He took charge of the hotel last Saturday. The Dumb Bell Club and invited friends took a hayride to Beechwoods yesterday and held a picnic. Eileen McEnteer, daughter of T. C. McEnteer, gave a party to a dozen girl friends last Wednesday afternoon. Robert Hartman, son of George Hartman, had his right hand smashed on 22nd inst. while at work at Big Soldier. Members of the whist club and a number of invited friends held a picnic at "Sunset Camp," in Beechwoods yesterday. Nell Anthony, cook at the National Hotel, sprained her right ankle badly Sunday while out walking near Prescottville. Henry Shields went to Verona Monday morning where he has been offered a good position. If he likes the place he will remain there. C. R. Hall and H. Ward Eason were over at Sinnemahoning last week bass fishing. The water was too high and muddy for good fishing. Mrs. S. M. Rhoads says if the sneak thief who stole the sickle out of her yard will return it and out the balance of the weeds no names will be published. Cherry Run Campmeeting, Clarion county, will open Thursday evening, August 14, and close Wednesday evening, August 27. Presiding Elder R. C. Smith will be in charge. Rev. J. H. Jelbart will address the Christian Temperance Union meeting next Tuesday evening, August 5th, in Centennial hall. Everybody is invited to attend and hear the address. Admission free.

An itinerant trick bicycle rider gave two performances on Main street yesterday afternoon and evening. He is a good trick rider. There will be a meeting of the Ancient Order of United Freemen of America on Tuesday, 5th day of August, 1902, at 8.00 p. m. in the P. O. S. of A. hall. D. W. Atwater, District Deputy for Protected Home Circle, spent Sunday with his family in this place. Mr. Atwater organized a large Circle at Curwensville on Monday night of this week. The P. O. S. of A. of this place will attend services in a body at Methodist Episcopal church at 11.00 a. m. next Sunday. All members of Camp are requested to meet at the hall at 10.00 a. m. A game of ball was played between the married and single men who attended the Whist Club and Dumb Bell club picnic in Beechwoods yesterday. The married men beat the single chaps. Score 14-18. Lizzie Berkhouse, who was working for Mrs. E. Neff, was called to her home near Emerickville the latter part of last week to help nurse her sister, Emma, who is dangerously ill with typhoid fever. H. Earl Swift, who was electrician for the Reynoldsville Light & Power Co. and who resigned his position here and accepted a position with the Brookville electric light company, will move to the latter place to-day. A. J. Postlewait has purchased the B. T. Cox property on Hill street. The deal was closed the first of this month. Mr. Postlewait is having some papering and painting done before he moves into the house. He will move in early in August. George P. Card, nephew of Mrs. A. B. Weed, died at Honolulu on the 22nd inst. Mrs. Card and her sister, Miss Ethel Hepburn, who were visiting in Pittsburgh, departed Saturday for Salem, Oregon, where the body of Mr. Card will be interred. Joseph McKernan, baggage-master at P. R. R. station, has been off on a vacation the past week. He is making hay when the sun shines long enough for him to do so. C. C. Postlewait is handling the baggage during Mr. McKernan's absence. After the regular session of Mystic Commandery, Knights of Malta, last Wednesday evening a social was held in Bell's hall. The wives and lady friends of the Knights attended the social. Ice cream, cake and lemonade were served. It was a pleasant occasion. From the Punxsutawney Spirit of last week we learn that the Punxsutawney Street Railway Co., recently granted a franchise in our borough, has turned off the old electric street railway power plant at Punxsutawney and are using the new plant at Anita. Pauline, small daughter of John O'Hare, proprietor of the National Hotel, fell down the stone steps into cellar Friday morning and bruised one side of her face badly. The little tot might have been more seriously injured, as she fell down ten steps. About sixty boys and girls attended a picnic in Tom Reynolds' orchard, near The Mansion, yesterday. The picnic was gotten up by Mary Windle and Eileen McEnteer in honor of Marie, Geneva and John Flaherty, of Bradford, who are visiting at The Mansion. The Elks will move into their new rooms in the Millen block this week. Their new furniture is not here yet and it will be several weeks before the new rooms will be set in order, but the lease in the McDonald block expires the first of August and that is why the Elks move this week. Brigadier McIntyre, of Buffalo, N. Y., will visit the Reynoldsville Salvation Army on Monday evening of next week, August 4. He will speak in Salvation Army hall. The officers and soldiers from Punxsutawney and DuBois will attend the meeting in Reynoldsville that evening. John Frank, of Big Soldier, drove a one horse wagon to town Saturday evening and at six o'clock took off the bridle to feed the horse on the street and left the animal stand without being tied, thus breaking a borough ordinance. Frank was taken before Squire Neff and fined \$2.00 and costs. Charles P. Thompson, son of Mr. and Mrs. J. W. Thompson, of Washington township, who was honorably discharged recently by Uncle Sam after three years' service in Cuba, with 8th Pa. Cavalry, left here Friday on a western trip. He would not decide until after he arrived in Chicago whether he would go to Oklahoma or North Dakota. Ten prominent Brockwayville gentlemen, among the number is H. B. Cooper, son of Ninian Cooper of Reynoldsville, closed a big real estate deal in Kentucky last week. They bought 26,500 acres of land, 10,000 acres of which is said to be rich in coal. It is estimated that there is 150,000,000 feet of popular, white oak and pine timber on the tract. The consideration of the deal is \$156,000. These gentlemen will do business under the name of Rock Castle Lumber & Oil Co.

Dr. Swallow Was Here. Dr. Silas C. Swallow, Prohibition candidate for governor, delivered a political address on Main street, in front of Centennial hall, last Wednesday evening to a fair sized crowd. Doctor's talk was strictly along prohibition lines. He did not abuse other political parties. He is a good talker and his address was excellent. Two Dogs Poisoned. The dog poisoner got in his work last Thursday night and on Friday morning Prof. H. J. Hughes and Jerry Heckman found their dogs dead. Strychnine was used. Prof. Hughes' dog was a valuable black cooley, which he would not have sold for \$100. This is a penitentiary act and the person who is mean enough to put poison out deserves a term in the "pen." Mr. Mellinger to be Supt. George Mellinger, of this place, an experienced coal operator, will go to Indiana, Pa., to-morrow to open up a large coal plant near that town for the Rochester & Pittsburgh Coal Co. Mr. Mellinger is to be superintendent of the new works. The Buffalo, Rochester & Pittsburgh railroad branch will be completed to Indiana about the holidays. Miners Assessed. At the United Mine Workers of America convention held at Indianapolis this month the decision was made not to declare a general strike, but provisions were made to raise funds to carry on the strike now in progress in the anthracite region until it is won by assessing the miners now at work and asking the general public for assistance. The soft coal miners of this district will be assessed \$1 a week per capita, the assessments beginning July 16. Brown Stone Front. Thomas E. Evans, who is a member of the I. O. O. F. lodge of this place, bought the Weiser lot on burnt district last week for another party, with privilege of selling ten feet to Odd Fellows. This gives the Odd Fellows forty foot front on Main street and they will erect a three story brown stone front, with two store rooms on first floor, second and third floors to be used for lodge purposes. The building is to be 100 feet deep. The work will be started as soon as the plans are ready. Church Dedication. The new Union church at Beechtree will be dedicated on Sabbath, Aug. 3rd. The dedicatory services will be at 3 p. m. and 8 p. m. The Rev. J. B. Neff, D. D., of Oil City, will be present and preach at both these services. Other prominent ministers will also be present. On Friday evening, Aug. 1st, Rev. Dr. Neff will deliver one of his popular lectures at 8 o'clock, in the Beechtree church. The proceeds of this lecture will be for the benefit of the new church. Why Not Merchants Picnic? There are no other class of people more in need of a day's pleasure and recreation in the woods than the merchants, and in some towns a merchants' picnic is held every summer. Why not the merchants of Reynoldsville get up a picnic during the month of August? It would not only do the merchants physcal good to get out one day, but it would bring them closer together socially and benefit all of them. Take the matter up gentlemen and enjoy a day's outing. It will do good. Past Templars Degree Conferred. Tuesday evening of last week Mrs. Robert Sayers, of this place, who is District Grand Templar, conferred the Past Templars Degree on fifteen members of McKinley Temple No. 36, Ladies Golden Eagle, at Eleonora. Mrs. James Tyson and Mrs. Joseph Reed, of Reynoldsville, and Mrs. John Yewenice, of Eleonora, members of Pleasant Valley Temple No. 25, assisted Mrs. Sayers in conferring the degree. After the work was nicely performed an excellent lunch was spread and was partaken of by members of the Temple. Medical Society. The monthly meeting of the Jefferson County Medical Society was held at Hotel Evergreen, Falls Creek, last Friday. Drs. J. B. Neale, J. C. King Harry B. King and J. W. Foust, of Reynoldsville, attended the meeting. This was the annual meeting for election of officers, which resulted as follows: President, Dr. J. B. Neale, Vice-President, Dr. Blaisdell, of Punxsutawney; secretary and treasurer, Dr. A. F. Balmer, of Brookville. The August meeting will be held at Falls Creek and the September meeting in Reynoldsville. Horse Stolen. Last Wednesday night a light bay mare was stolen from August Herold at Hopkins. The barn was locked but the thief pryed the lock off. The mare throws her right front foot in when she walks and Mr. Herold tracked the horse to Deemer's Cross Roads, but he lost track of her there on account of a heavy rain. Mr. Herold was offered \$125.00 for the mare several days before she was stolen, but refused that amount on account of her being such a fine family horse. The mare weighs about 800 lbs.; has mane on left side; both front legs scarred from barb wire.

Pastor at New Bethlehem. Father Edward M. Driscoll, who assisted Father T. Brady in his work as pastor of the Catholic church in this place a couple of years, and was transferred to the Oil City parish a year ago last April, is now pastor of the St. Charles church in New Bethlehem. Father O'Sullivan, former pastor of that church, has taken charge of the Driftwood Catholic church. Father Driscoll spent his boyhood days in Reynoldsville and has always called this his home, although his parents died a number of years ago. From time his parents died until he went to college he lived with his grandmother, Mrs. Edward Windle. He has many warm friends in Reynoldsville. Father Driscoll is a bright young man and there is no doubt the St. Charles congregation will be well pleased with him. This is the first church he has had charge of alone. Miss Mollie Driscoll, sister of Father Driscoll, went to New Bethlehem last Friday to keep house for him. Horse Frightened. Will Schwem, of DuBois, and John C. Conser, of this place, were driving out to the home of Will's parents, near West Reynoldsville, Monday afternoon and got to the P. R. R. crossing just as the 1.32 passenger train was ready to start. Schwem drives a spirited nag, but he said the horse was not afraid of the cars and drove up close to railroad, but the first puff of the engine startled the horse and it gave a quick jump and demolished the front wheel of buggy. Conser had his little daughter on his lap and was holding an umbrella, but he made a quick jump out of buggy. After one jump the horse stood still. Buying Coal Lands. The company that has had an option on 16,000 acres of coal land in Washington township, and has been testing the land for some time, is now notifying the owners of the lands to get their deeds ready to close the deal. The company has already bought some of the land. There is good evidence that there is a good coal field in Washington township and that it will be operated. We have not learned the name of the company that is buying up the land. The business is being transacted in the name of L. P. Snyder, who opened a fine office in the Nolan block in this place about the first of May. Insurance Agency. Perry B. Love, who recently moved from Brookville to Reynoldsville to take charge of W. J. Shaffer's life and accident insurance business at this place, has bought out S. M. McCreight's fire insurance agency, which places Mr. Love in a position to write life, accident and fire insurance policies. Mr. Love is a pleasant gentleman to do business with and he is what might be termed a hustler, therefore, it is easy to predict that he will do considerable business in his line. Mr. Love will continue to have his office in with S. M. McCreight, Esq., where he can be found most any time. Public Fountain. Brookville is to have a public drinking fountain. The water is to be piped from a spring on Jefferson street. The Village Improvement Society is putting in the fountain. A public drinking fountain was put in at Punxsutawney this year by the Village Improvement Society. Reynoldsville took the lead in this matter. The public fountain was put in here several years ago. DuBois may do likewise some day, if the town can get enough water for a fountain. "Uncle Joel Stebbins." H. Eugene Phillips, in his impersonation of "Uncle Joel Stebbins," a beautiful pastoral play, assisted by Rathmel, will appear in the P. O. S. of A. hall at Rathmel on Monday and Tuesday nights, August 11 and 12, under the auspices of the new brass band at Rathmel. Mr. Phillips is a good comedian and he will have strong support, as Rathmel has good local talent in that line, which assures a good entertainment. Injured Shoulder. Thomas O'Hare, brother of John O'Hare, proprietor of the National Hotel in this place, who is playing ball with Punxsutawney team, split his right shoulder bone while playing one day last week. The Punxsutawney Republican says: "It is hoped that Tom O'Hare will be able to play again in a short time, for besides being a fast fielder and a good hitter, he is the life of the team." The largest safe in the world is now nearing completion at a cost of \$185,000 for the Aetna Life Insurance Company, of Hartford, Conn., for its home office use. It is 53 feet, 6 inches wide, 28 feet, 6 inches deep and 8 feet, 6 inches high and safe builders concede it to be the largest in the world.—Accident Insurance. All \$5.00 dress skirts in all colors for \$3.50 at Millirens. Stoke's famous soda—the most delicious drink that ever tickled the palate of luxury loving man. New fall styles in ladies' shoes at Robinson's. Reynolds—the soda water that made Reynoldsville famous.

NEW INDUSTRY ASSURED. Reynoldsville Clay Manufacturing Company Organized Last Night. The gentlemen interested in getting a brick and tile plant started at Reynoldsville held a meeting last evening and organized a company. The name of the company will be Reynoldsville Clay Manufacturing Company. The following directors were elected: M. C. Coleman, Rufus Kirk, C. J. Kerr, Walter D. Williams, A. M. Applegate, John H. Corbett and Charles M. Dinger. Treasurer, Albert Reynolds. A charter will be applied for immediately. The company propose to manufacture brick, tile, hollow block and pottery. It is the intention of the company to erect a \$25,000 plant. It will be located near the glass plant. C. J. Kerr and A. M. Applegate were appointed as a committee to secure location. A large clay vein near Wishaw will be bought and the clay will be shipped to plant on the cars. Fred Zeltner, C. J. Kerr and Walter Williams were appointed a committee to solicit stock for the new industry. The shares have been put at \$50.00 and the company will certainly not have any trouble in disposing of the stock not already taken. This new industry will give employment to a large number of men and will be a good thing for the town. Will Locate Here. P. T. Walsh returned the latter part of last week from a trip to Erie, Pa., where he had been looking for a location to open a grocery store. Since his return he has decided to buy the store building at corner of Pike and Broad streets, West Reynoldsville, from J. H. Corbett and will open a grocery store. The lot is 85 feet on Pike street and 163 feet on Broad street, with a two-story frame building on it, lower story a store room. Consideration \$1,000. It is Mr. Walsh's intention to swing the building around to face on Broad street and set the building back at least ten feet from each street. If he can get the work done soon he will raise the building and put a basement store under it, using the present building to live in. He will improve the property so that it will make a nice appearance. Setting the building back ten feet from Pike street will make an improvement on the appearance of Pike street, as the building looks now as if it was set out on the street. Free Methodists. The Free Methodists of DuBois and Clarion districts are holding their annual camp meeting in Frank's park. They pitched their tents in the park Friday and will fold them again next Monday and depart for their respective homes. They have seventeen tents in the park and there are over one hundred persons attending the camp meeting, including a dozen preachers. They are enjoying a ten days' religious feast. About 7.30 each evening they hold a meeting on corner of Main and Fourth streets and always have a large audience. The singing is excellent. District Elder A. Bean does the talking at the street meeting. He is a good talker and full of zeal and earnestness. A large number of townspeople attend the evening meetings in the park. Evangelist A. H. Norrington and wife, of Canada, arrived in Reynoldsville yesterday and will remain in camp until the camp meeting closes. Reynoldsville Gun Club. The Reynoldsville Gun Club organized Monday and elected following officers: President, Dr. J. B. Neale; Secretary, Charles S. Kirchartz; treasurer, James Delaney. The club has a membership of about 25. They have leased a maugratrap, and the first shoot with the new trap will take place near Muir's at 4.00 p. m. to-morrow, Thursday. It will be interesting to watch the maugratrap throw the blue rocks. Sykes' Woolen Mill. G. W. Sykes' new woolen mill on Mabel street will be ready for operation in several weeks. The machinery is being set in place as fast as possible. This will certainly be a fine woolen mill when completed. Mr. Sykes has had so many years of experience in the woolen mill business that he knows just how to plan a new mill and what kind of machinery to equip it with. When the mill is ready for operation we will give it a full write-up. Money Found. A sum of money was found that the owner can have by describing money, and whether in pocketbook, purse or bag, and paying for this notice. NINIAN COOPER. The two most famous lines of shoes in the world—Walk Over and Queen Quality. Robinson's sell them. Yes, we are responsible for the soda drinking habit of this town. Stoke. Reynolds' soda is ten times better than the best. Waists were 50c, now 38, at Sutters. Stoke's—the "best" soda place. Those who have tried our want column find it pays to do so. You cannot fool the woman who once wore our Queen Quality \$3.00 boots. They'll have nothing else. Robinson's.

Birthday Celebration. On Wednesday, July 23, 1902, occurred the 53rd birthday anniversary of Mrs. William T. Cox, of Sandy Valley, and the event was celebrated with a big birthday party. One hundred friends and neighbors from far and near attended the party, which was a delightful event. It was an afternoon party and soon after the noon hour the guests began to assemble. It was not a surprise party. The hours of the afternoon and evening were pleasantly whiled away in listening to violin and piano music and social chat. The violinists were "Uncle" Edward D. Seeley, John Amos Welsh, Samuel Tilton Reynolds, of Reynoldsville, and Elisha Cox of Horn-town. Piano accompanists, Mrs. Frank P. Miller, of Reynoldsville, and Mrs. Gettus Schlabig, of DuBois. The musical selections were not the latest production, but there was so much inspiration in the music that some of the "old timers" could not resist the desire to show that they were still spry enough to keep step with the music. At 4.30 an excellent luncheon was served on the porch and under the orchard trees. After this pleasant task had been performed W. H. Vashinder, a Reynoldsville photographer, took a picture of the entire party. The guests did not forget that this was a birthday party and Mrs. Cox was the recipient of two willow rocking chairs, a cut glass water bottle and numerous other presents. Burns' wagonette was the means of transportation for a number of Reynoldsville people to get to and from the party. The guests from a distance were as follows: Mrs. J. R. Bonnell, daughter and two sons, Miss Maude and Masters Fremont and Clarence, of Elizabeth, N. J.; Mrs. H. L. Young and Miss Mattie Davis, of Punxsutawney, Mrs. B. T. Cox, of Pittsburgh, Mrs. Harry Coax and Mrs. Gettus Schlabig, of DuBois. Winslow Township Teachers. On Saturday last, July 26, the Winslow township school board elected teachers for coming term, and we believe the board elected an excellent corps of teachers. Following is a list of teachers and schools to which they were assigned: Sykesville, No. 3, Joseph Willson; 2, J. G. Anthony, 1, Gertrude Clouser. Solder, No. 4, R. A. Strawcutter, who has been proprietor of the meat market near Hotel Imperial almost one year, has sold his shop to Martin Plyler. Mr. Plyler has had some experience in the business. He has resided in Reynoldsville several years and is well known by a number of our citizens. He is a very pleasant gentleman. Mr. and Mrs. Strawcutter, who have resided in Reynoldsville over four years, will move to a farm near Knox-dale. They have numerous friends here who will be sorry to see them move away. Arrangements were made to get a report of the Jeffries-Fitzsimmons prize fight at Reynoldsville Friday night. Salvation Army hall was engaged and the Western Union Telegraph Company was put in wires to receive the news, but Captain Florence Donnersburg, of Salvation Army, learned during the evening what the hall was wanted for and she refused to give possession of hall for that purpose, and that up-set all arrangements for getting prize fight news. Stolen. The party who took the hose out of lot back of our store is requested to return same at once. BUTLER BROS. Only the best produces the best. Best fountain, best syrups, best fruit juices, produce Stoke's best soda. See the Oxfords and shoes at Millirens. Get your soda water where they make the famous Reynolds' process cream. Stoke's—the "best" soda place. All waists reduced at Sutters. Reynolds' soda is a friend in need these warm days. Stoke's—the "best" soda place.

TENTH ANNUAL REUNION. There will be a Big Time in Reynoldsville August 15th. The tenth annual meeting of the Northwestern Reunion Association, Knights of Golden Eagle, will be held in Reynoldsville on Thursday, August 15. According to program being arranged by the local committee, it will be a day full of amusement. It is expected that there will be the largest crowd in town that day that has ever attended a reunion in Reynoldsville. There will be a big street parade in the afternoon, followed with speeches in Frank's Park by Grand Castle officers. Prizes to Castles in parade will be given as follows: Castle making best appearance in line \$30.00; Castle having best band in line \$20.00; Castle coming longest distance \$10.00; Ladies Temple making best appearance in line \$10.00. There will be a dance in Frank's Park during the afternoon and evening. People who want to have a good time and enjoy being jostled in a big crowd, should come to Reynoldsville August 15, whether you are a member of the Knights of Golden Eagle or not. Winslow Twp. School Board. Last Saturday the Winslow township school board held its regular monthly meeting at Frank's Tavern in this place and did a big day's work. John Dougherty, new member of board who was appointed to fill vacancy caused by John Watson's resignation, was sworn in. The board decided to build a new school house somewhere between the West Reynoldsville borough line and the J. T. Coax farm to accommodate children of the people who live above the tannery, outside of borough limits. Fry's geographies have been in use in Winslow township, but the board has thrown those aside and adopted Roddy's Complete geography. The new geographies were bought for the township Saturday. The township teachers—thirty-four of them—were hired Saturday. A list of the teachers will be found elsewhere in this issue. The contract for building the new school house at Wishaw was let to W. H. Deemer, of Sykesville, for \$1,388. School Board Can't Agree. The Reynoldsville school board held another meeting last evening, but they failed to elect a principal. The regular monthly meeting of the board will be held next Tuesday evening, August 5th. Bids for Furnishing Coal. Bids wanted to furnish lump coal for the public school building of Reynoldsville.
