THE PLEASURE OF DRINKING

Is never appreciated quite so much as on a hot day before our Soda Fountain. Then and there it is a joy not to be denied. Our Soda water is very popular, and stankily gaining in popularity because it represents a rare combination of choice materials, perfect equipment and expert skill in preparing, mixing and serving. That is a good deal to say in one breath, but come and taste the soda drinks, all flavors, and see for yourself how good they are.

A Little of Everything.

Local news will be found on the first, fourth and fifth pages of THE STAR. There will be a moonlight picnic on David Reynolds' lawn Friday evening of this week. The infant department of the Presbyterian Sunday school held a picnic in Frank's Park yesterday. 'Uncle Joel Stebbins' in the P. O. S. of A. hall at Rathmel on Monday and Tuesday evenings of next week. Free Methodists will hold a meeting in Frank's Park Wednesday evening of next week, August 13th. Owing to absence from town Dr. B. E. Hoover's dental office will be closed from Monday until Friday, August 8. R. J. Lofts, who was head clerk in the coal company's store at this place a few years ago, died in Buffalo, N. Y., recently. Forty members of the P. O. S. of A. attended the eleven o'clock services at the M. E. church in a body last Sunday morning. Thirty-five Reynoldsville ladies drove to Washaw last Thursday and held a picnic in Newcome's park. They had a fine day and a fine time. The Salvation Army will hold a children's picnic in the grove near Kline's school house two weeks from today. Full particulars later. George Yost and Rebecca Yost, of Putneyville, came to town yesterday to see their sister, Mrs. Josiah Deter, before she went to the hospital. A number of people will go from this place to the Buckwheat Reunion at Goodville to-morrow. Special train over B., R. & P. from Reynoldsville. Rev. A. J. Meek, Ph. D., pastor of the Baptist church, will return this week from his vacation and will hold regular preaching services next Sunday morning and evening. Mrs. Lizzie Smith, an experienced milliner, will open a millinery shop in the Murray building about Sept. 1st. She will hire an expert trimmer, and solicit the patronage of the public. Rev. James H. Jelbart, of Johnsonburg, delivered a temperance lecture in Centennial hall last evening. The attendance was not as large as it would have been had it not been for the rain. The Daughters of Rebekah will hold their annual picnic in Fuller's orchard, above Prescottville, to-morrow. Livestock men will run hacks to haul people to and from picnic for ten cents each way.

May Hillis, little daughter of J. R. Hillis, furniture dealer, was struck by a bicycle while crossing Main street last evening. The little girl was more frightened than injured. Thomas Green, of Hotel Imperial, and John O'Hare, of National Hotel, took their families to the new camp near Henry Stevenson's yesterday forenoon, where they will remain four or five days. Two hundred tickets were sold at P. R. B. station in this place Friday for DuBois. Besides that a number of people had mileage books, others drove to DuBois and quite a number rode up on bicycles. There is some talk of the Presbyterian, Baptist and Methodist Episcopal churches of this place holding union services in Frank's Park the last three Sunday evenings of August. We believe this would be a good thing to do. Thomas E. Evans, contractor of this place, has a contract to erect a two story brick building in Punxsutawney for the German Beneficial Society. The building is to be 30 by 70 feet. Mr. Evans began the work several days ago. There will be a large crowd in Reynoldsville on Friday of next week, August 15th, to attend the 10th annual reunion of the Northwestern Reunion Association, Knights of Golden Eagle. There will be a big parade, races, games, &c., for amusement. William Binney, a driver in Maplewood mine, had the index finger of his right hand badly lacerated several days ago. William was in the act of hooking chain to car hook when the mule started quickly and caught his finger between the two hooks. At the next regular meeting of the Merchants' Association arrangements will be made for holding a merchants' picnic. As stated in THE STAR last week this will be a good thing for the merchant, as they need a day of recreation in the woods. Richard Mitchell, formerly of this place, who was moved to Punxsutawney several months ago, has been appointed assistant superintendent of the Metropolitan Life Insurance Company work at Johnsonburg and has taken charge of the work at that place. Joseph Bateson and wife, of Rathmel, were in Pittsburgh the latter part of last week. A month ago Mrs. Bateson went to Pittsburgh and had an operation performed on her ears, as her hearing was affected. The trip to 'Smoky City' last week was made to see the doctor. Last Thursday evening Miss Mary Bowen gave a party at her home on Jackson street in honor of her guest, Miss Eileen King, of Barnesboro, Pa. Twenty young people were present. Games were played during the evening and fine refreshments were served. It was a very pleasant and enjoyable party. The Free Methodists of Clarion and DuBois districts, who held a camp meeting in Frank's Park at this place from July 25th to August 3rd, left town Monday. The meetings were well attended, especially the night meetings. They were delighted with Reynoldsville and the treatment they received from the people during their stay here. Butler Bros. peanut roaster, and corn popper might have exploded Friday afternoon. The safety valve did not work for some reason and there was eighty pounds of steam on the little machine before Mr. Butler discovered it. Fifty pounds is supposed to be the limit, but it only requires about twenty pounds of steam to run the machine. Rev. J. C. McEntire was called to Williamsport Saturday to attend the funeral of his brother, Lawrence McEntire, who died Saturday morning, August 2. The deceased was in his 77th year. He visited his brother and sister, J. C. McEntire and Mrs. J. T. Coax, at this place last year. He is survived by four sons and one daughter. Brigadier McIntyre, of Buffalo, N. Y., and officers and soldiers from Punxsutawney and DuBois Salvation Army visited Reynoldsville Monday evening. They held a meeting on the street over a half hour and attracted a large crowd which listened attentively to the service. From the street they went into Salvation Army hall and held an enthusiastic meeting. Preparations for the Firemen's Convention to be held at St. Marys August 13, 14 and 15, are being completed. Every indication points to a most successful meeting. The attendance promises to be as large as it has been in the history of the Association. St. Marys is making strenuous efforts to entertain the hundreds of visitors in royal style. Come to St. Marys Aug. 13, 14 and 15, because it will be good to be there. Mention was made in THE STAR last week that Thomas E. Evans, contractor, had bought E. Wieser's 30 foot lot on burnt district, the Odd Fellows to get 10 feet and the balance was sought for another party. Since the deal was made August Baldauf, who was to buy 20 feet from Mr. Evans, changed his mind and Mr. Evans will erect a two story brick building, brown stone front, on the lot himself. The first floor will be used for store room and second floor fitted up for dwelling.

Going to Hospital. Dr. J. C. King will take Mrs. Josiah Deter to a hospital in Pittsburgh to-day where she will undergo an operation. Business Change. James Tyson has bought Matthew Phillip's grocery store in the Taafel block. Mr. Tyson took charge of the store yesterday. Arthur Tyson, who is a bright and accommodating young man, will assist his father in the grocery business. Bridge Contract Let. On Thursday of last week John McLaughlin and James S. Dougherty, supervisors of Washington township, gave John H. Burtop the contract to build the new bridge over Horn run, near Matthew Smith's saw mill. The contract price is \$650.00. Case Not Settled. Nichols Froese, who shot off a revolver in a crowd on Main street on afternoon of July 4th and was arrested and placed under \$500.00 bail for his appearance at court, was in Brookville last week trying to get the case settled, but District Attorney Murray said it could not be settled. Wrist Broken. Mrs. M. W. McDonald, of Turtle Creek, Pa., arrived at the home of her mother, Mrs. Thomas Reynolds, in Paradise, Friday evening on a visit and on Saturday forenoon she fell and broke her left wrist. She was walking from house to barn when the heel came off her shoe and she fell on her wrist. Gone to Bedford Springs. L. P. McCleery, one of the supervisors of Winslow township, who has been indisposed for several months, went to Bedford Springs, Pa., yesterday to recuperate. Amos Strouse will have charge of Mr. McCleery's business as supervisor during his absence. Mr. McCleery's numerous friends wish that the trip will restore his health. Birthday Party. Monday of last week was the sixteenth birthday of Miss Mildred Ridgeway, daughter of Mr. and Mrs. M. E. Ridgway in West Reynoldsville, and the event was celebrated with a birthday party. Fifteen of Mildred's young lady friends attended the party and had a jolly time. Mildred received a number of presents. Refreshments were served. Captured Two Rattlesnakes. James Lusk, of Reynoldsville, who has had experience in handling snakes, captured two rattlesnakes and a green snake while out on Boon's Mountain last week after huckleberries. One of the rattlesnakes is four feet four inches long. Mr. Lusk has a glass box to put the snakes in. He will exhibit the snake and several other attractions at the Punxsutawney fair. Peanut Roaster and Cornpopper. G. Bohren, the baker, has purchased a new peanut roaster and cornpopper. It is a large machine and contains four departments, for fresh roasted peanuts, salted peanuts, popcorn and candy. Mr. Bohren handles Lowney's candies, the finest candies made. The candy is put up in neat boxes. This line of candies will be found at the new peanut roaster. If you have not already seen the new roaster stop and see it. It's a beauty. Trip to Pacific Coast. George Hughes, who was elected delegate from the Reynoldsville B. P. O. E. lodge to Grand Lodge, which meets at Salt Lake City, Utah, will leave here this afternoon. After Grand Lodge is over Mr. Hughes will take a trip to San Francisco, Cal., Denver, Col., Yellowstone Park, Pike's Peak and other places. He will be absent a month. His brother, James Hughes, of Rathmel, had intended going with him, but the sale of his hotel at Rathmel made it impossible for James to go at this time. Hotel Hughes Sold. James Hughes, proprietor of Hotel Hughes at Rathmel, has sold his hotel to Daniel Wise, of Sykesville, and F. H. Weber, of Henderson township. Mr. Wise, an experienced hotel man, having been proprietor of a hotel at Sykesville and one at Big Run, will move into Hotel Hughes and take charge of it as soon as the license is transferred. Mr. Hughes has been in the hotel business at Rathmel a number of years. We have not learned yet what he expects to do after he gets out of Hotel Hughes. Had to Shoot Horse. Last Thursday forenoon 'Fred Pony,' one of E. C. Burns' livery horses, had a leg broken by stepping into a hole in a culvert near Desire. A traveling man named Fry was driving the horse at the time. He telephoned for Mr. Burns, who went to Desire and shot the horse. 'Fred Pony' was one of Burns' best livery horses, but he was getting a little old. Mr. Burns was offered one hundred dollars for the horse the Sunday before the accident. The defective culvert was in McAlmout township and Mr. Burns may decide to try to get damages from the township. If he sees the township there is little doubt but that he will get judgement for value of his horse, as the culvert had a broken board in it a week before the accident.

HEAD BLOWN OFF. Barney McCann Lit a Stick of Dynamite and Now he is Buried. Barney McCann, who formerly resided on 'poverty flat,' moving from here to Brookville several months ago, was buried in Brookville Saturday afternoon. Barney would get drunk frequently while he lived on 'poverty flat' and when in that condition he would most generally give his wife a whipping. He was arrested several times for abusing his wife and finally was sentenced to jail several months for it. Last week Barney was on a 'sneeze' and while his wife was out washing for somebody he went home and told the children he would blow up the house and kill all of them. The children got frightened and ran out of the house. Barney went to second story of the house, carrying two sticks of dynamite with him, and in a few minutes there was a terrible explosion, blowing out a portion of second story of house. Barney was found with his head almost blown off. He lived a few minutes, but could not speak. When the man was able to work he was engaged in blowing out stumps and that is how he happened to have dynamite at hand. He leaves a wife and large family, some of whom are married. Stockholders' Meeting. A meeting of the stockholders of the Reynoldsville Manufacturing Company was held in the Masonic hall last evening. A report from the committee soliciting stock was very favorable, indicating that the \$25,000 stock would be raised without difficulty. M. C. Coleman, one of the directors, went to Pittsburgh to-day to see about buying the machinery for the new plant. There will be another meeting of the stockholders at the Building and Loan office to-morrow, Thursday, evening, at which time a president and secretary will be elected. Union Church Dedicated. The new union church at Beechtree was dedicated last Sunday afternoon free of debt. It is a neat frame edifice that cost about \$2,000. This is the third union church built at Beechtree. The other two were both destroyed by fire. Rev. J. Bell Neff, D. D., of Oil City, assisted by Rev. G. H. Hill, of Beechwoods, and Rev. Bradshaw, of Brookwayville, conducted the dedicatory services. There was a large congregation present. Smashed the Trap. The Reynoldsville Gun Club expected to have a shoot last Thursday afternoon and use the new magatrap for the first time. Drayman Copping loaded the trap on his wagon in front of Kirchartz's cigar store and stepped away to put something else on the wagon and the trap fell off and was badly damaged. The mishap stopped the shoot that day. The new trap will be here in time for a shoot to-morrow, Thursday, afternoon near the water works' pump house. 'All Thirsty Folk.' PRINCIPAL ELECTED LAST NIGHT. Prof. Lenkerd Withdrew His Application and Prof. Smith was Elected. Prof. G. W. Lenkerd appeared before the school board last evening and withdrew his application for principal of the borough schools and Prof. C. V. Smith, of Bedford, Pa., was elected for one year at a salary of \$900 for the term of eight months, an increase of \$140 for the term. The school term begins the second Monday in September, four weeks from next Monday. Prof. Smith is highly recommended as an instructor. He has a wife and one child. FRANCHISE ORDINANCE PASSED. Street R'y Co's \$25,000 Bond Accepted—To Begin Work Within Sixty Days. The ordinance granting the Punxsutawney Street Passenger Railway Company a franchise to build a street railway in this borough, passed second and final reading last night and is now a law. The company put up a \$25,000 bond last night, which was accepted by the town council, to begin work on the extension of the trolley line from Eleonora to Reynoldsville within sixty days and to have the road completed within eighteen months, providing there are no legal obstructions. We understand that an engineer corps is to begin surveying on the Eleonora end of the line to-day. We have not learned yet just where the trolley line will enter Reynoldsville. Pickpockets at DuBois. Albert Reynolds had \$25.00 picked out of his pocket at DuBois Friday, and had it not been that W. H. Bell's gold watch caught on his belt, Mr. Bell would have returned home without a timepiece. A pickpocket had hold of the watchchain when Mr. Bell felt the pull on his belt. He hit the thief on the nose, but the fellow escaped in the crowd before he could be caught. Mr. Reynolds lost his money getting on the P. R. R. train at DuBois to start home. His wife accompanied him to DuBois Friday to visit her sister while Ab. attended the circus. Mrs. Reynolds took Mrs. Thos. Mitchell's little daughter Cora with her. When Ab. returned from show he got on the train on siding above depot. When train pulled down to depot Ab. saw his wife standing in crowd with baby and he got off the train to help her on, and it was when he was getting back on train with baby on his arm that the pocketbook was stolen. Ab. noticed a fellow behind him crowding up just as he was going into car, but there were four or five fellows ahead of Ab. and he could not go in any faster. Ab. had been keeping his eyes open for pickpockets while on circus grounds, but he was off his guard when he was 'touched.' Fourth Quarterly Meeting. The fourth quarterly meeting of the present conference year will be held in the M. E. church next Sunday. Rev. R. C. Smith, presiding elder of Clarion district, will preach at eight o'clock Thursday evening, after which he will hold the last quarterly conference at Reynoldsville as presiding elder of this district. Rev. Smith has been elder of this district six years, and he has proven himself to be well qualified for the position. He is a hard worker, an able preacher, a wise counselor and a conscientious christian gentleman. He has been faithful to the trust bestowed on him by his brethren in the ministry. Rev. Smith has made many friends on the district who will miss his warm greeting and kind ministrations. The Sunday services will be as follows: Sunday school 9.45 a. m., preaching at 11.00, followed by administration of Lord's Supper, young men's prayer meeting at 2.00 p. m., junior League at 2.00 p. m., love feast at 6.30 and preaching at 7.30 p. m. Harry Null at Home. Two months ago mention was made in THE STAR that Harry Null, eighteen-year-old son of Ex-constable John H. Null, of Sykesville, had his right leg crushed in a freight elevator at Chicago, Ill., and had to have leg amputated close to hip. Mr. Null went to Chicago and found his son very near death's door. He remained with him two weeks and the boy's health was so much improved that Mr. Null returned home. Over three weeks ago Mr. Null was called to Chicago the second time on account of the critical condition of his son. He remained in the 'Windy City' until Harry was able to come home with him. They arrived in Sykesville last Friday. Plyler's Meat Market. Mention was made in THE STAR last week that Martin Plyler, an experienced butcher, had purchased E. S. Straw-cutter's meat market. Mr. Plyler will keep on hands at all times fresh and smoked meats of all kinds, butter, eggs, etc., and solicits a share of the public patronage, promising fair treatment to all. He expects to do a cash business, which will enable him to sell at the lowest possible price. 'What to Drink'. It's a simple proposition at our soda fountain.
